Jack of Hearts (And Other Parts) L. C. Rosen, 2018-10-30 Couldn't get enough of Love, Simon or The Gentleman's Guide to Vice and Virtue? This is the (slightly NSFW) book for you! ----- 'My first time getting it in the butt was kind of weird. I think it's going to be weird for everyone's first time, though.' Meet Jack Rothman. He's seventeen and loves partying, makeup and boys - sometimes all at the same time. His sex life makes him the hot topic for the high school gossip machine. But who cares? Like Jack always says, 'it could be worse'. He doesn't actually expect that to come true. But after Jack starts writing an online sex advice column, the mysterious love letters he's been getting take a turn for the creepy. Jack's secret admirer knows everything: where he's hanging out, who he's sleeping with, who his mum is dating. They claim they love Jack, but not his unashamedly queer lifestyle. They need him to curb his sexuality, or they'll force him. As the pressure mounts, Jack must unmask his stalker before their obsession becomes genuinely dangerous...

The Book of Hearts is an exploration of the meaning and representation of love and emotion through one of the most recognisable signs in the world.

Alien Hearts Guy de Maupassant, 2011-06-08 Alien Hearts was the last book that Guy de Maupassant finished before his death at the early age of forty-three. It is the most original and psychologically penetrating of his several novels, and the one in which he attains a truly tragic perception of the wounded human heart. André Mariolle is a rich, handsome, gifted young man who cannot settle on what to do with himself. Madame de Burne, a glacially dazzling beauty, wants Mariolle to attend her exclusive salon for artists, composers, writers, and other intellectuals. At first Mariolle keeps his distance, but then he hits on the solution to all his problems: caring for nothing in particular, he will devote himself to being in love; Madame de Burne will be his everything. Soon lover and beloved are equally lost within a hall of mirrors of their common devising. Richard Howard's new English translation of this complex and brooding

novel—the first in more than a hundred years—reveals the final, unexpected flowering of a great French realist’s art.

Foolish Hearts Emma Mills, 2017-12-05 A contemporary novel about a girl whose high school production of *A Midsummer Night's Dream* leads her to new friends—and maybe even new love.

Serpentine Thomas Thompson, 2016-12-13 New York Times Bestseller: This in-depth account of Charles Sobhraj, the serial killer portrayed in Netflix miniseries *The Serpent*, is “compulsive reading” (*The Plain Dealer*). There was no pattern to the murders, no common thread other than the fact that the victims were all vacationers, robbed of their possessions and slain in seemingly random crimes. Authorities across three continents and a dozen nations had no idea they were all looking for same man: Charles Sobhraj, aka “The Serpent.” A handsome Frenchman of Vietnamese and Indian origin, Sobhraj targeted backpackers on the “hippie trail” between Europe and South Asia. A master of deception, he used his powerful intellect and considerable sex appeal to lure naïve travelers into a life of crime. When they threatened to turn on him, Sobhraj murdered his acolytes in cold blood. Between late 1975 and early 1976, a dozen corpses were found everywhere from the boulevards of Paris to the slopes of the Himalayas to the back alleys of Bangkok and Hong Kong. Some police experts believe the true number of Sobhraj’s victims may be more than twice that amount. *Serpentine* is the “grotesque, baffling, and hypnotic” true story of one of the most

bizarre killing sprees in modern history (San Francisco Chronicle). Edgar Award–winning author Thomas Thompson’s mesmerizing portrait of a notorious sociopath and his helpless prey “unravels like fiction, but afterwards haunts the reader like the document it is” (The Plain Dealer, Cleveland).

Our Missing Hearts Celeste Ng, 2022-10-04 An instant New York Times bestseller • A New York Times Notable Book of 2022 • Named a Best Book of 2022 by People, TIME Magazine, The Washington Post, USA Today, NPR, Los Angeles Times, and Oprah Daily, and more • A Reese's Book Club Pick • New York Times Paperback Row Selection From the #1 bestselling author of Little Fires Everywhere, comes the inspiring new novel about a mother’s unshakeable love. “It’s impossible not to be moved.” —Stephen

King, The New York Times Book Review “Riveting, tender, and timely.” —People, Book of the Week “Thought-provoking, heart-wrenching . . . I was so invested in the future of this mother and son, and I can’t wait to hear what you think of this deeply suspenseful story!” —Reese Witherspoon (Reese’s Book Club Pick) Twelve-year-old Bird Gardner lives a quiet existence with his loving father, a former linguist who now shelves books in a university library. His mother Margaret, a Chinese American poet, left without a trace when he was nine years old. He doesn’t know what happened to her—only that her books have been banned—and he resents that she cared more about her work than about him. Then one day, Bird receives a mysterious letter containing only a cryptic drawing, and soon he is pulled into a quest to find her. His journey will take him back to the many folktales she poured into his head as a child, through the ranks of an underground network of heroic librarians, and finally to New York City, where he will finally learn the truth about what happened to his mother, and what the future holds for them both. *Our Missing Hearts* is an old story made new, of the ways supposedly civilized communities can ignore the most searing injustice. It’s about the lessons and legacies we pass on to our children, and the power of art to create change.

Paper Hearts Meg Wiviott, 2015-09-01 A forbidden gift helps two teenage girls find hope, friendship, and the will to live in this “beautifully told true story about brave young women who refused to be victims and walked out of Auschwitz with their heads unbowed” (School Library Journal). An act of defiance. A statement of hope. A crime punishable by death. Making a birthday card in Auschwitz was all of those things. But that is what Zlatka did, in 1944, for her best friend, Fania. She stole and bartered for paper and scissors, secretly creating an origami heart. Then she passed it to every girl at the work tables to sign with their hopes and wishes for happiness, for love, and most of all—for freedom. Fania knew what that heart meant, for herself and all the other girls. And she kept it hidden, through the bitter days in the camp and through the death marches. She kept it always. This novel is based on the true story of Fania and Zlatka, the story of the bond that helped them both to hope for the best in the face of the worst. Their heart is one of the few objects created in Auschwitz, and can be seen today in the Montreal Holocaust Memorial Centre.
