Debbie Lawrence, Richard Lawrence

**The Creation Project** Sunshine Rodgers,2019-02-01 Like a therapist, I invite God to sit on the couch in front of me. I flip open my notepad, pen in hand. Now tell me, in your own words, what happened that night. It was a friendship, wasn't it? I hate to open old wounds, but invite me in to all those years ago, before the world was created and all you had were angels who lived in Heaven, and one angel who captured your heart. Describe that moment when everything changed. When was it when Lucifer turned into Satan? And why? Wasn't Heaven good enough? And what did you do when Heaven faced its biggest challenge? Did you trust the wrong source? Were you merely too vulnerable? Maybe if you could turn back time, you wouldn't have given your angels a choice to rebel. Of course, true love has its risks, one that broke your heart for the very first time.

*When God Created the Heavens and the Earth* Michael Zanelli,2015-11-01

**From Creation to the New Heavens and the New Earth** Bishop Welton L. Crooks,2009-12

**Salvation Means Creation Healed** Howard A. Snyder,Joel Alan Scandrett,2011-07-13 The Bible promises the renewal of all creation--a new heaven and earth--based on the incarnation, life, death, and resurrection of Jesus Christ. For centuries this promise has been sidelined or misunderstood because of the church's failure to grasp the full meaning of biblical teachings on creation and new creation. The Bible tells the story of the broken and restored relationship between God, people, and land, not just God and people. This is the full gospel, and it has the power to heal the church's long theological divorce between earth and heaven. Jesus' resurrection in the power of the Holy Spirit is the key, and the church as Christ's body is the primary means by which God is reconciling all things through Jesus Christ. Jesus' ultimate healing of all creation is the great hope and promise of the gospel, and he calls the church to be his healing community now through evangelism, discipleship, and prophetic mission.

*God's Holy Plan to Save Earth* Carol Aubuchon,2008-01-07 The following message was written for you by God This is God, Creator of all Heaven and Earth. I give this message for you as well as all thus written of Our novel in place. I first wish to tell My children that this book is not part of fictional mind. The lessons within this novel are true presents of faith given of you through My child of earth to present My thoughts of this Holy Plan. Should you be remiss and think otherwise, I will bring suffering of mind around earth through her travel of your countries to impress upon your minds how real this message will be taken by My children. No one will know when I choose this form of event to broadcast My will of your thoughts given Me. But many will fear Our course of action taken when this begins. Now I say, those of you who know Me, will give Me heed of their time and give My daughter just love of her as she brings Our word and direction to you. God has chosen to give earth a chance to change

what is written in the Bible about the end of the world. This Plan is Gods Holy way of letting everyone on earth know that through Him all eternity can change. God has no choice but to give love freely to all who He created. This is how Our Heavenly Father has graced us since the beginning of time. Openly and without grudge of those who have moved against His will for their lives. Welcome God into your life for a few hours while you read His Holy terms and conditions regarding this Plan. Be as open minded as you think someone else should be to your ideas, and allow Our Master Being to invite you into His mind for a change. See what God thinks about all the changes mankind has made to confront Satan on his own and how much stronger Our fight against evil would be if we only let Our Father help us. All earth is in turmoil presently, and many people have given God prayers to ask for His help. We have never learned the correct manner to pray of Our Heavenly Father, who justifies our selfish prayer by allowing some correction made us. However, now God wants us to learn the correct terms of Holy Prayer to His being. We need not spend hours in prayer to get what we need to sustain life here on earth. But we need correct manner and guidance from God to know how to live each day according to His plan of our life. Never before in the history of earth, has Our LORD come to us to ask us to give His Soul Peace. But today with the publishing of this Novel of Main Events, God is changing the way He treats mankind for all time. We have never been asked by Our Creator to give Him this much attention before. God is now within moments of ending earth of Evil due to Satan and his fellow angels, who are tormenting human beings to show their revenge on God for sending them from Heaven. Our Father in Heaven is now creating a new world for us, where love is prevalent above all else done. We need to come to God, our life planner, for details of the way we need to conduct ourselves daily. Should this plan fail and we not live up to the course His plan draws out for us, within the next few short years, destruction of earth will begin. God is asking all mankind to adhere to this plan, regardless of your religion, background, country laws, or efforts forced against you. This is how earth will replace pain in His soul with the love His time spent with us has greatly deserved. Mankind has not given their Heavenly Father love completely as was His will when creating us. God created man to show Him honor and give love back to His being. Every time man touches against the will of Satan, in the presence of The Father, it brings excruciating pain of remorse to His being. Time now has changed, for God is no longer able to withstand our pained attempts of His form. He sees us fall into traps set by Satan, with no knowledge of this invisible beast of prey. Now God is on the at

**God's Glorious Creation** Roy M. Zach,2023-02-09 God's Glorious Creation: Heavenly Horizons is essentially an accumulation of vibrant photographs taken predominantly in the flower gardens and farmyard of the Zach family. Originally, it was never intended that these photographs would ever be published. Roy simply decided to go out one day and test out the camera on his Motorola Moto G smartphone. He was pleasantly surprised at the sharpness, quality, and brilliant color of the pictures. Eventually, he printed some of the pictures off on HP Premium Plus photo paper and was even further astounded at the print quality. When he showed some of these pictures to family, relatives, and friends, it was occasionally suggested that some of these pictures should be printed, published, or framed. The vast majority of the photographs in Heavenly Horizons were taken on the family farm owned by Erwin and Margaret Zach. Many of these photographs concentrate on the beauty of God's creation as witnessed in the structural design and vibrancy of flowers. One may notice that many flowers (such as clover leaves, irises, violets, tulips, and others) have very distinctive Trinity structures within them. Perhaps God was indicating the Triune nature of His Being Father, Son, and Holy Spirit in the extraordinary design of these flowers. Remember, when God originally created everything, it was good. Clearly, God is recognizable in the beauty of His creation. Nature is full of God's blessings.

**Heaven's Blueprints** Olivia Leverenz, Destiny Hancock,2021-05-19 Written by Destiny Hancock and Olivia Leverenz, Heaven's Blueprints thoroughly dissects and discusses how science and the living Word of God irrevocably prove that YHWH is the sole Creator of the universe. For millennia, people have walked around carrying the blueprints of heaven within them, but scientist's could never fully prove what, or more specifically, who created the beginning. By comparing and cross-referencing

scientific evidence with the Bible, Olivia and Destiny compiled and collected information that clearly point to the answer. If you're curious about learning the innate and unique details of how and why all of existence came to be, Heaven's Blueprints explains your most sought after questions. You'll not only learn about how YHWH formed His creation, but also how He purposely wrote His personal signature inside of mankind's DNA.

**Biblical Portraits of Creation** Walter C. Kaiser, Dorington G. Little, 2014 A faithful and edifying exposition of key chapters or sections of the Bible that speak of the glories of creation. It represents an ideal resource for pastors who want to preach a series on creation. And with its use of study questions, it can be used with profit for group Bible study. --from publisher description.

*On Earth as it is in Heaven: The Kingdom of God and the Yearning of Creation* Eden Grace, 2019-10 As we face the terrifying challenges of climate change today, the spiritual power we require will only come when we surrender every particle of our will and life into the hands of the living God - when we die to ourselves in order to participate in the transformational inbreaking of the Kingdom of God on earth. In this deep and challenging lecture, Eden Grace explores the biblical, historical and spiritual roots of Quakers' contemporary witness to God's creation. The chapters are interspersed with several profiles of faithfulness from Friends around the world, and a comprehensive study guide provides an opportunity to gather and reflect on how God might be calling Friends to prophetic and transformative witness in our time. Eden Grace is a member of New England Yearly Meeting and serves as the Director of Global Ministries for Friends United Meeting (FUM). Prior to this, she spent nine years as FUM's Field Officer at the Africa Ministries Office in Kisumu, Kenya, where she helped African and North American Quakers move away from donor-centric relationships to develop more reciprocal partnerships. Eden describes her ministry as decolonising Quakerism.

**Heaven Is a Place on Earth** Michael E. Wittmer, 2009-08-30 I don't want to go to heaven. Not that I'm lobbying for the other place . . . —Michael Wittmer This planet is more than just a stopover on your way to heaven. It is your final destination. God wants you to enjoy your earthly existence, and to think otherwise is to miss the life he intends for you. Exploring the book of Genesis, Heaven Is a Place on Earth gently but firmly strips away common misconceptions of Christianity and broadens your

worldview to reveal the tremendous dignity and value of everyday life. Taking you from creation, to the fall, to redemption, and to glimpses from the book of Revelation, Michael Wittmer opens your eyes to a faith that encompasses all of life--baseball games, stock reports, church activities, prayer, lovemaking, work, hobbies . . . everything that lies within the sphere of human activity. To be fully Christian is to be fully human, says Wittmer, alive and responsive to the kingdom of God in all that you are and all that you do. Discover the freedom and impact God created you for. It starts with a truly Christian worldview. And its fruit is the undiluted gospel, powerful not only to save souls, but to restore them to a life that is truly worth living. Includes discussion/reflection questions after each chapter.
