**The Lost Flowers of Alice Hart** Holly Ringland,2018-08-07 An enchanting and captivating novel about how our untold stories haunt us — and the stories we tell ourselves in order to survive. After her family suffers a tragedy, nine-year-old Alice Hart is forced to leave her idyllic seaside home. She is taken in by her grandmother, June, a flower farmer who raises Alice on the language of Australian native flowers, a way to say the things that are too hard to speak. Under the watchful eye of June and the women who run the farm, Alice settles, but grows up increasingly frustrated by how little she knows of her family's story. In her early twenties, Alice's life is thrown into upheaval again when she suffers devastating betrayal and loss. Desperate to outrun grief, Alice flees to the dramatically beautiful central Australian desert. In this otherworldly landscape Alice thinks she has found solace, until she meets a charismatic and ultimately dangerous man. Spanning two decades, set between sugar cane fields by the sea, a native Australian flower farm, and a celestial crater in the central desert, *The Lost Flowers of Alice Hart* follows Alice's unforgettable journey, as she learns that the most powerful story she will ever possess is her own.

**A Modern Way to Live** Matt Gibberd,2021-10-28 Find happiness at home with five guiding principles from cultural phenomenon THE MODERN HOUSE. 'A source of fascination, inspiration and fantasy' Guardian In 2005, childhood friends Matt Gibberd and Albert Hill set out to convince people of the power of good design and its ability to influence our wellbeing. They founded The Modern House - in equal parts an estate agency, a publisher and a lifestyle brand - and went on to inspire a generation to live more thoughtfully and beautifully at home. As The Modern House grew, Matt and Albert came to realise that the most successful homes they encountered - from cleverly conceived studio flats to listed architectural masterpieces - had been designed with attention to the same timeless principles: Space, Light, Materials, Nature and Decoration. In this lavishly illustrated book, Matt tells the stories of these remarkable living spaces and their equally remarkable owners, and demonstrates how the five principles can be applied to your own space in ways both large and small. Revolutionary in its simplicity, and full of elegance, humour and joy, this book will inspire you to find happiness in the place you call home. PRAISE FOR THE MODERN HOUSE: 'One of the best things in the world' GQ 'The Modern House transformed our search for the perfect home' Financial Times 'Nowhere has mastered the art of showing off the most desirable homes for both buyers and casual browsers alike than The Modern House' Vogue

**The Yellow Wallpaper and Selected Writings** Charlotte Perkins Gilman,2009-05-07 It is stripped off - the paper - in great patches . . . The colour is repellent . . . In the places where it isn't faded and where the sun is just so - I can see a strange, provoking, formless sort of figure, that seems to skulk about . . . ' Based on the author's own experiences, 'The Yellow Wallpaper' is the chilling tale of a woman driven to the brink of insanity by the 'rest cure' prescribed after the birth of her child. Isolated in a crumbling colonial mansion, in a room with bars on the windows, the tortuous pattern of the yellow wallpaper winds its way into the recesses of her mind. Charlotte Perkins Gilman was America's leading feminist intellectual of the early twentieth century. In addition to her masterpiece 'The Yellow Wallpaper', this new edition includes a selection of her best short fiction and extracts from her autobiography.

**Jackson, Crockett and Houston on the American Frontier** Paul Williams,2016-05-31 The 1813 storming of Fort Mims by Creek Indians brought to light the careers of Andrew Jackson, David Crockett and Sam Houston. All three fought the Creeks and each would have his part to play two decades later when the Alamo was stormed during the fight for Texan independence from Mexico. President Jackson was the first head of state to recognize the fledgling Republic of Texas. Colonel Crockett would be enshrined as a folk hero for his stand at the Alamo. General Houston won Texan independence at San Jacinto in 1836. This book tells the stories of the two landmark battles--at Fort Mims and the Alamo--and the interwoven lives of Jackson, Crockett and Houston, three of the most fascinating men in American history.

*American Decoration* Thomas Jayne,2012-10-30 Interior designer and decorative arts and antiques expert Thomas Jayne follows up his essential 2010 compendium *The Finest Rooms in America* with this new collection of his own work. Thomas Jayne possesses a unique dual vision—he keeps one eye focused on the aesthetic traditions of the past, and the other looking forward: innovating, creating, and imagining interiors to suit modern sensibilities. His reverence for traditional ideas does not restrict Jayne’s understanding of what makes a beautiful room—rather than seeking to replicate and repeat the exact décor from past, Jayne finds inspiration in the distinctive histories of the spaces in which he works. In every project he undertakes, he draws on his rich academic background in the decorative arts to design interiors that harmonize with their historical settings, yet also connect intimately to the active and modern lives of families who call these remarkable buildings home. Jayne believes that American interior decoration is unique in its combination of elements from European and Asian cultural traditions with indigenous ideas and materials, in its emphasis on comfort and livability, and in its human scale. Presented here for the first time, his projects reflect this sensibility, drawing from established traditions and reinterpreting them for contemporary life. Drawing on the legacies of Albert Hadley and Sister Parish, Jayne insists on authenticity and comfort, incorporating elegant antiques and art with a subtle but warm palette and a welcoming setting. In this richly illustrated collection of both city and country residences, Jayne reveals the inspiration and thought behind each design, identifying elements from the architecture, the clients’ collections of art and antiques, and from the site itself that serves as the basis for the decoration of the rooms.
