Heal Your Mind Mona Lisa Schulz, MD, PHD, 2017-10-10 A much-needed guidebook . . . a treasure chest of insights. — Caroline Myss, M.D. [A] brilliant new work . . . profound healing advice. — Brian L. Weiss, M.D. Many of us grapple with how to stay happy, calm, and focused in a world that seems to get more complex by the minute. How do we keep our wits about us, our mood stable, and our memory intact when our brains and bodies are bombarded with information and influences from every side? This one-of-a-kind resource combines cutting-edge science with compassion and wisdom to offer answers we can really use. *Heal Your Mind* continues the three-pronged healing approach that Dr. Mona Lisa Schulz and Louise Hay pioneered together in *All Is Well: Heal Your Body with Medicine, Affirmations, and Intuition*. Here, it's applied to aspects of the mind ranging from depression, anxiety, and addiction to memory, learning, and even mystical states. You'll learn what's going on in your brain and body when you feel sad, angry, or panicked; you have trouble focusing, reading, or remembering; a past trauma is clouding your mind in the present; and more. And in each chapter, you'll get a virtual healing experience through case studies in the All Is Well Clinic, where Dr. Mona Lisa uses medical intuition to pinpoint issues in a wide range of prototypical client histories and she and Louise offer solutions and affirmations to help restore well-being. Today, we tend to think our minds and bodies need an endless array of expensive, ever-changing pharmaceutical interventions. In truth, medicines are just one approach to healing the mind; nutritional supplements also support mind-body health; and affirmations restore us to balance by changing the way we think. *Heal Your Mind* puts all these tools at your disposal to help you choose your own path.
