Imagine Heaven John Burke, 2015-10-13 It's obvious from the bookshelves and the big screen that heaven is on everyone's mind. All of us long to know what life after death will be like. Bestselling author John Burke is no exception. For decades, he has been studying accounts of people who have had near-death experiences (NDEs). While not every detail of individual NDEs correlate with Scripture, Burke shows how the common experiences shared by thousands of survivors clearly point to the God of the Bible and the exhilarating picture of heaven he promises. *Imagine Heaven* is an inspirational journey through the Bible's picture of heaven, colored in with the real-life stories of heaven's wonders. Burke compares gripping stories of NDEs to what Scripture says about our biggest questions of heaven: Will I be myself? Will I see friends and loved ones? What will it look like? What is God like? What will we do forever? What about children and pets? This book will propel readers into an experience that will forever change their view of the life to come and the way they live life today. It also tackles the tough questions of heavenly reward and hellish NDEs. Anyone interested in NDEs or longing to imagine heaven more clearly will enjoy this fascinating and hope-filled book.

a *Heaven is for Real* Deluxe Edition Todd Burpo, 2011-10-31 #1 New York Times bestseller with more than 11 million copies sold! When 4-year-old Colton Burpo emerges from life-saving surgery with remarkable stories of his visit to heaven, his family doesn't know what to believe. *Heaven is For Real* details what Colton saw and his family's journey towards accepting their young son had visited the afterlife. "Do you remember the hospital, Colton?" Sonja said. "Yes, mommy, I remember," he said. "That's where the angels sang to me." Colton told his parents he left his body during an emergency surgery—and proved that claim by describing exactly what his parents were doing in another part of the hospital during his operation. He talked of visiting heaven and described events that happened before he was born and how he spoke with family members he'd never met. Colton also astonished his parents with descriptions and obscure details about heaven that matched the Bible exactly, even though he had not yet learned to read. With disarming innocence and the plainspoken boldness of a child, Colton recounts his visit to heaven, describing: Meeting long-departed family members Jesus, the angels, how "really, really big" God is, and how much God loves us How Jesus called Todd, Colton's father, to be a pastor *The Battle of Armageddon Retold* by his father, but using Colton's uniquely simple words, *Heaven Is for Real* offers a glimpse of the world that awaits us, where as Colton says, "Nobody is old and nobody wears glasses." *Heaven Is for Real* will forever change the way you think of eternity, offering the chance to see, and believe, like a child. Praise for *Heaven is for*

Real: “A beautifully written glimpse into heaven that will encourage those who doubt and thrill those who believe.” —Ron Hall, coauthor of *Same Kind of Different as Me*

God Gave Us Heaven Lisa Tawn Bergren, 2012-02-08 As the sun rises on her snow-covered world, Little Cub wonders aloud... “What is heaven like?” With tender words, her Papa describes a wonderful place, free of sadness and tears, where God warmly welcomes his loved ones after their life on earth is over. Little Cub and Papa spend the day wandering their beautiful, invigorating arctic world while she asks all about God’s home: How do we get to heaven? Will we eat there? Will I get to see you in heaven? Papa patiently answers each question, assuring her that... “Heaven will be full of everything good.” This gentle story provides satisfying answers for a young child’s most difficult questions about what happens after this life, inviting “little cubs” to find comfort in knowing that God Gave Us Heaven. Heaven Is for Real Todd Burpo, Lynn Vincent, 2016-07-11 A young boy emerges from life-saving surgery with remarkable stories of his visit to heaven. *Heaven Is for Real* is the true story of the four-year old son of a small town Nebraska pastor who during emergency surgery slips from consciousness and enters heaven. He survives and begins talking about being able to look down and see the doctor operating and his dad praying in the waiting room. The family didn't know what to believe but soon the evidence was clear. Colton said he met his miscarried sister, whom no one had told him about, and his great grandfather who died 30 years before Colton was born, then shared impossible-to-know details about each. He describes the horse that only Jesus could ride, about how reaaaally big God and his chair are, and how the Holy Spirit shoots down power from heaven to help us. Told by the father, but often in Colton's own words, the disarmingly simple message is heaven is a real place, Jesus really loves children, and be ready, there is a coming last battle.

The Heaven of Animals Nancy Tillman, 2014-09-02 A comforting story in tribute to the loss of a pet depicts an idyllic heaven for animals with angels who play every dog's favorite game, rays of sunshine ideally suited to cats and unobscured sky fields where horses can run freely. The Case for Heaven Lee Strobel, 2021-09-14 Bestselling and award-winning author Lee Strobel interviews experts about the evidence for the afterlife and offers credible answers to the most provocative questions about what happens when we die, near-death experiences, heaven, and hell. We all want to know what awaits us on the other side of death, but is there any reliable evidence that there is life after death? Investigative author Lee Strobel offers a lively and compelling study into one of the most provocative topics of our day. Through fascinating conversations with respected scholars and experts--a neuroscientist from Cambridge University, a researcher who analyzed a thousand accounts of near-death experiences, and an atheist-turned-Christian-philosopher--Strobel offers compelling reasons for why death is not the end of our existence but a transition to an exciting world to come. Looking at biblical accounts, Strobel unfolds what awaits us after we take our last breath and answers questions like: Is there an afterlife? What is heaven like? How will we spend our time there? And what does it mean to see God face to face? With a balanced approach, Strobel examines the alternative of Hell and the logic of damnation, and gives a careful look at reincarnation, universalism, the exclusivity claims of Christ, and other issues related to the topic of life after death. With vulnerability, Strobel shares the experience of how he nearly died years ago and how the reality of death can shape our lives and faith. Follow Strobel on this journey of discovery of the entirely credible, believable, and exhilarating life to come.

Parallel Stories Péter Nádas, 2011-11-10 In 1989, the memorable year when the Wall came down, a university student in Berlin on his early morning run finds a corpse lying on a park bench and alerts the authorities. This classic police-procedural scene opens an extraordinary novel, a masterwork that traces the fate of myriad Europeans - Hungarians, Jews, Germans, Gypsies - across the treacherous years of the mid-twentieth century. The social and political circumstances of their lives may vary richly, their sexual and spiritual longings may seem to each of them entirely unique, yet Peter Nádas's magnificent tapestry unveils uncanny, reverberating parallels that link them across time and space. Three unusual men are at the heart of *Parallel Stories*: Hans von Wolkenstein, whose German mother is linked to dark secrets of fascist-Nazi collaboration during the 1940s, Ágost Lippay-Lehr, whose influential father has served Hungary's different political régimes for decades, and Andras Rott, who

has his own dark record of dark activities abroad. They are friends in Budapest when we eventually meet them in the spring of 1961, a pivotal time in the postwar epoch and in their clandestine careers. But the richly detailed, dramatic memories and actions of these men, like those of their friends, lovers and family members, range from Berlin and Moscow to Switzerland and Holland, from the Mediterranean to the North Sea, and of course, across Hungary. The ever-daring, ever-original episodes of *Parallel Lives* explore the most intimate, most difficult human experiences in a prose glowing with uncommon clarity and also with mysterious uncertainty - as is characteristic of Nadas's subtle, spirited art. The web of extended dramas in *Parallel Stories* reaches not just forward to the transformative year of 1989 but back to the spring of 1939, with Europe trembling on the edge of war; to the bestial times of 1944-45, when Budapest was besieged, the final solution devastated Hungary's Jews, and the war came to an end; and to the cataclysmic Hungarian Revolution of October 1956. But there is much more to *Parallel Stories* than that: it is a daring, demanding, and very moving exploration of humanity at its most constrained and its most free.

Second, Noland discusses corporate worship by exploring the glorious gatherings in heaven, as described in the book of Revelation. He presents immediately applicable ideas for becoming a better corporate worshiper. This book includes: • Slice-of-church-life scenarios. Every chapter begins with a brief scenario that presents a worship-related issue or a conflict corresponding to the chapter topic. • Group discussion questions. Each chapter ends with a series of discussion questions and action steps to help readers identify key insights and make personal applications.

Visions of Heaven Martin Kemp, 2021-03 Dante Alighieri (1265-1321) is one of the greatest European writers, whose untrammelled imaginative capacity was matched by a huge base in

embracing the science of his era. His texts also paint compelling visual images. In *Visions of Heaven*, renowned scholar Martin Kemp investigates Dante's supreme vision of divine light and its implications for the visual artists who were the inheritors of Dante's vision. The whole book may be regarded as a new Paragone (comparison), the debate that began in the Renaissance about which of the arts is superior. Dante's ravishing accounts of divine light set painters the severest challenge, which took them centuries to meet. A major theme running through Dante's *Divine Comedy*, particularly in its third book, the *Paradiso*, centres on Dante's acts of seeing (conducted according to optical rules with respect to the kind of visual experience that can be accomplished on earth) and the overwhelming of Dante's earthly senses by heavenly light, which does not obey his rules of earthly optics. The repeated blinding of Dante by excessive light sets the tone for artists' portrayal of unseeable brightness.
