Haunted Houses Corinne May Botz, 2010-09-28 "When I was between the ages of five and eight, my sister and I slept in a large attic bedroom. At nightfall the room was filled with gypsies who glided around in clusters. They wore colorful thin flowing dresses and rummaged greedily through my drawers and books as if they would steal everything. I lay in bed as stiff as a board, trying to will myself invisible, praying they would not notice me looking . . . Daylight obliterated the gypsies, rendering them as thoroughly insubstantial as they had been real in the dark. I had a vague understanding that my vision was private, so I never told my family what I saw." So began Corinne May Botz's fascination with the invisible, a phenomenon that has profoundly influenced her approach to photography in style and subject matter. For more than ten years, she searched for ghost stories in buildings across the United States. She ventured into these haunted places with both camera and tape recorder in hand; her photographs, accompanied by first-person narratives, reveal a rare glimpse into American interiors, both physical and psychological. This book includes more than eighty haunted buildings, from the legendary to the ordinary, including Edgar Allan Poe's house in Baltimore, a New Jersey tavern, and a Massachusetts farmhouse, a log cabin in Kentucky, and a number of private residences. The text includes ghost stories told to the author by those who lived through the moving rugs, creaking floors, apparitions, disappearing—and reappearing—objects, cries in the night, mysteriously burning candles, and other unexplained occurrences.

Haunted House Fun Tony Tallarico, 2000 Numerous pages to find listed hidden objects in the illustrations.

Haunted House Walter Hubbell, 2006 It is one of the best spooky stories, definitely spine-chilling. Mysterious and vivacious action in the story mesmerizes the reader. The horrifying effect is created as the arcane setting of fires, shaking of the house, loud and incessant noises, distinct knocking as sledge-hammers on the walls and the furniture moves in day-light without any visible cause. Interesting and fear-provoking!

The Haunted House in Women's Ghost Stories Emma Liggins, 2020-06-30 This book explores Victorian and modernist haunted houses in female-authored ghost stories as representations of the architectural uncanny. It reconsiders the gendering of the supernatural in terms of unease, denial, disorientation, confinement and claustrophobia within domestic space. Drawing on spatial theory by Gaston Bachelard, Henri Lefebvre and Elizabeth Grosz, it analyses the reoccupation and appropriation of space by ghosts, women and servants as a means of addressing the opposition between the past and modernity. The chapters consider a range of haunted spaces, including ancestral mansions, ghostly gardens, suburban villas, Italian churches and houses subject to demolition and ruin. The ghost stories are read in the light of women's non-fictional writing on architecture, travel, interior design, sacred space, technology, the ideal home and the servant problem. Women writers discussed include Elizabeth Gaskell, Margaret Oliphant, Vernon Lee, Edith Wharton, May Sinclair and Elizabeth Bowen. This book will appeal to students and researchers in the ghost story, Female Gothic and Victorian and modernist women's writing, as well as general readers with an interest in the supernatural.

And when Pen's friend and mailman, Seymour Tarnish, gets into deep

trouble, Pen not only believes in her ghost—she also thinks he can help... An elderly lady of leisure has been found dead on posh Larchmont Avenue, her will recently, and suspiciously, revised to name Seymour as heir to her mansion. Just as eyes turn to him as the murderer—and Seymour gets busy settling into his ritzy digs—the mansion’s ghosts begin plaguing him. So he hires a team of parapsychologists to exorcise all the spirits from the town of Quindicott—and that includes Jack Shepard. Now Pen must act fast—because losing Jack scares Pen more than rattling chains and cold spots...
