She shares the good and bad and the highs and lows she faced through depression, anxiety, and nervous breakdowns. Investigative Medium Laine Crosby,2013-07-01 The true story of an ordinary woman with a remarkable gift. After moving her family to a Maryland plantation, Laine discovers that she can communicate with the house's ghosts - and they tell her a story of slavery, murder, and romance that will change her life forever. A New York Times Best Selling ebook. This beautifully written, heartfelt memoir touched both readers and reviewers. A true tale of self discovery, ghosts, slavery, murder, family and perseverance, this remarkable story follows 40-something Laine, an ordinary mom, who moves with her family to an 18th century Maryland plantation and wakes up suddenly psychic, and the journey she makes to find herself again. Who knew Laine Crosby, former marketing executive at The Weather Channel, had the gift of being a Psychic Medium? Not even Laine, that is, until she moved from Atlanta to the property of an eighteenth century Maryland plantation and woke up talking to a former slave buried in her backyard! Besides going through culture shock, she soon learned that the property was loaded with spirits, largely from a slave cemetery. When they overheard her tell her kids about spiritual realities, they came calling. Lots of them. Investigative Medium - the Awakening, examines the gift that was thrust upon Laine who was at first surprised, and then upset, and over time and through experience, embracing of this new way of life. Laine's husband, Chris, twins Annie and Caleb, and even her Jack Russell terrier Steve have peripheral ghostly involvement, so it is a family affair, although at first an unsettling one. Along Laine's journey, she meets an unlikely friend, the spirit of Jannette, once nanny to the children on the plantation where she lives. Laine finds similarities in her own life and Jannette's, and with Jannette's friendship, Laine begins her journey down a path of self discovery. Jannette has had a similar tussle with racism and sexism from her 19th-century circumstances to Laine's struggle with prejudices against her spiritual abilities. So, the two stories are parallel. With Laine's new abilities, she becomes Jannette's voice, bringing her back from the antebellum South to tell the incredible story of her life as a slave, and a tender romance is revealed. Interwoven with Laine's personal story, are the first hand accounts of former slaves Jannette and Bill, and others. Once Laine accepts her gift, it is her mother who, from beyond the grave, helps Laine find a way to surrender, and at long last give up on the life she dreamed of having, in order to have the life she was meant to live. Folksy and fresh, endearing and affecting, Investigative Medium - the Awakening is funny, thrilling and inspiring. The book examines the gift thrust upon Laine, and her acceptance and eventual surrender to the life she is supposed to live.

Abby Finds Her Calling Naomi King,2012-02-28 Generations of Amish neighbors and friends enjoy the simple things in life in the lush countryside of Cedar Creek, Missouri. But matters of the heart have a way of complicating the most clear-cut plans.... Everyone knows the Lambright family, since they own a greenhouse and a dry goods store in which their eldest daughter, Abby, runs her own sewing shop. There Abby spends just as much time mending townspeople's torn relationships as their clothes. But the local maidel has sworn off any suitors of her own because of her unrequited love for James Graber, the buggy maker across the road-the man her younger sister, Zanna, is about to marry. Then the wedding day arrives and Zanna is nowhere to be found, breaking James' heart. Zanna has brought shame to her family, but there's more in store for them when they discover how far she has fallen. Long-buried secrets come to light, and they test the faith and friendship between the two families, as well as the bonds of the Cedar Creek community. Abby is at the center of it all, trying to maintain everyone's happiness. But will she ever find her own?

The Ambitious Woman Esther Spina,2014 The Ambitious Woman illustrates how ambitious women embody characteristics such as inspiration, empowerment, and motivation to help others accomplish their goals, and create win-win relationships in all areas of life. When you think of the word 'ambitious', what comes to mind? Power hungry? Getting ahead no matter what it takes? Someone who runs over others to accomplish their goals? While many people may have a negative view of what it means to be ambitious, author, motivational speaker and women's movement leader, Esther Spina, is not one of them. In fact, in The Ambitious Woman, Esther shows that Ambitious Women are found in all walks of life - the famous and the not-so-famous. They embody characteristics such as inspiration, empowerment and motivation to help people accomplish their goals. Ambitious Women can be humble and loyal; they are disciplined and have a never-give-up attitude. Real and genuine ambitious people care about others; they are not self-centered. They are ambitious about seeing others succeed, and creating win-win relationships in all areas of life. Using profiles of people such as Diana Nyad and Barbara Walters, The Ambitious Woman offers contemporary illustrations of people who have lived ambitious lives and what we can learn from them. The book also profiles ambitious people who are close to the author, people who live with passion, confidence and consistency in their everyday lives. Women from all walks of life will find ambitious characteristics to strive for, ones that will improve their lives, their relationships, and who they are deep down. When you become an Ambitious Woman, you, too, can help others change their lives!

Rig Wives Kelly Earle,2022-06-03 We live our lives one hitch at a time. Along with that come tears from the anxiety and stress when trying to hold it all together. But then there is the laughter and comfort when surrounded by the right people, the ones we have grown close to, who have become our family and friends, our rocks some days: our fellow rig wives. The offshore is not for the faint of heart. The ocean can be a dark and lonely place. Our husbands risk their lives every time they go to work. While some people's relationships dissolve, others stand tall. Only the strong survive. Kelly Earle's husband, who works offshore in the oil industry, inspired her to write Rig Wives. Interviews with other rig wives tell the story of the women who wait. Their stories of determination, perseverance, and camaraderie, while their husbands engage in one of the most dangerous occupations in the world, are an inspiration to all.
