Healing With Light Language Green Leatherr,2021-07-25 Have you ever really listened to the way you talk to people? Have you truly listened to the way you speak? What is it like? Whenever I hear my voice, I feel strange. Is that really me? Recorded voices are even weirder, like disembodied little pieces of me. My voice sounds like it is coming from afar. But language has never really been limited by voice. It is a medium of communication that connects you to someone else. Speech can be constrained by culture, but it can also be free to transform into something else. We have sign language, Braille, and other forms that transcend different types of ability. However, nothing is like the light language. Light language is a means of communication that is more spiritual than intellectual. It connects you to a Higher Being or the Universe instead of merely connecting you to another human. This book will help you: Define and understand light language Use light language to heal various types of conditions Ascend in wisdom and the spirit Pass on your knowledge to others who need it

Healing Voice Krisztina Nemeth,2016-03-15 In this book the author describes her adolescence during Socialism, her path as an opera singer and teacher, and ultimately her extrasensory experiences as a voice medium. The book reports the evidence of Italian scientist Daniele Gullà, who, thanks to his special TRV camera, describes the concrete effects of Krisztina Nemeth's singing on people. The author recounts: In the middle of a wonderful career in the world of opera, love stopped me in Trieste and literally changed my life. One day, during a yoga class, my student fell into a trance; to help her the idea spontaneously came to me to approach her and sing in a way that I had never tried before. Since that moment my path has changed radically. I left opera and dedicated myself to singing in this 'strange' way, as a voice medium. I contacted and met some medium experts, who confirmed that this is a real thing: I have the gift of the 'Healing Voice', to reawaken souls . The book includes testimonies and exercises to help people hear their own sound and the psychic sound. The author has chosen to pay homage to those who purchase the book with four short songs with her Healing Voice, which you can download from the internet via a code included in the volume.

Microtonal Healing Linda Nielsen,2004 Healing with song and music continues to be a common practice used by traditional healers around the world. Microtonal Healing explores the vocal healing experience and demonstrates how the voice is vibrational medicine that can compliment natural healing processes and become the most vital and noninvasive tool for maintaining and restoring wellness.

The Ultimate Book on Vocal Sound Healing Githa Ben-David,2022-11-25 NB. CD not included. The concept of The Ultimate Book on Vocal Sound Healing is The Note from Heaven - a condition of bliss, where time disappears and the voice seems to sing you, rather than you sing the voice. The experience of surrendering to The Note from Heaven is overwhelming and leads the singer into a state of Oneness, where present, past and future merge together and energetic patterns and traumas can be transformed and profound healings happen. Book I: The Note from Heaven - How to sing yourself into contact with Oneness. Book II: Regressive Cell-Singing - How to sing yourself free of traumas and change emotional programming. Book III: Sound Healing - How to sound-scan a fellow being with your voice, plus a Q&A with members from the White Brotherhood.

Free Your Voice Silvia Nakkach, Valerie Carpenter, 2012-08-01 Science is beginning to prove what ancient cultures fully embraced: your voice can become one of the most powerful agents of transformation in every facet of your life. Free Your Voice offers you the liberating insights and personal instruction of music healing legend Silvia Nakkach, whose four-decade immersion in the voice as a creative force makes her a uniquely qualified educator. With co-author Valerie Carpenter, Silvia shows how to reclaim the healing potential of your voice (regardless of training or experience) through more than 100 enjoyable exercises that are steeped in spiritual tradition and classical vocal technique and backed by the latest science. Free Your Voice invites us to “savor a banquet of our own divine sounds” as we practice breathwork, chant, and other yogic techniques for emotional release, opening to insight, and much more. Supplemented by 32 downloadable digital audio tracks offering Silvia's guidance through many of the exercises, here is a definitive resource for implementing the voice as an instrument of healing and fulfillment, exploring: How to develop a practice of breath and voice, performed with consistency and imagination, where sound designs its own landscapes through the expressive power of the voice A series of sonorous yogic practices that involve subtle movements and the sustained focus of the mind in sound A gentle path for developing a voice that is fully embodied, uniquely expressive, and played like a fine musical instrument Invocatory words and ancient seed sounds that deliver explicit spiritual information for expansion of consciousness and well-being A beginning repertory of mantras and chants from many cultures that you can build on and share as you deepen your practice Techniques for vocal improvisation to engage your singing imagination and enrich your musical offerings How to foster confidence and kindness toward yourself as a vulnerable chanteur of the universal song How to cultivate singing as a spiritual practice for yourself and to serve a larger community “With regular practice,” writes Silvia, “vocalizing, singing, and chanting become an ordinary miracle that effortlessly leads you to a sense of self-confidence, compassion, and Love Supreme.” Free Your Voice is your guide to discovering, opening, and revealing the full potential of your own voice.

The Naked Voice Chloe Goodchild, 2015-05-05 Both science and spirituality agree that every particle of matter, every phenomenon we experience, is a form of resonance or vibration. The human voice is quite literally a mouthpiece of this truth; there is no form of expression more personal, more tied to our identities, than our voices. With simple inspirational exercises, this book by renowned voice teacher Chloe Goodchild gives readers the

tools to guide them in a process of sound healing and soul communication that is guaranteed to open the heart and restore forgiveness, compassion, and interconnectedness between individuals and in their communities. At the heart of every human journey exists the longing to feel at home in one's self and in the world. In a unique response to meet this longing, Chloe Goodchild invites you on a compelling adventure of self-discovery and creative fulfillment through a direct experience of your own authentic voice--the voice of your personal authority, the song of your soul. Going beyond traditional vocal training guides, this book will appeal to anyone wishing to encounter themselves at a primal level through the medium of the voice.

Vibrational Healing Through the Chakras Joy Gardner,2014-11-12 Every life form is made up of vibrations that coincide with the harmonic frequency to which all life is attuned. The vibrations of the body easily go out of tune when a person is exposed to physical or emotional stress. Vibrational Healing Through the Chakras provides the most up-to-date information on the use of vibrational tools such as crystals, aromas, sounds, bodywork, and homeopathy to help the body remember its own healthy harmonic resonance. Author Joy Gardner offers this in-depth look at vibrational healing for people interested in improving their own health and well-being, as well as those who want to become practitioners of this gentle art. Explore how to use vibrations to release old dysfunctional patterns in the body-mind and replace them with new patterns that resonate with the body's own healthy frequencies. • An in-depth resource guide to using vibrational tools at the chakra points to heal the body and mind. • Includes a detailed explanation of chakras and the human energy field and how to heal with a variety of tools including colors, crystals, aromatherapy, and light.

The Healing Power of Sound Mitchell L. Gaynor, M.D.,2002-08-13 A guide to the surprising benefits of music on your mind, spirit, and body—complete with sound-based breathing and meditation exercises Since 1991, Dr. Mitchell Gaynor has been achieving remarkable results by integrating music, vocalization, breathing, and meditation techniques in his work with patients. In The Healing Power of Sound, he presents his sound-based techniques for self-healing—techniques that anyone can use, whether faced with a life-threatening disease or simply seeking relief from the stresses of daily life. Numerous studies have demonstrated the health benefits of music: it can lower blood pressure and heart and respiratory rates; reduce cardiac complications; increase the immune response; and boost our natural opiates. Gaynor shows how, when integrated as part of a mind-body-spirit approach to wellness, music can play a significant part in maintaining a healthy lifestyle or in healing serious disease. The Healing Power of Sound includes twelve exercises involving breathing, meditation, and “toning”—using pure vocal sound to resolve tension, release emotion, and spur the healing process—that can be used by anyone to improve health and quality of life.
