**The Birds of the Bible** Gene Stratton-Porter,2017-02-06 Gene Stratton-Porter, the Indiana novelist and bird lover, offers the fruits of several years' loving labor in *Birds of the Bible*", a handsome volume. The riches of bird lore that Mrs. Porter has unearthed will surprise anyone who opens the book. *Birds of the Bible* is designed for all lovers of birds in general, and lovers of Bible birds and Bible poetry in particular. It contains every reference made to birds in the Bible: describes the location, and explains the characteristics of the bird. In this book, the author, one of the most successful writers of her days, both as a naturalist and a novelist, has made her greatest effort to do something worth while for the world, having given three years to the preparation of the text.

*I Am Charlie Wilson* Charlie Wilson,2015-06-30 The long-awaited New York Times bestselling memoir of seven-time Grammy-nominated artist Charlie Wilson, the iconic R&B and Funk singer-songwriter-producer and former lead singer of The Gap Band—interwoven with his recollections of collaborating with fellow artists such as Stevie Wonder, Kanye West, and Snoop Dogg. Recognized the world over for his distinct voice and timeless hits spanning a career of nearly half a century, Charlie Wilson is one of the most celebrated musicians of his generation. So it took friends and family by surprise when he checked into rehab and revealed that he had been not only homeless, but also helpless. Here is the riveting story of how love and faith carried

him through not only his addiction, but also prostate cancer. Here, too, is the story of his work in the music business, including a career resurgence that saw collaborations with some of the most sought-after artists of today, including Pharrell and Justin Timberlake. Now over twenty years sober, Wilson recounts a life filled with vertiginous highs and heartbreaking lows. His is a story of triumph over adversity, courage in the face of extreme hardship, and love when all else is lost. It is a tale of the last sixty years in social and pop culture history, and one that will stay with you for years to come.

*Ardeth #02 (I - Spring 2018)* AA.VV.,2018-03-30 In the last fifteen years we witnessed a new ethnographic wave of studies that focused on practising architecture. This body of research aimed at grasping the socio-material dimension of architectural practice. They all relied on the assumption that architecture is collective but it is shared with a variety of nonhumans. These “new ethnographies” generated “thick descriptions” of the knowledge practices of different participants in design. This issue of “Ardeth” collects contributions that will address the ecology of contemporary architectural practice, scrutinizing it as involving actors with variable ontology, scale and politics; exploring empirically different formats of design and reflecting on the importance of ethnography for understanding contemporary architectural practices.

**Deception** Rebekah James, 2023-05-15 About the Book Grace Miller has a devastating and traumatic past that changed her, but she's not sure if for the better. And everyone has a dark side. She has a purpose these last thirteen years have been leading up to. The love she once felt in abundance was ripped from her. The grief and pain she endured has shaped her into the woman she is today. Grace has made her choices in life, unapologetically, and nothing will stand in her way. Never again will she be put in a position of fear. She is in control of her outcome, no matter who she must deceive. Until she meets a certain man. Could he be the one to help her move on or will she risk losing him too just to accomplish her goal? EXCERPT "I want him to experience love and happiness, passion, and the feeling that nothing could ever go wrong in his perfect life. I want him secure; secure in me. I want him to love me and then I want to watch the life leave his eyes when he realizes that I'm the one who took it all away from him."

**Unconditional Love:** Samuel Wong, 2019-01-03 Imagine an old man shifting through a pile of 260 letters that his American parents wrote him over a 30-year period, re-immersing in the love unconditionally and liberally showered on him and his family through the years, and listening to their silent yet animated voices from the past, you have the rationale for this collection of letters in your hands. Samuel Wong is that old man (age 79 at the time of this writing) and he wants the world to know his American parents, Murray and Dorothy Leiffer, the embodiment of unconditional love. Who were they? How did they become his

American parents? What did they do for him and his family? What did they care about? These and other aspects of the lives of an extraordinary couple are shared through their own words. As you read them, you will be inspired by their testimony to grace and fidelity and be reminded of that which is true and honorable, civil and decent. Letter writing has become a vanishing art form. Other than official documents and perhaps exchanges between soldiers and their loved ones at home, letter writing has lost its unique role in contemporary communication. In a world of speed and haste, letter writing is too slow and laborious for the average man and woman. We want instantaneous responses. However, the fast exchanges are at the expense of reflection and rumination and whatever is written instantly is deleted practically instantly. They leave no trace and preclude the joy and chagrin of reading what one wrote in the past. These letters show what you miss in instant messaging. They might nudge you to add a new dimension to your life: write to someone you love and care about. Old-fashioned writing is timeless and priceless!

Docile K.M. Szpara, 2020-03-03 K. M. Szpara's *Docile* is a science fiction parable about love and sex, wealth and debt, abuse and power, a challenging tour de force that at turns seduces and startles. There is no consent under capitalism. To be a *Docile* is to be kept, body and soul, for the uses of the owner of your contract. To be a *Docile* is to forget, to disappear, to hide inside your body from the horrors of your service. To be a *Docile* is to sell yourself to pay your parents' debts and buy your children's future. Elisha Wilder's family has been ruined by debt, handed down to them from previous generations. His mother never recovered from the *Dociline* she took during her term as a *Docile*, so when Elisha decides to try and erase the family's debt himself, he swears he will never take the drug that took his mother from him. Too bad his contract has been purchased by Alexander Bishop III, whose ultra-rich family is the brains (and money) behind *Dociline* and the entire Office of Debt Resolution. When Elisha refuses

Dociline, Alex refuses to believe that his family's crowning achievement could have any negative side effects—and is determined to turn Elisha into the perfect Docile without it. Content warning: Docile contains forthright depictions and discussions of rape and sexual abuse. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

**From Trauma to Triumph** Uboho Bassey, 2020-10-28

FINDING LIBERTY: FROM TRAUMA TO TRIUMPH There's nothing like the written Word of God for showing you the way to true liberty through faith in Jesus Christ. Through God's Word we are created, mended, shaped and put back together for the purpose predestined for us. Let it equip and empower you to walk in liberty. Do not be so scared that you cannot envision the glory of a new beginning. Do not be so consumed by tests, trials, and trauma that you fail to grasp the glory of the coming triumph. Do not feel so condemned that you feel there is no redemption for you. Do not be so beaten down by the scourge of captivity that

you jettison the glory of freedom. Do not allow the troubles of your past faze you or your present tribulations derail you. Forget the ugly truths – the unmentionable pains and the inconceivable hurts. Remember the reasons. Remember your dreams. Remember why you began the journey in the beginning. Remember the call of liberty. The call that told you, “You are more than this.” Remember the stirrings in your spirit for something more meaningful, more fulfilling, more enriching than the mediocre, mundane and ordinary existence that sapped your energy and dampened your spirit at the rising of the sun. We don’t get burned out because of what we do. We get burned out because we forget why we do the things we do. Whether you are jaded from past trauma, a present heartache, or a persistent feeling of rejection, self-doubt, the bitter sting of failure does not have to narrate your story. If you conclude that your best days are over – they are. If you think they’re ahead – they are. Regardless of the adversity that you face, regardless of how abysmal you think your situation is, you can face every day with enthusiasm. You can walk your way through trauma to triumph. All it requires is your faith. You can be everything you always dreamed of, soaring to the heights that always called out to you. You can dream again, journeying with uncertainty through the valley of rebirth - knowing that God is still in control. As you learn to cultivate the power within, you will come to the truth that you are broken to be blessed and that your liberty is guaranteed – as you transit from trauma to triumph. Graves become gardens and bones become armies. Ashes become beauty and seas becomes highways! The oil of joy for mourning, and the garment of praise for the spirit of heaviness. Heroes and victims both get knocked down by life’s circumstances. See yourself as a Hero that got back up, armed with faith and determined for purpose, instead of a victim that stayed down, defeated by fear. Be the Hero that creates a positive future from a broken past. Whether the captivity we experience is due to the actions of others or social

circumstances, the captivity of physical infirmities, or that which we bring to ourselves by our own mindset, choices and attitude, the captivity of physical death comes to us all as a result of the fall of Adam. God offers liberty to all captives, and the opening of the prison to them that are bound. Let this book "From Trauma to Triumph: Finding Liberty" uncover how God transforms a troubled past into a glorious destiny to illustrate that there is more in you than your history.

*Becoming Better Grownups* Brad Montague, 2020-03-31 A New York Times-bestselling author looks for the meaning of a good life by seeking advice from the very young and the very old. When his first book tour ended, Brad Montague missed hearing other people's stories so much that he launched what he dubbed a Listening Tour. First visiting elementary schools and later also nursing homes and retirement communities, he hoped to glean new wisdom as to how he might become a better grownup. Now, in this playful and buoyant book, he shares those insights with rest of us --timeless, often surprising lessons that bypass the head we're always stuck in, and go straight to the heart we sometimes forget. Each of the book's three sections begins with the illustrated story of The Incredible Floating Girl. Brad weaves this story together with lessons of success, fear, regret, gratitude, love, happiness, and dreams to reveal the true reason we are here: to fly, and to help others fly. Beautifully designed and featuring Montague's own whimsical 4-color illustrations that appeal to the kid in all of us, *Becoming Better Grownups* shares the purpose and meaning we can all discover merely by listening, and reveals that--in a world that seems increasingly childish--the secret to joy is in fact to become more childlike.
