**Diamond Heart: Book Five** A. H. Almaas, 2011-07-12 From one perspective, we can see ourselves merely as human beings struggling in a crowded and chaotic world of suffering. This book opens our eyes to a different reality, one that turns our familiar world inside out. We need only explore—with curiosity and love—our true potential as human beings in order to discover infinite depth and creativity in our lives as we act and interact in the world. When time and space expand their meaning, we come to know ourselves as having infinite dimensions of being and qualities of spirit, and uncover new mysteries about ourselves, one another, and the reality we live in. This is the last of the five-volume Diamond Heart series of transcribed and edited talks given by A. H. Almaas to inner-work groups in California and Colorado.

**Diamonds in the Dust** Joni Eareckson Tada, 2010-06-01 With more than 200,000 copies sold, *Diamonds in the Dust* has become a devotional favorite. Joni shows us precious jewels of biblical truth that lie scattered amidst the gravel of life's dusty road. "The book you hold in your hands is my treasure trove of diamond chips I've collected over the years," says Joni. "I've carefully selected favorite gems, ones I've often held to the light, turned this way and that to admire their beauty, diamonds that have made me rich in faith and wealthy in hope." These 366 meditations uncover a wealth of promise, of eternal truths waiting to transform the events of our lives into facets that catch and reflect God's glory. Written from the perspective of a woman who traverses life in a wheelchair, this book wipes away the surface grit of suffering and circumstances to reveal the radiant hope that each of us can claim. *Diamonds in the Dust* takes theology and gives it flesh, breath, and emotion. With eloquence, Joni draws from her own trials and triumphs to enrich us all with the wisdom of Scripture. But she's not the only one whose everyday life holds such potential. "Look down at your feet," Joni writes. "The path sparkles. God has placed diamonds in the dust of your road too!"

**Diamond Heart: Book One** A. H. Almaas, 2000-09-05 This five-volume series presents a collection of talks given by Almaas on topics such as faith, commitment, nobility and suffering, truth and compassion, allowing, and growing up. Through these talks, Almaas offers valuable guidance and advice for those on a spiritual path, and he explores the challenges and psychological barriers faced by those seeking self-realization.

**Home is Where the Heart Is** Joan Jonker, 2012-05-24 When tragedy strikes, a young mother's friends and family ensure she is never alone... Joan Jonker's saga, *Home is Where the Heart Is*, brings to life a close-knit Liverpudlian community, in the final instalment of the Eileen Gillmoss series. Perfect for fans of Katie Flynn and Dilly Court. 'Warm, witty... loved by her legions of fans' - Liverpool Echo When fun-loving, eighteen-stone Eileen Gillmoss announces that she's expecting a baby, her husband Bill thinks it's another one of her jokes. After all, it's twelve years since Edna, their youngest, was born. But when it sinks in that a baby really is on the way, Bill is over the moon and decides that the family should move out of their two-up, two-down house in Liverpool to one with more spacious accommodation. Eileen digs her heels in at first, reluctant to leave the house she loves and friends and neighbours so dear. But a scare early in Eileen's pregnancy strengthens Bill's resolve to provide a more comfortable home for his wife. Before Eileen knows what's hit her, she's installed in a smart home with posh new neighbours. Then tragedy strikes and Eileen must come to terms with a loss far greater than leaving behind her beloved neighbourhood. She tries to put on a brave face, but she can't fool the people who love her, who miss the smile on that round, chubby face and the laughter ringing through her house. They vow to make amends and fate steps in to lend a helping hand... What readers are saying about *Home is Where the Heart Is*: 'From the first page you are drawn into this wonderful woman's life and family as if you belong there. Joan Jonker creates a web of family crises and tragedies mixed with the never flagging

spirit of Eileen Gilmooss to keep you hungry for more' 'As always with Joan it's a mix of hard, nitty, gritty life and fun thrown into the mix, never a dull moment with her books, tears of woe one minute and laughter the next'

**Dukes and Diamonds** Lauren Smith,2024-04-16 Diamonds are a duke's best friend... When the infamously cold-hearted Duke of Helston decides to catch a gang of jewel thieves stealing from London's elite circles, he never expects the thief to be a woman. She's not just any woman either...she happens to be the bewitching creature he met in the darkened corridor during a musicale who changed his life forever. What's a duke to do when he wants to catch a thief who not only stole his family diamond, but also his heart?

Gentle and Lowly Dane C. Ortland,2020-03-18 Christians know that God loves them, but can easily feel that he is perpetually disappointed and frustrated, maybe even close to giving up on them. As a result, they focus a lot—and rightly so—on what Jesus has done to appease God's wrath for sin. But how does Jesus Christ actually feel about his people amid all their sins and failures? This book draws us to Matthew 11, where Jesus describes himself as "gentle and lowly in heart," longing for his people to find rest in him. The gospel flows from God's deepest heart for his people, a heart of tender love for the sinful and suffering. These chapters take readers into the depths of Christ's very heart for sinners, diving deep into Bible passages that speak of who Christ is and encouraging readers with the affections of Christ for his people. His longing heart for sinners comforts and sustains readers in their up-and-down lives.

**Deserving of His Diamonds?** Melanie Milburne,2012-08-01 Emilio Andreoni's goal is perfection. A corporate king and Italy's most eligible bachelor, he craves only one more thing to complete his phenomenally successful life—the perfect woman! Once he

thought that woman was shy Gisele Carter, until her scandalous goings-on became headline news and he called off their seemingly perfect engagement. But now Emilio is faced with proof of Gisele's innocence. He's determined to win back the only woman who ever truly satisfied him, but first he must persuade Gisele she's worthy of wearing his diamonds again....

**A Little Ray of Sunshine** Kristan Higgins, 2024-04-23 A kid walks into your bookstore and... Guess what? He's your son. The one you put up for adoption eighteen years ago. The one you never told anyone about. Surprise! And a huge surprise it is. It's a huge surprise to his adoptive mother, Monica, who thought she had a close relationship with Matthew, her nearly adult son. But apparently, he felt the need to secretly arrange a vacation to Cape Cod for the summer so he could meet his birth mother...without a word to either her or his dad. It's also a surprise—to say the least—to Harlow, the woman who secretly placed her baby for adoption so many years ago. She's spent the years since then

building a quiet life. She runs a bookstore with her grandfather, hangs out with her four younger siblings and is more or less happily single, though she can't help gravitating toward Grady Byrne, her old friend from high school. He's moved back to town, four-year-old daughter in tow, no wife in the picture. But she's always figured her life had to be child-free, so that complicates things. When Matthew walks into Harlow's store, she faints. Monica panics. And all their assumptions—about what being a parent really means—explode. This summer will be full of more surprises as both their families are redefined...and as both women learn that for them, there's no limit to a mother's love.

**Chapel Field** Paula Hillman, 2024-03-28 A psychological suspense about silence and its sinister effects on a family and a village from the author of *Blackthorn Wood*. When Laurie Helm's mother dies, Laurie must return to the village where she grew up. It's a place she left twenty years ago, and she's hardly seen her mother since. With no siblings or other family, Laurie is left to sort out the house and estate, and to face some of the reasons she left Chapel Field in the first place. Ed Diamond grew up in Chapel Field—but it hasn't been much of a life. After his father passed away, Ed was the last person left who could care for his disabled sister. But the villagers have their own opinions on that . . . Laurie and Ed met when they were kids, and as a disillusioned teenager, she joined in with the systematic tormenting of the Diamond family under the guidance of her friend, charismatic Marcus Butcher—until one of his pranks went too far. Now, reunited as adults, Laurie and Ed have lingering feelings of hatred, guilt, and resentment stirring between them—while being inexplicably drawn to each other . . .

This Census-Taker China Miéville, 2016-01-12 For readers of George Saunders, Kelly Link, David Mitchell, and Karen Russell, *This Census-Taker* is a stunning, uncanny, and profoundly moving novella from multiple-award-winning and bestselling author China Miéville. NAMED ONE OF THE BEST BOOKS OF THE YEAR BY NPR In a remote house on a hilltop, a lonely boy witnesses a profoundly traumatic event. He tries—and fails—to flee. Left alone with his increasingly deranged parent, he dreams of safety, of joining the other children in the town below, of escape. When at last a stranger knocks at his door, the boy senses that his days of isolation might be over. But by what authority does this man keep the meticulous records he carries? What is the purpose behind his questions? Is he friend? Enemy? Or something else altogether? Filled with beauty, terror, and strangeness, *This Census-Taker* is a poignant and riveting exploration of memory and identity. Praise for *This Census-Taker* “China Miéville is a magician . . . who can both blow your mind with ideas as big as the universe and break your heart with language so precise and polished, it’s like he’s writing with diamonds.”—NPR “The book haunts the reader; what actually happened seems always just out of reach, glimpsed in shadow as it rounds a corner ahead of our vision.”—Los Angeles Review of Books “[Miéville’s] been compared to Karen Russell and George Saunders, and rightfully so.”—The Huffington Post “Marvellous.”—The Guardian “Lingers in the mind like an unsettling dream.”—Financial Times “A thought-provoking fairy tale for adults . . . [This Census-Taker] resembles the narrative style, quirkiness, and plotting found in the works of Karen Russell, Aimee Bender, or Steven Millhauser.”—Booklist “Brief and dreamlike . . . a deceptively simple story whose plot could be taken as a symbolic representation of an aspect of humanity as big as an entire society and as small as a single soul.”—Kirkus Reviews
