Anna Quindlen

Happy Candle-Making Virginia Pevy, 2021-10-21 While candles add warmth and light to every space, making your home feel cozier, they don't last forever and can be a little pricey. However, you can make them yourself really easily with a few supplies and a little bit of know-how. This book is based on a guide, which the author gives to all her students when they attend one of her face-to-face workshops. It's an introduction to candle-making at home and requires no previous knowledge. It covers everything you need to get started: types of wax, wicks, dyes, fragrance oils, equipment, etc. and of course candle-making techniques + six step-by-step candle-making projects - to make at home. Once you've mastered the techniques you will be on your way to starting a new hobby and you'll certainly be able to create professional-looking candles for yourself, friends and family at a fraction of the price you'd pay online or in store.

Light the Candles Joan Holub, 2000 Hanukkah is here! There are so many fun things to do-light candles in the menorah, open presents, eat latkes and chocolate coins, play the dreidel game, and more. Lots of Candles, Plenty of Cake Anna Quindlen, 2013-04-23 INCLUDING AN EXCLUSIVE CONVERSATION BETWEEN MERYL STREEP AND ANNA QUINDLEN "[Quindlen] serves up generous portions of her wise, commonsensical, irresistibly quotable take on life. . . . What Nora Ephron does for body image and Anne Lamott for spiritual neuroses, Quindlen achieves on the home front."—NPR In this irresistible memoir, Anna Quindlen writes about a woman's life, from childhood memories to manic motherhood to middle age, using the events of her life to illuminate ours. Considering—and celebrating—everything from marriage, girlfriends, our mothers, parenting, faith, loss, to all the stuff in our closets, and more, Quindlen says for us here what we may wish we could have said ourselves. As she did in her beloved New York Times columns, and in *A Short Guide to a Happy Life*, Quindlen uses her past, present, and future to

explore what matters most to women at different ages. Quindlen talks about Marriage: "A safety net of small white lies can be the bedrock of a successful marriage. You wouldn't believe how cheaply I can do a kitchen renovation." Girlfriends: "Ask any woman how she makes it through the day, and she may mention her calendar, her to-do lists, her babysitter. But if you push her on how she really makes it through her day, she will mention her girlfriends. " Our bodies: "I've finally recognized my body for what it is: a personality-delivery system, designed expressly to carry my character from place to place, now and in the years to come." Parenting: "Being a parent is not transactional. We do not get what we give. It is the ultimate pay-it-forward endeavor: We are good parents not so they will be loving enough to stay with us but so they will be strong enough to leave us." Candid, funny, and moving, *Lots of Candles, Plenty of Cake* is filled with the sharp insights and revealing observations that have long confirmed Quindlen's status as America's laureate of real life. "Classic Quindlen, at times witty, at times wise, and always of her time."—The Miami Herald "[A] pithy, get-real memoir."—Booklist Look for special features inside.
