Sheer Abandon Penny Vincenzi,2007-05-08 A #1 bestseller from one of Britain's most popular novelists. • An all-consuming story revolving around the consequences of a desperate act. • Nobody writes page-turning women's fiction like Vincenzi. —USA Today Martha, Clio, and Jocasta meet by chance at Heathrow airport in 1985 as they are starting off on separate backpacking adventures, and they decide to spend the first few days of their trips together in Thailand. When they go their separate ways, they vow to get together in London the following year. But many years pass before the three cross paths again, and the once-capricious, carefree girls now all have thriving careers. One of them,

however, harbors a terrible secret: On her return from her pre-college excursion, she abandoned her just-born daughter at Heathrow. Clio has fulfilled her ambition of becoming a doctor, only to find herself trapped in a marriage to an arrogant surgeon who belittles her and her professional achievements. Martha is a highly paid corporate lawyer, just embarking on a political career. Dedicated to her job, she has had little time for personal relationships and lives a busy, but lonely life. Jocasta, a tabloid newspaper reporter with an infallible instinct for the big story, is in love with a charming colleague who can't make the permanent commitment she longs for. The infant abandoned at Heathrow has grown up under the loving care of her adoptive family. Now a beautiful teenager named Kate, she sets out to find her birth mother—a quest that unexpectedly brings the women together and exposes the secret buried so many years before. Impossible to put down, Sheer Abandon is top-notch women's fiction.

The Forbidden Fruit Sarah Luiz, 2020-06-11 The forbidden fruit. Yes, it's just as it sounds. The journey was looked at by many as esoteric. Meaning, many could or would not understand my journey, that it was weird and out of the norm. I so very much wanted to be normal and, like as they say, popular. But instead, I lived in those shadows till I realized that, hey, others had a life and could and did make their choices. So why couldn't I? I bit down on that forbidden fruit and never looked back. Come what may! But I had to live, or my other option was to exist and eventually die unfulfilled from a poor, defeated life! Many say that with this choice came hell, but wasn't I already in hell? This was how I truly felt, and there was only one way out, so I took that huge leap of faith and won. But it hasn't always been a fairy tale, as you now know, so it's kind of a great feeling to come clean about it all. Much love, hope, and promise to all of you!
