Whitley Strieber

**Your Voice Is All I Hear** Leah Scheier,2015-09-01 I was the one he trusted. I was the one he loved, the only one who believed him, even when his own mother had locked him up and thrown away the key. And now, I was going to pass down the white tiled hallway, knock on his doctor's office door, slam his secret notebook on her desk and make her read it, make her understand what he was hiding, make her see what only I had seen. April won't let Jonah go without a fight. He's her boyfriend-her best friend. She'll do anything to keep him safe. But as Jonah slips into a dark depression, trying to escape the traumatic past that haunts him, April is torn. To protect Jonah, she risks losing everything: family, friends, an opportunity to attend a prestigious music school. How much must she sacrifice? And will her voice be loud enough to drown out the dissenters-and the ones in his head?

*Whisper* Mark Batterson,2017-10-24 PUBLISHERS WEEKLY BESTSELLER • The question isn't whether God speaks. The question is what does He have to say to you? The New York Times bestselling author of *The Circle Maker* teaches readers how to listen to God. WINNER OF THE ECPA CHRISTIAN BOOK AWARD FOR CHRISTIAN LIVING The voice that spoke the cosmos into existence is the same voice that parted the Red Sea, and made the sun stand still in the midday sky. One day, this voice will make all things new, but it's also speaking to you now! That voice is God's voice, and what we've learned from Scripture is that He often speaks in a whisper. Not to make it difficult to hear Him, but to draw us close. Many people have a tough time believing God still speaks. Sure, in ancient times and in mysterious ways, God spoke to His people, but is He still speaking now? Mark Batterson certainly believes so. And he wants to introduce you to the seven love languages of God; each of them unique and entirely divine. Some of them you might suspect but others will surprise you. By learning to tune in to and decipher each language, you'll be able to hear His guidance in simple as well as life-altering choices. God is actively speaking through: Scripture, Desires, Doors, Dreams, People, Promptings, and Pain. Batterson gives you the tools you need to unlock each of these languages. God's whisper can answer your most burning questions, calm your deepest fears, and fulfill your loftiest dreams. Discover how simple it is to hear God's voice in every aspect of your life! He's speaking, make sure you know how to listen!

*We Hear Voices* Evie Green,2021-11-16 "Prepare for major goosebumps." —PopSugar "The must-have for any horror fan." —Marie Claire An eerie horror debut about a little boy who recovers from a mysterious illness and confronts the shadowy forces behind his new imaginary friend... Kids have imaginary friends. Rachel knows this. So when her young son, Billy, miraculously recovers from a mysterious flu that has proven fatal for many, she thinks nothing of Delfy, his new invisible friend. After all, her family is healthy and that's all that matters. But soon Delfy is telling Billy what to do, and the boy is acting up and lashing out in ways he never has before. And Billy isn't the only kid suddenly hearing voices.... Rachel can't shake the feeling that this is all tied up with the flu, and something—or someone—far more sinister is at play. As rising tensions threaten to tear her family apart, she clings to one purpose: to protect her children at any cost—even from themselves. *We Hear Voices* is a gripping near-future horror novel that tests the fragility of family and the terrifying gray area between fear and love.

*I Hear Your Voice* Young-ha Kim,2017-07-11 From one of Korea's literary stars, a novel about two orphans from the streets of Seoul: one becomes the head of a powerful motorcycle gang, and the other follows him at all costs In South Korea, underground motorcycle gangs attract society's castoffs. They form groups of hundreds and speed wildly through cities at night. For Jae and Dongyu, two orphans, their motorcycles are a way of survival. Jae is born in a bathroom stall at the Seoul Express Bus Terminal. And Dongyu is born mute—unable to communicate with anyone except Jae. Both boys grow up on the streets of Seoul among runaway teenagers, con men, prostitutes, religious fanatics, and thieves. After years navigating the streets, Jae becomes an icon for uprooted teenagers, bringing an urgent message to them and making his way to the top of the gang. Under his leadership, the group grows more aggressive and violent—and soon becomes the police's central target. A novel of friendship—worship and betrayal, love and loathing—and a searing portrait of what it means to come of age with nothing to call your own, *I Hear Your Voice* resonates with mythic power. Here is acclaimed author Young-ha Kim's most daring novel to date.

**The Voices Within** Charles Fernyhough,2016-10-04 We live immersed in thought. But do we actually know what a thought is? To answer this question, psychology professor Charles Fernyhough draws on everything from neuroscience to literary history to grasp the true nature of this most inscrutable of acts: thinking. Whether a medieval saint who hears voices or a writer absorbed in an imagined world, a daydreamer riding the subway or a captivated reader, we experience thought as a creative inner dialogue featuring multiple voices. Fernyhough uses this conception to demystify mental illness, showing that imagining voices is intimately linked to the feeling of artistic production. Drawing on literature, film, and psychology, as well as cognitive science, *The Voices Within* is a poetic venture into the depths of our mind. It will revolutionize the way we hear and understand the voices in our heads.

**The Grays** Whitley Strieber,2007-04-01 In the #1 New York Times bestselling tradition of *Communion*, Whitley Strieber returns with a terrifying novel of alien occupation We are not alone. Millions of people are confronting aliens that authorities say do not exist. Meet the Three Thieves, a group of Grays assigned to duty in a small Kentucky town. They have been preparing a child for generations. Innocent Conner Callaghan will face the ultimate terror as he struggles to understand who he has been bred to be, and what he must do to save humanity. Colonel Michael Morax strives to keep the secret of the Grays from the public for reasons so sinister, yet believable, that they read like truth. And Lauren Glass, government empath to the last surviving captive Gray, known only as B for Bob, has a unique ability to communicate with this captive Gray. But when B for Bob suddenly escapes the highly secure underground Air Force facility that he's been captive in for years, a frantic race begins, as the government must outmaneuver the Grays to keep the secret of their presence intact. *The Grays* is a mind-bending journey behind the curtain of secrecy that surrounds the subject of aliens, written by the field's great master, Whitley Strieber. If you've never so much as thought about the subject before, this book will make you think deeply, not only about the mystery of who the Grays are, but who exactly we are. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

*Let Me Hear Your Voice* Catherine Maurice,1994-07-19 She was a beautiful doelike child, with an intense, graceful fragility. In her first year, she picked up words, smiled and laughed, and learned to walk. But then Anne-Marie began to turn inward. And when her little girl lost some of the words she had acquired, cried inconsolably, and showed no interest in anyone around her, Catherine Maurice took her to doctors who gave her a devastating diagnosis: autism. In their desperate struggle to save their daughter, the Maurices plunged into a medical nightmare of false hopes, miracle cures, and infuriating suggestions that Anne-Marie's autism was somehow their fault. Finally, Anne-Marie was saved by an intensive behavioral therapy. *Let Me Hear Your Voice* is a mother's illuminating account of how one family triumphed over autism. It is an absolutely unforgettable book, as beautifully written as it is informative. A vivid and uplifting story . . . Offers new strength to parents who refuse to give up on their autistic children. -- Kirkus Reviews Outstanding . . . Heartfelt . . . A lifeline to families in similar circumstances. -- Library Journal

*Can't You Hear Them?* Simon McCarthy-Jones,2017-04-21 The experience of 'hearing voices', once associated with lofty prophetic communications, has fallen low. Today, the experience is typically portrayed as an unambiguous harbinger of madness caused by a broken brain, an unbalanced mind, biology gone wild. Yet an alternative account, forged predominantly by people who hear voices themselves, argues that hearing voices is an understandable response to traumatic life-events. There is an urgent need to overcome the tensions between these two ways of understanding 'voice hearing'. Simon McCarthy-Jones considers neuroscience, genetics, religion, history, politics and not least the experiences of many voice hearers themselves. This enables him to challenge established and seemingly contradictory understandings and to create a joined-up explanation of voice hearing that is based on evidence rather than ideology.

*Discerning the Voice of God* Priscilla C. Shirer,2012-01-01 Do you feel that the ability to hear God's voice is for other people and not for you? Is it only for people who lived in Biblical times? Not at all! The God who loved you enough to die for you loves you enough to talk to you. And wherever you are in your spiritual walk, God will find a way to speak to you in a way you will understand. Become acquainted with the Voice that has spoken from a fire and a cloud; with visible signs and an invisible Spirit; through a burning bush and burning hearts. Hear from some of the most well-known Christians in history about how God speaks to them—and discover for yourself how you can discern the voice of God.

**Hear God's Voice** Derek Prince,2020-12-15 Imagine a life in which you clearly hear God's voice and follow His will daily. Do you long for God to speak to you, bringing guidance, strength, and comfort? Perhaps you have been praying for a word from God, but the heavens seem silent. Nothing is

more important than knowing how to hear from God because our spiritual life depends on it. Without it, we can't know and obey His will for us, and we may go down the wrong path or miss His plans for us. The Bible teaches and guides us in essential matters, but instruction for God's specific, daily purposes for our lives comes from His Holy Spirit, who lives within us. Being able to hear from God is a growing, deepening process that leads us into His perfect plans. Through his extensive study of the Scriptures and personal life experiences, internationally renowned Bible teacher Derek Prince explains the practical steps you can take to hear from God, develop a close relationship with Him, remove obstacles to recognizing His voice, and understand the ways in which He communicates. Hearing God enables us to follow Him more confidently, love Him more deeply, and serve Him more completely. As you cultivate the practice of hearing God's voice, you will receive the fresh, daily bread that nourishes you spiritually and find divine direction and strength for your ongoing walk with Him. This is the lifestyle you have been waiting for: hearing God's voice and following Him each day, each step of the way. "Man shall not live by bread alone, but by every word that proceeds from the mouth of God" (Matthew 4:4).

**Living with Voices** M. A. J. Romme, Sandra Escher, Jacqui Dillon, 2009 Provides the evidence to show it's possible to overcome problems with hearing voices and take back control of one's life.

**Hearing Voices, Demonic and Divine** Christopher C. H. Cook, 2018-12-07 The Open Access version of this book, available at [www.taylorfrancis.com/books/9781472453983](http://www.taylorfrancis.com/books/9781472453983), has been made available under a Creative Commons Attribution-Non Commercial-No Derivative 4.0 license. Experiences of hearing the voice of God (or angels, demons, or other spiritual beings) have generally been understood either as religious experiences or else as a feature of mental illness. Some critics of traditional religious faith have dismissed the visions and voices attributed to biblical characters and saints as evidence of mental disorder. However, it is now known that many ordinary people, with no other evidence of mental disorder, also hear voices and that these voices not infrequently include spiritual or religious content. Psychological and interdisciplinary research has shed a revealing light on these experiences in recent years, so that we now know much more about the phenomenon of hearing voices than ever before. The present work considers biblical, historical, and scientific accounts of spiritual and mystical experiences of voice hearing in the Christian tradition in order to explore how some voices may be understood theologically as revelatory. It is proposed that in the incarnation, Christian faith finds both an understanding of what it is to be fully human (a theological anthropology), and God's perfect self-disclosure (revelation). Within such an understanding, revelatory voices represent a key point of interpersonal encounter between human beings and God.

**Whisper** Mark Batterson, 2017 The bestselling author of Circle Maker, which helped over 2 million people learn to talk to God, now helps readers learn how to listen to God's voice in every aspect of their lives.

**How to Hear God** Pete Greig, 2022-03-03 Nothing could possibly matter more than learning to discern the authentic voice of God, but few things in life are more susceptible to delusion and deception. When life falls apart and we need God's comfort; in moments of cultural turmoil when we need God's clarity; facing formidable decisions when we need God's guidance; desiring a deeper faith when we need God to say something, anything, to turn the monologue we call prayer into a genuine conversation. Having addressed God's silence in God on Mute, and then How to Pray in his previous bestseller, Pete Greig is back to bring wisdom and guidance to one of the most pressing and perplexing aspects of universal Christian experience - How to Hear God. Exploring the story of Christ's playful, poignant conversation on the road to Emmaus, Pete draws deeply from the insights of a wide range of Christian traditions. He weaves together the evangelical emphasis upon hearing God in the Bible, and the charismatic commitment to hearing God in the prophetic, with the contemplative understanding of God's 'still, small voice' within.

**Red Storm Rising** Tom Clancy, 1987-07-01 From the author of the Jack Ryan series comes an electrifying #1 New York Times bestseller—a standalone military thriller that envisions World War 3... A chillingly authentic vision of modern war, Red Storm Rising is as powerful as it is ambitious. Using the latest advancements in military technology, the world's superpowers battle on land, sea, and air for ultimate global control. It is a story you will never forget. Hard-hitting. Suspenseful. And frighteningly real. "Harrowing...tense...a chilling ring of truth."—TIME

**You Can Hear the Voice of God** Steve Sampson, 2015-03-10 When you talk to God, do you ever feel as if you are not getting through? You're not alone. At some point, most believers find themselves grappling with difficult questions like Would God really talk to me personally? and How do I know it's truly God talking, and not my own thoughts? But here's the good news: Hearing God is simpler than you think. It's possible to have a relationship with God that involves both speaking and listening. In fact, it's God's desire; He wants to talk to you. In this revised and expanded edition of a classic work, author and teacher Steve Sampson shows you how to pray not just wishing you'd hear God's voice--but expecting to hear it. Sampson's uncomplicated, practical perspective will help you cultivate the two-way conversation with God you've always longed for. Before long, you'll hear Him speaking into your circumstances and relationships, expressing His love for you and showing you the next steps to take in your life. Don't settle for a one-sided conversation with God. Break through this barrier and develop a sensitive heart that hears--and responds to--God's still, small voice. With clarity and humor, Steve takes you on a journey to the place of profound simplicity in Christ where hearing Him is as natural as breathing.--Bishop Mark J. Chironna, M.A., Ph.D., Church on the Living Edge, Orlando, Florida

**Is that Really You, God?** Loren Cunningham, 2001-08 In a time before youth were welcomed in short-term missions, Loren Cunningham founded Youth With A Mission to unlock the world for millions. He called young and old, women and men, and every ethnicity to go. Loren Cunningham's dream began with a vision - waves of young people from every nation going to every nation, telling everyone, everywhere about Jesus. How did God move Loren's dream from vision to reality and take him to every country on earth? Loren and his wife, Darlene, grew through tough lessons on hearing and obeying the Lord. This exciting story of Youth With A Mission shows how hearing God's voice is for every believer. Translated into 150+ languages, Is That Really You, God? is a practical guide to hearing God's voice and following His direction to change our hearts and our world. In this legacy edition, read a special new chapter On to Eternity, on the biggest vision I can imagine where Loren unveils his final call, to rally this generation to translate the Bible orally into every mother tongue on earth. In addition, see a special tribute called 'Grateful Reflections on Loren's life from dear friend and senior YWAM leader David Joel Hamilton from his up close and personal experience serving Loren over the decades.

**I Have No Mouth & I Must Scream** Harlan Ellison, 2014-04-29 Seven stunning stories of speculative fiction by the author of A Boy and His Dog. In a post-apocalyptic world, four men and one woman are all that remain of the human race, brought to near extinction by an artificial intelligence. Programmed to wage war on behalf of its creators, the AI became self-aware and turned against humanity. The five survivors are prisoners, kept alive and subjected to brutal torture by the hateful and sadistic machine in an endless cycle of violence. This story and six more groundbreaking and inventive tales that probe the depths of mortal experience prove why Grand Master of Science Fiction Harlan Ellison has earned the many accolades to his credit and remains one of the most original voices in American literature. I Have No Mouth and I Must Scream also includes "Big Sam Was My Friend," "Eyes of Dust," "World of the Myth," "Lonelyache," Hugo Award finalist "Delusion for a Dragon Slayer," and Hugo and Nebula Award finalist "Pretty Maggie Moneyeyes."

**The Last Person to Hear Your Voice** Richard Shelton, 2007-02-25 While Shelton has been known primarily for his poems dealing with the landscape of the Southwest and the destruction of that landscape, the poems in this book are much more far-ranging, including many poems dealing with social issues (the issue of illegal immigration on our southern border, homelessness), historical events (the war in Iraq, the events of 9/11) and attitudes concerning politics and the environment. The poems are filled with sensory images, engaged in the real world, often ironic or simply off-the-wall, and their tone ranges from deeply sad, as in a requiem for Glen Canyon on the Colorado River, to the wildly funny, as in Brief Communications from My widowed Mother.

**The Box Man** Kobo Abe, 2011-12-14 Kobo Abe, the internationally acclaimed author of Woman in the Dunes, combines wildly imaginative fantasies and naturalistic prose to create narratives reminiscent of the work of Kafka and Beckett. In this eerie and evocative masterpiece, the nameless protagonist gives up his identity and the trappings of a normal life to live in a large cardboard box he wears over his head. Wandering the streets of Tokyo and scribbling madly on the interior walls of his box, he describes the world outside as he sees or perhaps imagines it, a tenuous reality that seems to include a mysterious rifleman determined to shoot him, a seductive young nurse, and a doctor who wants to become a box man himself. The Box Man is a marvel of sheer originality and a bizarrely fascinating fable about the very nature of identity. Translated from the Japanese by E. Dale
