**Hello Jesus!** Burley Ward,2019-05-20 Jesus walks into the room. Awkward!He comes and stands next to us. Way awkward! What does he want? Why is he looking at us? Should we bow? Bawl? Did we sin? What do we say? Or, do we pick up our conversation with him where it last left off?Does Jesus feel like he's a stranger around us? As believers, we are excited to know our identity in Christ. But how well do we know his identity? Who is he? Savior, Lord. But what do those things mean? What does he do? What are his goals? Shouldn't we at least know these things about the one who calls us friend? He runs the biggest operation in the universe. Galaxies hang on his every word. Yet, he knows us by name.And his name is all we know.What makes his heart beat? Could you describe him to a news crew? Your friends? Your family? Yourself?Join me on a forty day journey into the heart of Jesus.

*Hello, I Am Joseph - Hello, I Am Mary* David Keim,2021-03-16 Joseph and Mary is about two people telling you the story of their own lives as individuals with their hopes, fears, emotions, and faith in the face of the unknown. Jesus is the common thread in both stories. While Joseph's story is shorter, Mary's story goes to the bitter end of Jesus's life, which is also a sweet beginning for us.Even though the stories are fictional, they are based on biblical quotes and references. For instance, how do you think Joseph felt or reacted when he found out Mary was pregnant and knew that he was not the father? What do you think Mary did as her son was being crucified? This book delves into these types of topics and asks you to react. There are questions at the end of each chapter for you to consider or ponder upon.The faith of Mary and Joseph, as individuals and as a family, is explored further. They see and reach the mountaintop but also go through the deep valleys of life, both apart and together. As a family, how would you deal with being refugees in Egypt after running away from the Romans? You will think about the stories you know, but from a different perspective, one that allows you to see the reactions and emotions that could have been.The hopes, fears, and thoughts of Mary and Joseph are fictional since we do not know what occurred two thousand years ago. However, you will have a sense of Mary and Joseph talking to you, about how they felt and what their lives were like.Dave Keim brings the story of Joseph and Mary together in an easy to read text with thought provoking questions at the end of each chapter. This is an ideal gift for both the young and adult reader, particularly at Christmas.Pastor Peter KaltenbaughThis book provides a new perspective into the thoughts, fears and questions that Joseph and Mary may have experienced in their lives. An easy read that would also be a great option for Bible studies, class discussions or Advent.Bonnie Heathole

**Hello, My Name Is Not Jesus** C. Darnell,2018-01-29 It all begins with His Name. Every man and woman of significance in the Bible had a Hebrew name that revealed his or her character. So what was the meaning behind the Messiah's name, Jesus? The name Jesus has no meaning. It was little more than a poor transliteration of His real Name, Yeshua, or Yahshua, from Hebrew into Greek. The Name Yahshua meant salvation from Yah (Hebrew contracted Name for God) and this was what was conveyed to Joseph by an angel: You shall call His Name, 'Yahshua, ' for it is He who will save His people from their sins. (Mt.1:21). This book goes on to explain how Yahshua's Life and His Teachings were prophetically designed to include His warning to the group of Believers who would someday call themselves Christians. Yahshua was sent by His Father in heaven, the same God who declared the end from the beginning (Is.46:10) and so His Life was not simply in planning for His Death on a tree, but to show us how to be salt and lights upon the earth. What's more, Yahshua, claimed that Moses spoke of Him, and that He was integrally part of the Torah. Where do we find Him there? This book will reveal this and far more teachings that you will not hear from pulpits, including the three harvests that we are to celebrate each year, and what groups of people each represent. How the Messiah is seen in each of these harvests and feasts as His Life and death filled these full of meaning. Finally, this book is designed to do more than be informative; rather, it throws out the gauntlet to change your life! Do you want to find your purpose? Do you fear you are not really and truly saved? Do you want to know what your Creator expects of you? Do you want more in your life than simply an understanding of the church's plan of salvation? Finally, do you wish your love for your Savior, Yahshua could grow? Then you need to learn more about Him and what He desires of you. But, it all begins with calling Him by His correct Name.

*Day by Day Kid's Bible* Karyn Henley,2002 Popular children's author Karyn Henley, author of The Beginner's Bible, has created a unique tool to help children establish Bible-reading habits for a lifetime—with an investment of just seven minutes per day. In this revised version of God's Story, daily Bible readings lead readers ages seven and up through the Scriptures in just one year. The Day by Day Kid's Bible bridges the gap between a Bible storybook and a full-text Bible since the Scriptures are simplified for young readers. New features include dated Bible readings for every day of the year, two-color interior, and full-color pictorial time line of events.

*Hello, God It's me* Christine DiGiacomo,2019-09-16 In a time of much uncertainty in today's world, getting to know God is something a person will never regret. God is not only all powerful, but he is eternally good; he is not just strong and mighty but is tender as a mother with a babe at her breast. God is not just majestic, but delightful. Prayer enables every individual to experience God personally. Hello, God. It's Me. is a gentle journey into prayer. Since prayer is the mechanism whereby we can maintain a constant, open connection to God, it is vital to develop a daily habit of both talking to God and listening for his voice. The voice of God leads, guides, comforts, instructs, and tenderly convicts his children. There is nothing quite like it in all the world. Much about prayer can be learned from the pages of Scripture as Christine invites the inquirer to investigate and apply. Learning to spend a little set-apart time each day in prayer is both life-giving and life changing and sets the stage for an ongoing dialogue for all one's waking hours. Want to learn to pray? This is your little book. Want to develop a discipline for prayer? This is your little guide. Want to get to know God more? Read, think, write, pray, and grow. Want to give the gift of prayer? Gift this little jewel. Hello, God. It's Me. is simple, but deep; sweet, but profound; down-to-earth, but will connect the reader to the divine.

**Hello. I Love You. I want you to live with me forever.** Pamela Sue Lowe,2014-04-16 God has been revealing to me that writing is an effective way for me to share my heart with Him; I feel encouraged to use it as a way to share his love and my faith in him with you. I have spent the majority of my life searching desperately for the missing piece to complete my life puzzle. The discovery of my life has been made....Jesus. From the bottom of my heart to the top of the highest mountain, I would like to proclaim to everyone who is alive, "God loves you! God wants to be close to you! You are created for HIM! He his waiting with open arms and unending love for you! God forgives you! We can approach God with confidence in our Lord and Savior Jesus Christ. The idea of this book grew from a seed planted in my heart on November 9, 2012. While reading II Kings, God revealed to me an important role in my Christian life. God tells of King Hezekiah, who was aware of God's presence in past events, had a personal relationship with God via a powerful prayer life, and trusted in God's help for current events in his life. One thing he lacked was his concern for future generations. God convicted my heart that I was lacking this as well. Not sure what to do, I prayed that God would show me. A book. Since I will not be around forever to share my faith with future generations, I can share my faith through a book. This is the first and possibly the only book I will write; I will leave that up to God. This is a collection of prayers and writings regarding some truths God has revealed to me. An invitation to you...to draw near, speak to God about what is on your heart, then be still, and know that He is God. This is the sacrifice God wants from us. He wants us to share our heart with him and trust him and his word to guide our lives. Talk to God about anything you would a family member, best friend, co-worker, etc. God wants us to come to Him first.
