Dessert For Two: Small Batch Cookies, Brownies, Pies, and Cakes Christina

Lane,2015-02-07 Dessert for Two takes well-loved desserts and scales them down to make only two servings! Who doesn't love towering three-layer cakes with mounds of fluffy buttercream? Who can resist four dozen cookies fresh from the oven? Wouldn't you love to stick your spoon into a big bowl of banana pudding? But what about the leftovers? Dessert recipes typically serve eight to ten people. Finding the willpower to resist extra slices of cake can be difficult; the battle between leftover cookies and a healthy breakfast is over before it starts. Until now. Dessert for Two takes well-loved desserts and scales them down to make only two servings. Cakes are baked in small pans and ramekins. Pies are baked in small pie pans or muffin cups. Cookie recipes are scaled down to make 1 dozen or fewer. Your favorite bars—brownies, blondies, and marshmallow-rice cereal treats—are baked in a loaf pan, which easily serves two when cut across the middle. Newly married couples and empty-nesters will be particularly enthralled with this miniature dessert guide. To everyone who lives alone: now you can have your own personal-sized cake and eat it, too.

Channel Kindness: Stories of Kindness and Community Born This Way Foundation

Reporters,Lady Gaga,2020-09-22 A New York Times Bestseller For Lady Gaga, kindness is the driving force behind everything she says and does. The quiet power of kindness can change the way we view one another, our communities, and even ourselves. She embodies this mission, and through

her work, brings more kindness into our world every single day. Lady Gaga has always believed in the importance of being yourself, being kind to yourself, and being kind to others, no matter who they are or where they come from. With that sentiment in mind, she and her mother, Cynthia Germanotta, founded Born This Way Foundation, a nonprofit organization dedicated to making the world a kinder and braver place. Through the years, they've collected stories of kindness, bravery and resilience from young people all over the world, proving that kindness truly is the universal language. And now, we invite you to read these stories and follow along as each and every young author finds their voice just as Lady Gaga has found hers. Within these pages, you'll meet young changemakers who found their inner strength, who prevailed in the face of bullies, who started their own social movements, who decided to break through the mental health stigma and share how they felt, who created safe spaces for LGBTQ+ youth, and who have embraced kindness with every fiber of their being by helping others without the expectation of anything in return. In one story, you'll read about a young person with an autoimmune disease, who after being bullied at school, learned how to practice self-love and started an organization with the mission of educating others about the importance of self-love, too; and in another story, you'll meet a young person who decided to start a movement to help eliminate the stigma surrounding mental health and encouraged others to talk about their feelings openly and honestly, a reminder that kindness and mental wellness go hand in hand. Not only were we moved by these individual acts of kindness, but we were also touched by the many stories of organizations, neighborhoods, and entire communities that fully dedicated themselves to helping those in need and found new, innovative ways to make our world a kinder and braver place. Individually and collectively, these stories prove that kindness not only saves lives but builds community. Kindness is inclusion, it is pride, it is empathy, it is compassion, it is self-respect

and it is the guiding light to love. Kindness is always transformational, and its never-ending ripples result in even more kind acts that can change our lives, our communities, and our world.
