Dale Wiley

There Is a Fountain Dale Wiley, 2007-04 Fountain is a character in its own play, its face worn by the years, traced by the touch of familiar hands. On the gentle slope of a Georgia hill sits Fountain Campground. For years, it has hosted the Camp Meeting, a week-long religious revival complete with tents, food, prayer, and praise. Author Dale Wiley grew up loving this great Georgia institution, an integral part of his family's life and faith. For his entire life, he heard the old stories about Fountain Camp Meeting. But when he found a treasure trove of information on the site's past, he discovered a story much different from the one of his childhood. Full of friendship, warmth, and love, the Fountain Campground continues to represent a rich tradition of faith. Through a compelling mixture of vivid detail and personal recollection, Wiley takes you to the present-day camp area and to the Southern kitchens that make the meeting experience so memorable. He also traces the roots of its inception nearly two hundred years ago, revealing little-known facts about Georgia's history. Part history, part memoir, and part cookbook, *There Is a Fountain: Voices and Stories of an Old-Time Southern Camp Meeting* takes you deep into the heart of Southern religion.

Oh Pure and Radiant Heart Lydia Millet, 2006 Millet's latest novel is a black-comic tour de force depicting the second coming of atomic bomb creators Robert Oppenheimer, Enrico Fermi, and Leo Szilard. Despite being dead, these scientists are spotted in Santa Fe by a shy librarian, who joins them on a pilgrimage to Washington, D.C.

Live in the Moment Julie Clark Robinson, 2009-01-22 Fresh, funny, and blatantly honest, *Live in the Moment* holds the secret to harnessing the power of the present. A

practical book about creating one's own life experiences, author Julie Clark Robinson's words of inspiration will help you to create your own mental treasure chest. Live in the Moment is for those times when we simply need to stop allowing life's ups and downs to dictate how we feel and look to ourselves to set the tone. If you're willing to lighten up one minute, dig deep the next, and be painstakingly honest throughout, you will come away with a revitalized outlook on life.

Promotional Screen Industries Paul

Grainge, Catherine Johnson, 2015-03-27 From the trailers and promos that surround film and television to the ads and brand videos that are sought out and shared, promotional media have become a central part of contemporary screen life. *Promotional Screen Industries* is the first book to explore the sector responsible for this thriving area of media production. In a wide-ranging analysis, Paul Grainge and Catherine Johnson explore the intermediaries – advertising agencies, television promotion specialists, movie trailer houses, digital design companies – that compete and collaborate in the fluid, fast-moving world of promotional screen work. Through interview-based fieldwork with companies and practitioners based in the UK, US and China, *Promotional Screen Industries* encourages us to see promotion as a professional and creative discipline with its own opportunities and challenges. Outlining how shifts in the digital media environment have unsettled the boundaries of ‘promotion’ and ‘content’, the authors provide new insight into the sector, work, strategies and imaginaries of contemporary screen promotion. With case studies on mobile communication, television, film and live events, this timely book offers a compelling examination of the industrial configurations and media forms, such as ads, apps,

promos, trailers, digital shorts, branded entertainment and experiential media, that define promotional screen culture at the beginning of the twenty-first century.

The Comfort Food Diaries Emily Nunn, 2017-09-26 A former New Yorker editor chronicles her quest to overcome the convergence of the sudden loss of her brother, being dumped by her fiancé, and being evicted from her apartment by cooking her way across the country while staying with friends and family.

THE BEHAVIOUR BUSINESS Richard Chataway, 2020-02-18 If you are in business, you are in the business of behaviour – and unless a business influences behaviour, it will not succeed. In the last 50 years we have learnt more about how we behave than over the previous 5,000. This book shows how behavioural science has revolutionised our understanding of how people really think (or don't) – and how we can use those insights in our businesses to influence behaviour and gain competitive advantage. Richard Chataway works for the BVA Nudge Unit, a global consultancy specialising in behavioural change, and has experience in everything from getting people to join the armed forces, drink spirits rather than wine, and buy flatpack furniture – to developing the world's most successful stop-smoking mobile app. Introducing the leading thinkers and practitioners from this new field (and sharing dozens of real-world examples), Richard guides readers through the hidden influences, biases and fallacies that influence the behaviour of customers, employees, and business leaders alike – and shows how we can ethically use these insights to:

- powerfully attract and retain customers
- fuel true and lasting innovation
- stand apart in the new world of increasing automation and artificial intelligence
- change workplaces and maintain happy and productive employees and teams
- and a lot more! It's time

to shape behaviour instead of simply reacting to it. The Behaviour Business is the eye-opening, practical guide you have been waiting for.

The Plowman Sings Jay G. Sigmund, 2008 Jay G. Sigmund stands as America's most forgotten Regionalist writers of the Jazz Age. Championed by Carl Sandburg, Sherwood Anderson, and Grant Wood, the Iowa writer/insurance man helped make his home state the epicenter of a national Regionalist Movement. The literary stir Sigmund created caused even popular Boston-based critic E. J. O'Brien to declare Iowa as America's new literary center and to choose six of Sigmund's short stories among the best of 1930. From 1921 to 1937, the late-blooming, dark-horse Sigmund shocked East Coast literati with glowing New York Times reviews while delighting tens of thousands of readers each week with down-to-earth verse in the biggest and best Midwestern dailies. The man Ilya Tolstoy hailed as an American Chekhov and Maupassant, published over 1200 poems, 125 short stories,

and over 25 plays while simultaneously working full-time as an insurance executive. Editor Zachary Michael Jack, himself a celebrated Iowa poet, reintroduces contemporary agrarian writers, poets of place, and eco-critics to Sigmund's essential oeuvre in a jam-packed collection featuring eight Sigmund short stories, more than fifty poems, and a complete one-act play.--BOOK JACKET.

Single mum Staci Kirk has carved out a life for herself and her young son Tommy. Fiercely independent and self-reliant, she's found a good place where she can settle in but she's all too aware that happily ever after applies only to other people—or to the fictional characters in the romance books she writes. The arrival of Tommy's new teacher, also her next door neighbour, threatens to upset Staci's carefully balanced apple cart but she knows it's only a matter of time before Kelly packs his bags and flies back to Canada. No sense in starting anything she can't finish. However, life is never as simple as it is in her novels, and when the worst happens, there is only one person she can rely on to help.

The King of Infinite Space Lyndsay Faye, 2022-09-06
In this lush, magical, queer, and feminist take on Hamlet in modern-day New York City, a neuro-atypical physicist, along with his best friend Horatio and artist ex-fiancé, Lia, are caught up in the otherworldly events surrounding the death of his father. Meet Ben Dane: brilliant, devastating, devoted, honest to a fault (truly, a fault). His Broadway theater baron father is dead—but on purpose or by accident? The question rips him apart. Unable to face alone his mother's ghastly remarriage to his uncle, Ben turns to his dearest friend, Horatio Patel, whom he hasn't seen since their relationship changed forever from platonic to something...other. Loyal to a fault (truly, a fault), Horatio is on the first flight to New York City when he finds himself next to a sly tailor who portends inevitable disaster. And who seems ominously like an architect of mayhem himself. Meanwhile, Ben's ex-fiancé, Lia, sundered her from her loved ones thanks to her addiction recovery and torn from her art, has been drawn into the fold of three florists from New Orleans—seemingly ageless sisters who teach her the language of flowers, and whose magical bouquets hold

both curses and cures. For a price. On one explosive night these kinetic forces will collide, and the only possible outcome is death. But in the masterly hands of Lyndsay Faye, the story we all know has abundant surprises in store. Impish, captivating, and achingly romantic, this is Hamlet as you've never seen it before.

Sister Jim Lewis, 1994 First published in 1993, *Sister* is a story of love and violence bearing justice. In author and critic Jim Lewis' first novel, an orphaned, 17-year-old Wilson leaves his Nebraska home and heads south to Mississippi. There, he finds work as a gardener on the estate of the Miller clan--a nuclear family with two lovely daughters, Marian and Olivia, living in compliant happiness. Wilson's surreptitious presence soon casts a quiet path of destruction through the Miller home with very tangible results for the sisters. Twenty years after its original publication, Lewis' lyrical, atmospheric novel remains exacting in its appraisal of young love linked to loss and unnerving in its examination of the isolated American family.
