Hawaiian Surfing John R. K. Clark, 2011-05-31 Hawaiian Surfing is a history of the traditional sport narrated primarily by native Hawaiians who wrote for the Hawaiian-language newspapers of the 1800s. An introductory section covers traditional surfing, including descriptions of the six Hawaiian surf-riding sports (surfing, bodysurfing, canoe surfing, body boarding, skimboarding, and river surfing). This is followed by an exhaustive Hawaiian-English dictionary of surfing terms and references from Hawaiian-language publications and a special section of Waikiki place names related to traditional surfing. The information in each of these sections is supported by passages in Hawaiian, followed by English translations. The work concludes with a glossary of English-Hawaiian surfing terms and an index of proper names, place names, and

surf spots.

**Recreational Surf Parameters** James R. Walker, 1974 A survey of 1,690 surf sites in Hawaii, primarily on the Island of Oahu (Sunset, Waimea, Pipeline, Makaha, Queen's, Kewalo, and Ala Moana).

*Surfing* Peter Diel, Eric Menges, 2008 A guide to surfing offers information on the origins of the sport, essential equipment, techniques, and the best surfing locations in the United States, Hawaii, Australia, and Europe.

*Hawaii Place Names* John R. K. Clark, 2003-05-14 In his latest book, John Clark, author of the highly regarded *Beaches of Hawaii* series, gives us the many captivating stories behind the hundreds of Hawaii place names associated with the ocean--the names of shores, beaches, and other sites where people fish, swim, dive, surf, and paddle. Significant features and landmarks on or near shores, such as fishponds, monuments, shrines, reefs, and small islands, are also included. The names of surfing sites are the most numerous and among the most colorful: from the purely descriptive (Black Rock, Blue Hole) to the humorous (No Can Tell, Pray for Sex). Clark began gathering information for the *Beaches* series in 1972, and during the years that followed interviewed hundreds of informants, many of them native Hawaiians, and consulted dozens of Hawaiian reference books, newspapers, and maps. A significant amount of the oral history he collected was unrecorded and remained only in his notebooks and memory. *Hawaii Place Names: Shores, Beaches, and Surf Sites* is the final result of those years of research, and like its popular

predecessors, it benefits substantially from Clark's having spent a lifetime surfing and swimming Hawaii's beaches. Presented in the same convenient format as Pukui, Elbert, and Mookini's *Place Names of Hawaii* (UH Press, 1974) this rich compendium of information on Hawaii's surf, shore, and beach sites will satisfy visitors and residents alike.

*Beaches of Kaua'i and Ni'ihau* John R. K. Clark, 1989-11-01 Kaua'i has more sand beaches per mile of shoreline than any other island in Hawai'i. Its spectacular shoreline ranges from cliffs of bird sanctuaries to a fishpond in a volcanic crater to the traditional swimming, snorkeling, surfing, and beachcombing beaches. Although the owners of Ni'ihau discourage visitors, author John Clark includes fascinating sketches of the island to complete his inventory of Hawai'i's beaches. The *Beaches* series by John R. K. Clark include *Beaches of Maui County*, *Beaches of the Big Island*, *Beaches of Kaua'i and Ni'ihau*, and *The Beaches of O'ahu*. The author, an ocean recreation consultant, includes comprehensive site descriptions of hundreds of beaches in the Hawaiian Islands and shares his extensive knowledge of, and deep respect for, Hawai'i's shorelines.
