JoEllen McCarthy

Layers of Learning JoEllen McCarthy,2020 What if we viewed every read aloud as an invitation to learn more about literacy and ourselves? When we layer together the two ideas that the books we share not only serve an academic purpose, but they also convey big, affective messages, our classroom conversations become richer and student learning becomes more meaningful. Layers of Learning explores read-aloud strategies designed to enhance your reading and writing standards by capitalizing on the way literature can impact caring communities. With over 200 picture-book suggestions, author JoEllen McCarthy introduces the Heartprint Framework, which demonstrates how you can layer literacy and life lessons throughout your day using multiple connections across learning. Inside, you'll find the following: 60 read-aloud-based connections that support caring classroom conversations, lesson planning, and extensions Instructional opportunities for nurturing readers and writers during workshop, small-group, and individual conversations Literacy Snapshot photo essays with ideas to adopt or adapt Continuing connections with additional resources and invitations for further learning Layers of Learning is structured around four key elements: Community, Agency, Respect, and Empowerment, or CARE. Inside you'll discover the tools you need to emphasize reading and writing connections, character education, and culturally responsive teaching, while championing the power of read alouds to affect independent readers, writers, and thinkers.

Hearts Unbroken Cynthia Leitich Smith,2018-10-09 New York Times best-selling author Cynthia Leitich Smith turns to realistic fiction with the thoughtful story of a Native teen navigating the complicated, confusing waters of high school — and first love. When Louise Wolfe’s first real boyfriend mocks and disrespects Native people in front of her, she breaks things off and dumps him over e-mail. It’s her senior year, anyway, and she’d rather spend her time with her family and friends and working on the school newspaper. The editors pair her up with Joey Kairouz, the ambitious new photojournalist, and in no time the paper’s staff find themselves with a major story to cover: the school musical director’s inclusive approach to casting The Wizard of Oz has been provoking backlash in their mostly white, middle-class Kansas town. From the newly formed Parents Against Revisionist Theater to anonymous threats, long-held prejudices are being laid bare and hostilities are spreading against teachers, parents, and students — especially the cast members at the center of the controversy, including Lou’s little brother, who’s playing the Tin Man. As tensions mount at school, so does a romance between Lou and Joey — but as she’s learned, “dating while Native” can be difficult. In trying to protect her own heart, will Lou break Joey’s?

My Heart Corinna Luyken,2019-01-08 From the author-illustrator of The Book of Mistakes comes a gorgeous picture book about caring for your own heart and living with kindness and empathy. My heart is a window. My heart is a slide. My heart can be closed...or opened up wide. Some days your heart is a puddle or a fence to keep the world out. But some days it is wide open to the love that surrounds you. With lyrical text and breathtaking art, My Heart empowers all readers to listen to the guide within in this ode to love and self-acceptance.

Preaching to Head and Heart Thomas R. Swears,2019-11-26 Preachers have long been faced with two options. On the one hand they can appeal to their congregations’ intellects, teaching them the substance of the faith from the pulpit. On the other they can seek to stir their hearers’ emotions, wooing or warning them with the gospel. Usually we reserve these two forms of preaching for different tasks or audiences. If you are preaching an evangelistic message to the unchurned, then your preaching style will draw more heavily on the emotional aspects. If you are leading the faithful into a deeper grasp of the Christian message, then you will more likely draw on the intellectual components of preaching. While most preachers know that the choice between the head and the heart is a false one, they often don’t know how to bring the two together effectively. In this book Thomas Swears offers detailed, practical advice on how to preach to both head and heart. He shows how both emotions and intellect function any time one tried to convey meaning from the pulpit, regardless of the kind of message one is preaching. Without abandoning the conventional wisdom on evangelistic vs. teaching sermons, he nonetheless insists that preaching with integrity—in which the Word is truly embodied—will always involve the whole person and personality of both the preacher and the congregation.

Creating Costumes for Devised Theatre Kyla Kazuschyk,2023-01-31 Creating Costumes for Devised Theatre combines perspectives from a variety of theatre practitioners to guide artists through the journey of creating costumes for devised work. Devised theatre can take a number of different forms, and it can be a challenge for the costume department to plan, organize, and assemble things for performers to wear while the entire shape of the piece is constantly changing. This book provides practical resources to guide the theatre artist through the journey of designing costumes as the characters are created. It addresses a wide range of questions, including how to adapt traditional methods of costume design to non-traditional practices, how to effectively collaborate with a team, and how to adapt costume technology practices to meet the needs of devising. Stories and photographs from performers, designers, technicians, directors, writers, educators, students, and activists working in the realm of devised theatre around the world are contextualized through the author's own involvement in unscripted, partially scripted, and otherwise dynamic drama, dance, and physical theatre to offer tangible solutions to streamline costume design and construction processes. This book is an invaluable guide for both experienced and novice costume designers, costume technicians, students, teachers, directors, managers, and theatre artists who exist in the spaces where all these roles overlap.

Preaching by Heart Ryan P. Tinetti,2021-06-22 There's a seemingly innocuous villain that is taking up residence in the pulpits of countless churches, disrupting the connection between the pastor and the people and keeping the proclamation of God's word from having its full effect. That villain is the preacher's notes. Preachers know this all too well. Many wish that they could preach by heart without the aid of notes, but are unsure how to do so--and are left feeling frustrated and discouraged by the presence of that disruptive interloper. Author Ryan Tinetti shares an unexpected solution in the form of an ancient and time-tested practice known as the method of loci, or Memory Palace. Surveying portions of classical rhetoric that are especially relevant for contemporary preachers and diving deep into the theory and practice of the Memory Palace, Preaching by Heart plunders these ancient treasures that have been so formative for preachers through the ages but too oft neglected in our own time. When pastors preach by heart, they find greater satisfaction in the homiletic task and their proclamation is even more effective. Preaching by Heart shows how to pitch the notes and reach that goal.

A Furry Faux Paw Jessica Kara, 2022-07-26 Sometimes Your Best Self Is Your Fursona Online, MauveCat (a cool, confident, glittering pixie cat) has friends and a whole supportive furry community that appreciates her art. At home, Maeve Stephens has to tiptoe around her hoarder mother's mood and mess. When her life is at its hardest, Maeve can always slip into Mauve, her fursona, and be "the happy one," the bubbliest, friendliest artist in her community—it's even how she made her best friend, Jade. With graduation around the corner, Maeve is ready to put her lonely school days behind her and move on with her life. And while her father hasn't been home since the divorce, he does offer her a dream come true: an all-expenses paid trip to the regional furry convention. Furlympia will have everything Maeve's been missing—friends, art mentors, and other furies! So when her mother forbids her from going, Maeve decides to sneak out on her own. Between hitching a ride with Jade, getting a makeover from a young furry she inspired, and connecting with an art idol who could help her get into her dream school—the furcon is everything Maeve hoped for and more. A single weekend away shows Maeve how wonderful her life could be, but breaking free of the hoard means abandoning her mother, just like everyone else in their life. And Maeve isn't sure if she can—even if it destroys her, too.
