Metal Angel Nancy Springer,2014-12-23 A dissatisfied angel falls to Earth to pursue his long-held dream of becoming a heavy-metal rock 'n' roll god For Volos, heaven is a bore; the real action is in the world of mortals. So the restless celestial abandons the eternal realm, transforming himself into a beautiful, decadent example of the human male while keeping his wings intact, and sets out to become a rock star. Needing appropriate lyrics for his soon-to-be hit singles and having no firsthand experience with mortal emotions and concerns, Volos finds everything he needs in the personal writings of a sexually repressed wife and mother from the Bible Belt. The daughter of a tyrannical fundamentalist preacher, Angie composes poetry in secret, and she is shocked when she hears her own words on the radio. Surely a higher power is calling her to Los Angeles. But the music is leading her to a shining star who is more than a man yet less than human—a true soulmate capable of changing her world in ways she never could have imagined. Multiple award-winning fantasist Nancy Springer reinvigorates the fallen-angel trope in a delightfully inventive and thought-provoking story of a celestial being who is unhappy in the service of a distant and unapproachable God. Metal Angel is an enthralling exploration of belief, spirituality, sexual awakening, and superstardom.

Unraveled Heart: A grief and loss Handbook Rachel Bliss,2022-10-10 Grief and loss is a huge challenge for many kids, and they often are unable to express the feelings they're experiencing. This handbook is for anyone seeking to more effectively engage elementary-aged youth with grief and loss. The chapters will cover different forms of loss, activities for healthy grieving, and information on the relation of trauma with grief. Engaging children who are grieving can seem complicated, but with this handbook, you'll find steps to make the process feel more natural. Grief unravels the heart - children need empowerment and support to heal so that they can continue to move forward in their lives.

A Message From The Heart Bob Mandala,2019-06-15 Marnie has been waiting for a new heart for most of her life. She just hasn't been at the right place at the right time. Abby has always been eager to help others when called upon to do so. She is given the opportunity much sooner than any of her family, friends, or colleagues expect and the shock is almost unbearable. When one family's sorrow collides with another's limitless joy, everyone's life is changed forever.

Exiles in Hollywood Gene D. Phillips,1998 The book deals with five European film directors who were forced to remain in exile in the wake of the rise of Hitler and who subsequently enriched the American motion picture industry with a reservoir of new talent that had been nurtured in Europe. The directors treated are Fritz Lang, William Wyler, Otto Preminger, Fred Zinnemann, and Billy Wilder.

Dream World Belinda Weston Gulley,2011-02-10 I grew large yet I shrunk small. I rose up yet I shrunk down low. I knew this feeling well, I was entering the dream world. I stood outside of the cave of a thousand eyes and I began to feel rain pouring down on me. I lifted my hand and looked at it and it was then that I realized I was not being covered with rain drops, I was being covered with blood and this blood was that of my people that was shed during the battle to keep our homeland. The legendary battle of the removal of the Cherokee known as the Trail of Tears. Although I stand as one spirit I have lived many lifetimes. Past meets present and present meets the past. I entered the dream world hoping to find the answer and knowing I had fought many battles with the evil one and it always begins the same way, by entering the dream world where my spirit guide Nonauma awaits for the past and the present to merge and become stronger, stronger for the battle between good and evil. The dream world is universal, all beings go there but there are those few who stay longer sometimes hours,sometimes days yet have only closed their eyes for a moment. Morning Star and Olivia posses this gift and although they are two separate people they have one thing in common, they share the same spirit. Morning Star is Olivia's past life and Olivia is Morning Stars' future life. Together they must battle an angry entity simply called the evil one. The evil one will do anything to capture and keep the girls gift of sight. With this power he can rule many people, therefore making it easier to cause chaos and disaster. The evil one controls the bees and snakes and he uses them all to try and get an upper hand on the girls. He is much like the coyote, full of trickery. But there is one rule that even he must follow and that is he can not take this gift away from either girl they must give it to him out of their own free will. Both girls are born with a marking upon their palm, a perfect medicine wheel and this mark holds the key that can destroy the evil one. Who is the dream and who is the dreamer? Well, that is for you, the reader to decide. Although the girls are from different eras, their battle has not changed. The dream world is mystical and magical and it is a place with no boundaries. At times it is hard for both girls to know whether they are in the good dream world or the world of bad dreams where the evil one lurks, waiting for the right time to deceive the girls. Their battles are legendary amongst Morning Stars' people but in Olivia's world, she stands alone, isolated within the truth and it is only in the dream world that she finds freedom to use her gift without any worries of being different.

Beyond the Glitter Patricia Beckstead,2010-03 Normal 0 false false false MicrosoftInternetExplorer4 BEYOND THE GLITTER A Novel One Woman's Journey from Domestic Abuse to Spiritual Enlightenment and Love - in Sin City... Jennifer O'Shea-Robinson, a professional middle-aged woman, has experienced both ends of the spectrum - rich and poor. She has endured and survived the humiliation of domestic violence, but continues to struggle through life unaware of the moral principals and wealth of intuitive guidance within her grasp. After the murder of her wealthy and abusive husband, William Robinson III, she toils to sort out her past and to begin a new life in Las Vegas. As the primary suspect in her husband's homicide investigation, she avoids the affection of a handsome doctor, unable to accept happiness without guilt. It is a near fatal motorcycle accident which forces her to review her life and release the conditioning of her past. Her timeless journey through the heavenly white light is one of enlightenment, courage and true love.

We Care Bertie Kingore,2002-01-01 Hundreds of proven hands-on activities, carefully outlined and using inexpensive materials, emphasize learning by doing, encourage creativity, and afford opportunities to develop responsibility. Organized into 19 thematic units (from Marvelous Me to Summertime and the Sun) and correlated to the school-year calendar, the activities cover key curriculum areas such as language arts, math, and science; they also involve art, music, cooking, movement, block play, and role plays. Jargon-free and clearly written, the book is also a great resource for parents. Grades preK-K. 302 pages. Good Year Books. Second Edition.

The Heart's Kingdom Maria Thompson Daviess,2019-12-05 This is an unusual novel for its time (1917); Charlotte being a kind of anti-heroine, both physically and in character. She is an atheist, large in stature, and very definite about her interest in men of a particular type. Her relationship with Gregory Goodloe is therefore unlikely from the beginning and even more so by the end.

My Day in Heaven with My Lil' Sister Quest Delaney,2013-03 Can you imagine heaven? Christians expect to see heaven when they die, but Quest Delaney didn't have to wait that long. When his young sister tragically died, Quest's psychic powers allowed him to travel past the pearly gates where angels flock and people fly. My Day in Heaven with My Lil' Sister is the remarkable story of his unearthly experience. Quest had several clues early in life that he was different. As a child he heard his late grandmother's voice and saw a strange light. He was also saved by an angel from two deadly encounters. His awareness of the supernatural opened him up to believe in the ultimate miracle: a chance to be with a beloved sister after her death. This amazing story will widen your understanding of the afterlife. Join Quest on his divine travels in My Day in Heaven with My Lil' Sister.

From Football to Fig Newtons: 76 American Inventors and The Inventions You Know By Heart Brian D'Ambrosio,

Lean Doctors Aneesh Suneja,2010-01-27 Foreword by Michael F. Gutzeit, M.D., Chief Medical Officer and Vice President of Quality, Children's Hospital of Wisconsin This practical, how-to book clearly and succinctly takes the reader through six proven “success steps” for implementing lean in any healthcare environment: 1. Create physician flowbr 2. Support physician value-added timebr 3. Visually communicate patient statusbr 4. Standardize everyone’s workbr 5. Lay out the clinic for minimal motionbr 6. Change the care delivery model Why go through such a transformation? Because it works. Tell a doctor that he can see the same number of patients, offering the same high quality and personal care, and have an extra 90 minutes at the end of his clinic day – and that means something. Tell the staff that they can look forward to actually ending on time, with satisfied patients, no backlog, and having focused their attention completely on quality patient care – and they will listen. These Lean principles and success steps work in clinics ranging from orthopedics to neurology to cardiac care—the specialty doesn’t matter. They work in small practices and large hospital settings. Lean methodology provides the tools to address the frustrations patients and doctors alike experience in the clinic process. Included throughout the book is a case study showing the lean transformation undertaken at the Orthopedic Center at Children’s Hospital of Wisconsin, with numerous quotes and insights from those actually involved. This transformation resulted in patient wait times being reduced by more than 70 percent, the clinic being able to see 25 percent more patients in less space, patient satisfaction scores sometimes reaching 100 percent, and staff satisfaction scores improving by more than 25 percent.

Noah's Park Children's Church Leader's Guide, Red Edtion ,2007 The crafts in this book coordinate with each lesson in the Noah's Park Leader's Guide. Each craft activity is designed to help reinforce the Bible story the children have heard and participated in during the lesson. The craft is also designed to help the children and their parents extend the learning even further by linking it to activities they can do at home during the following week. Each craft activity in the book has a list of supplies which should be obtained prior to the session.
