*The Herd Volume 1* Ryan Poirier,2021-02-16 A cartoon comedy satire about a group of heroes who find their powers (and problems) at the bottom of a bottle of contaminated fruit juice. Can one Family with Super Fantastic abilities save the world from a supernatural pandemic...and The Pack? CEO Fox Canidae isn't having a good day. With his beautiful and brilliant Ph.D. wife, his scholar student son, and Foxy Fruits, his multibillion-dollar fruit juice company (the backbone of Maple City's economy), life should be great! But possible sabotage at his factory is threatening catastrophe for the entire city. Unknown to Fox, his company's best researcher, Professor Doctor Monkey-Shine, is a criminal mastermind with "The Pack"! A villainous gang that knows no limits. The Professor has "accidentally" dropped his own top-secret formula into the bottling line of the company's new juice sensation. What should have been a blockbuster product launch is now turning into a supernatural pandemic with Maple City's citizens at the center. Fox knows he has to make this right; after all, it started with his company! To save his family, the Foxy Fruits Factory, and Maple City, Fox and his family use the impacts of the contaminated juice to create an elite group of superheroes called "The Herd". In a race against time, they must stop The Pack from spreading the pandemic beyond the city's borders. Hold onto your berries and follow The Herd in this comedic action-packed origin story of a different breed of heroes!

**Hero on a Mission** Donald Miller,2022-01-11 New York Times bestselling author Donald Miller shares the plan that led him to turn his life around. This actionable guide will teach you how to do the same through journaling prompts and goal-planning exercises. There are four characters in every story: The victim, the villain, the hero, and the guide. These four characters live inside us. If we play the victim, we're doomed to fail. If we

play the villain, we will not create genuine bonds. But if we play the hero or guide, our lives will flourish. The hard part is being self-aware enough to know which character we are playing. In this book, bestselling author Donald Miller uses his own experiences to help you recognize if the character you are currently surfacing is helping you experience a life of meaning. He breaks down the transformational, yet practical, plan that took him from slowly giving up to rapidly gaining a new perspective of his own life's beauty and meaning, igniting his motivation, passion, and productivity, so you can do the same. In *Hero on a Mission*, Donald's lessons will teach you how to: Discover when you are playing the victim and villain. Create a simple life plan that will bring clarity and meaning to your goals ahead. Take control of your life by choosing to be the hero in your story. Cultivate a sense of creativity about what your life can be. Move beyond just being productive to experiencing a deep sense of meaning. Donald will help you identify the many chances you have of being the hero in your life, and the times when you are falling into the trap of becoming the victim. *Hero on a Mission* will guide you in developing a unique plan that will speak to the challenges you currently face so you can find the fulfillment you have been searching for in your life and work.

*The Golden Fleece and The Heroes Who Lived Before Achilles* Padraic Colum, 2020-03-16 *The Golden Fleece and The Heroes Who Lived Before Achilles* is a collection of myths and legends by Padraic Colum. Colum was an Irish poet, novelist, dramatist, biographer, playwright, children's author and collector of folklore. Excerpt: She turned away from her father's eyes and she went into her own chamber. For a long time she stood there

with her hands clasped together. She heard the voice of Chalciope lamenting because Æetes had taken a hatred to her sons and might strive to destroy them. She heard the voice of her sister lamenting, but Medea thought that the cause that her sister had for grieving was small compared with the cause that she herself had. She thought on the moment when she had seen Jason for the first time—in the courtyard as the mist lifted and the dove flew to her; she thought of him as he lifted those bright eyes of his; then she thought of his voice as he spoke after her father had imposed the dreadful trial upon him. She would have liked then to have cried out to him, O youth, if others rejoice at the doom that you go to, I do not rejoice.
