Social Policy and Social Justice Jim Harding,2006-01-01 Social Policy and Social Justice looks concretely at the successes and failures of a social democratic government in Canada (1971-1982) in achieving social justice through its approaches to social policy. Social policy is analyzed widely, including day care, workers' control, prescription drugs, social assistance, income distribution, legal aid and policing. Additional chapters review the NDP's re-organization of bureaucracy and allocation of expenditures. Also included are an historical synopsis of the legislation pursued in the period and an analysis of the broader political, economic and sociological contexts in Canada. Social Policy and Social Justice is the first in-depth analysis of social policy at a provincial level. It is the product of the multidisciplinary scholarship of the authors, all of whom have extensive experience in policy-making, policy advocacy or policy research. This book will be an invaluable resource for comparative purposes, particularly since there are now three NDP governments across Canada, and the NDP is undergoing re-evaluation in the wake of the 1993 federal election. It will be of particular interest to those in government, university, community-based or political organizations wanting to re-examine mainstream assumptions about social democracy, social policy and social justice in Canada.

Texas Retail Survey 2010 Eureka Group,2010-07-01 In-depth analysis of retail market trends in every Texas county and 300 Texas cities. Ten years of retail sales and outlet data for every local market. Publication includes over 800 charts and analytical rankings and indices for each market area.
