Spring Stinks Ryan T. Higgins, 2021-01-05 Ruth the bunny is excited to share the smelly springtime smells of spring with Bruce! But what will Bruce think of all that stink? Little Bruce Book

The Grays Whitley Strieber, 2007-04-01 In the #1 New York Times bestselling tradition of Communion, Whitley Strieber returns with a terrifying novel of alien occupation We are not alone. Millions of people are confronting aliens that authorities say do not exist. Meet the Three Thieves, a group of Grays assigned to duty in a small Kentucky town. They have been preparing a child for generations. Innocent Conner Callaghan will face the ultimate terror as he struggles to understand who he has been bred to be, and what he must do to save humanity. Colonel Michael Morax strives to keep the secret of the Grays from the public for reasons so sinister, yet believable, that they read like truth. And Lauren Glass, government empath to the last surviving captive Gray, known only as B for Bob, has a unique ability to communicate with this captive Gray. But when B for Bob suddenly escapes the highly secure underground Air Force facility that he's been captive in for years, a frantic race begins, as the government must outmaneuver the Grays to keep the secret of their presence intact. The Grays is a mind-bending journey behind the curtain of secrecy that surrounds the subject of aliens, written by the field's great master, Whitley Strieber. If you've never so much as thought about the subject before, this book will make you think deeply, not only

about the mystery of who the Grays are, but who exactly we are. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

of Yale Department of Classics. Originally designed for students, this anthology is meant for everyone eager to know more about the history and literature of this period, interested in poetry, philosophy and rhetoric of Ancient Rome. Latin literature is a natural successor of Ancient Greek

literature. The beginning of Classic Roman literature dates to 240 BC. From that point on, Latin literature would flourish for the next six centuries. Latin was the language of the ancient Romans, but it was also the lingua franca of Western Europe throughout the Middle Ages.

Consequently, Latin Literature outlived the Roman Empire and it included European writers who followed the fall of the Empire, from religious writers like Aquinas, to secular writers like Francis Bacon, Baruch Spinoza, and Isaac Newton.

This collection presents all the major Classic Roman authors, including Cicero, Virgil, Ovid and Horace whose work intrigues and fascinates readers

Voices Are Not for Yelling Elizabeth

Verdick,2015-05-01 As parents and teachers know, yelling comes naturally to children. This friendly, encouraging book, geared to preschool and primary children, introduces and reinforces where and when to use an "indoor voice" or an "outdoor voice." In classic Best Behavior style the author tells young readers, "Your voice is a powerful tool. How you use it is up to you." Vivid illustrations show the times and places for an indoor voice, the ways people ask us to quiet our voices, and times when yelling might occur. "What happens if you're mad or frustrated or really, really excited? Your voice gets louder and LOUDER." But yelling hurts people's ears and feelings. Children learn that they can quiet their voice and use their words to talk about a problem. "Think before you yell, and use your words well!" Includes a special section for parents and caregivers with activities and discussion starters. The Best Behavior series uses simple words and delightful full-color illustrations to guide children to choose peaceful, positive behaviors. Select titles are available in two versions: a durable board book for ages baby-preschool, and a longer, more in-depth paperback for ages 4-7. Kids, parents, and teachers love these award-winning books. All include helpful tips and ideas for parents and caregivers.
