Amelia Diane Coombs

Keep My Heart in San Francisco Amelia Diane Coombs,2020-07-14 Sparks fly when two ex-best-friends team up to save a family business in this swoon-worthy and witty debut perfect for fans of Jenn Bennett and Sarah Dessen. Caroline “Chuck” Wilson has big plans for spring break—hit up estate sales to score vintage fashion finds and tour the fashion school she dreams of attending. But her dad wrecks those plans when he asks her to spend vacation working the counter at Bigmouth’s Bowl, her family’s failing bowling alley. Making things astronomically worse, Chuck finds out her dad is way behind on back rent—meaning they might be losing Bigmouth’s, the only thing keeping Chuck’s family in San Francisco. And the one person other than Chuck who wants to do anything about it? Beckett Porter, her annoyingly attractive ex-best friend. So when Beckett propositions Chuck with a plan to make serious cash infiltrating the Bay Area action bowling scene, she accepts. But she can’t shake the nagging feeling that she’s acting irrational—too much like her mother for comfort. Plus, despite her best efforts to keep things strictly business, Beckett’s charm is winning her back over...in ways that go beyond friendship. If Chuck fails, Bigmouth’s Bowl and their San Francisco legacy are gone forever. But if she succeeds, she might just get everything she ever wanted.

Pictures Your Heart Remembers John Trent,2000-07-18 In *Pictures Your Heart Remembers*, family expert Dr. John Trent shows how pictures of the good and bad things in our lives not only find their way into our hearts but also affect how we view ourselves, how we treat others, and even how we relate to God. These pictures, writes Trent, affect the way we think, the way we feel, and the way we perceive the world. Use the pictures of your life to deepen your love for God and others. In this most personal book, Trent draws on pictures from his own painful past to show how acts of kindness or cruelty—a parent’s smile or a teacher’s ridicule—are all wrapped up in memories that carry the power to bless or curse us. Drawing on pictures full of promise in God’s Word, Trent shows that we have a choice in how we react to the negative events we’ve experienced in the past. We also have a choice every day to leave positive pictures in the lives of those we meet...just as Jesus did. Over a million homes have been deeply impacted by Dr. Trent’s powerful message of the blessing. This book, previously released as *Choosing to Live the Blessing*, speaks to the people who may not have seen consistent love, acceptance, or warmth in their past and gives them hope and help in reframing those negative events into lifelong positives. Filled with genuine warmth and vulnerability, *Pictures Your Heart Remembers* will touch readers’ hearts and challenge them to leave pictures of blessing today.

Pictures of the Heart Joshua S. Mostow,1996-01-01 The *Hyakunin Isshu*, or *One Hundred Poets, One Poem Each* collection, is a sequence of one hundred Japanese poems in the tanka form, selected by the famous poet and scholar Fujiwara no Teika (1162-1241) and arranged, in part, to represent the history of Japanese poetry from the seventh century down to Teika’s own day. The anthology is, without doubt, the most popular and widely known collection of poetry in Japan - a distinction it has maintained for hundreds of years. In this study, Joshua Mostow challenges the idea of a final or authoritative reading of the *Hyakunin Isshu* and presents a refreshing, persuasive case for a reception history of this seminal work. In addition to providing a new translation of this classic text and biographical information on each poet, Mostow examines issues relating to text and image that are central to the Japanese arts from the Heian into the early modern period. By using Edo-period woodblock illustrations as pictorializations of the poems - as pictures of the heart, or meaning, of the poems - text and image are pieced together in a holistic approach that will stand as a model for further research in the interrelationship between Japanese visual and verbal art.

Loving Hugh Nini,Neal Treadwell,2020-10-14 *Loving: A Photographic Story of Men in Love, 1850-1950* portrays the history of romantic love between men in hundreds of moving and tender vernacular photographs taken between the years 1850 and 1950. This visual narrative of astonishing sensitivity brings to light an until-now-unpublished collection of hundreds of snapshots, portraits, and group photos taken in the most varied of contexts, both private and public. Taken when male partnerships were often illegal, the photos here were found at flea markets, in shoe boxes, family archives, old suitcases, and later online and at auctions. The collection now includes photos from all over the world: Australia, Bulgaria, Canada, Croatia, France, Germany, Japan, Greece, Latvia, the United States, the United Kingdom, Russia, and Serbia. The subjects were identified as couples by that unmistakable look in the eyes of two people in love - impossible to manufacture or hide. They were also recognized by body language - evidence as subtle as one hand barely grazing another - and by inscriptions, often coded. Included here are ambrotypes, daguerreotypes, glass negatives, tin types, cabinet cards, photo postcards, photo strips, photomatics, and snapshots - over 100 years of social history and the development of photography. *Loving* will be produced to the highest standards in illustrated book publishing. The photographs - many fragile from age or handling - have been digitized using a technology derived from that used on surveillance satellites and available in only five places around the world. Paper and other materials are among the best available. And *Loving* will be manufactured at one of the world’s elite printers. *Loving*, the book, will be up to the measure of its message in every way. In these delight-filled pages, couples in love tell their own story for the first time at a time when joy and hope - indeed human connectivity - are crucial lifelines to our better selves. Universal in reach and overwhelming in impact, *Loving* speaks to our spirit and resilience, our capacity for bliss, and our longing for the shared truths of love.

The Amorous Heart Marilyn Yalom,2018-01-09 An eminent scholar unearths the captivating history of the two-lobed heart symbol from scripture and tapestry to T-shirts and text messages, shedding light on how we have expressed love since antiquity The symmetrical, exuberant heart is everywhere: it gives shape to candy, pendants, the frothy milk on top of a cappuccino, and much else. How can we explain the ubiquity of what might be the most recognizable symbol in the world? In *The Amorous Heart*, Marilyn Yalom tracks the heart metaphor and heart iconography across two thousand years, through Christian theology, pagan love poetry, medieval painting, Shakespearean drama, Enlightenment science, and into the present. She argues that the symbol reveals a tension between love as romantic and sexual on the one hand, and as religious and spiritual on the other. Ultimately, the heart symbol is a

guide to the astonishing variety of human affections, from the erotic to the chaste and from the unrequited to the conjugal.

Love Unveiled A. H. Almaas,2020-04-28 A passionate and deep exploration of how love is essential to our spiritual growth and development, from beloved author and teacher A. H. Almaas. Love is a universal energy--and a primary force that powers our movement toward spiritual illumination. All the ways we need love are simply reflections of our need for spiritual growth. In *Love Unveiled*, A. H. Almaas explores three dimensions of love: appreciative love--the true liking of somebody or something; merging or connecting love--a force that melts away separateness; and passionate, ecstatic love--capable of consuming us from inside. In their own way, each reveals the beauty and exquisiteness of our spiritual heart, which is the heart of the divine. However, the path of spiritual love is not without challenges. Almaas explores the barriers that tend to block our experience of loving awakening and provides experiential exercises throughout the book to help readers along their path. The exercises focus on the obstacles or misunderstandings that commonly arise for each quality or dimension of love. Presented in the form of writing or monologuing prompts, readers can work independently or in small groups to confront the emotional obstacles on their spiritual path. Regardless of where you are on your path, *Love Unveiled* will help you explore love in three essential dimensions and gain a deeper connection to yourself.

Atlas of the Heart Brené Brown,2021-11-30 #1 NEW YORK TIMES BESTSELLER • In her latest book, Brené Brown writes, “If we want to find the way back to ourselves and one another, we need language and the grounded confidence to both tell our stories and be stewards of the stories that we hear. This is the framework for meaningful connection.” Don’t miss the five-part HBO Max docuseries Brené Brown: Atlas of the Heart! In *Atlas of the Heart*, Brown takes us on a journey through eighty-seven of the emotions and experiences that define what it means to be human. As she maps the necessary skills and an actionable framework for meaningful connection, she gives us the language and tools to access a universe of new choices and second chances—a universe where we can share and steward the stories of our bravest and most heartbreaking moments with one another in a way that builds connection. Over the past two decades, Brown’s extensive research into the experiences that make us who we are has shaped the cultural conversation and helped define what it means to be courageous with our lives. *Atlas of the Heart* draws on this research, as well as on Brown’s singular skills as a storyteller, to show us how accurately naming an experience doesn’t give the experience more power—it gives us the power of understanding, meaning, and choice. Brown shares, “I want this book to be an atlas for all of us, because I believe that, with an adventurous heart and the right maps, we can travel anywhere and never fear losing ourselves.”
