Long Live the Beautiful Hearts Emma Scott, 2018-10-14 Never again would I allow my heart to become the plaything of someone else. Never again would I let a man (or men) come between me and my goals. Never again would I love without feeling the fullness of that love in return. Not until I knew it was real. And if that took me a lifetime to find, so be it. Those were my vows, and after all that had happened with Connor and Weston, I was determined to keep them. To protect my heart. And then he came home, and my vows became his promises. He held my heart in his hands with reverence and care. He helped me find my soul's greatest purpose in life. He loved me with a love so pure and vibrant, I knew I'd never feel anything like it in a hundred lifetimes. It was real. Until it wasn't. Until it all came crashing down when I discovered the deep love I thought I'd found was nestled in a web of lies--so soft and silken I hadn't noticed it was there. Until it was too late. *****Long Live the Beautiful Hearts is the emotional, heart-wrenching conclusion to the Beautiful Hearts Duet by bestselling author, Emma Scott, and is inspired by the classic tale, Cyrano de Bergerac. Theology of the New Testament Rudolf Bultmann,2007 It is difficult to overestimate the singularity of Rudolf Bultmann. Bultmann's Theology of the New Testament changed the course of New Testament interpretation and has continued to influence the field until today. As ambitious in scope as it is consistent in method, Bultmann's volume asks and provides answers to the big questions. Bultmann also found a way to wed a sober-minded commitment to historical reconstruction to his deep desire for the New Testament to speak to contemporary humans.
