The Power of Hex Shawn Engel, 2020-10-06 Shawn Engel is the real deal: a boss mystic whose influence is great, ideas sparkling, and power palpable. You will not find spellwork explained more accessibly, or made more fun, by anyone. —Jerico Mandybur, author of *Neo Tarot* This beautifully illustrated guide introduces new witches to sigils, amulets, potions, and spells that will encourage them to reclaim and use their power as a catalyst for social change. In *The Power of Hex*, author Shawn Engel shows young witches how to use their own power in an inclusive way and empowers them to create their own spells with their new knowledge. Beginning with the definition of hexing, unpacking the ethics, and showing how disenfranchised groups have used this type of magic throughout history for protection, *The Power of Hex* leads into modern takes on the practice. From there, an overview of focusing energy in different rituals leads into four main spell chapters, rounding out to a chapter dedicated to building your own spells using aligned ingredients. This book sets itself apart because it aims to simplify this powerful type of magic while enforcing morality. We don't want to sink to the level of those we are cursing; hexing is meant to protect and arm. Hex responsibly and effectively!

Documents events from July 2005 through early 2008. This 2nd Edition has been edited and revised and is in a new smaller format, 6x9

Hex Crawl Chronicles 1 John M Stater, Ken Spencer, 2018-06 Valley of the Hawks is named after the giant hawks that hunt the area in the spring. The Dragon's Rocketship Presents Sue Sherman, Rick Rossing, Gary S. Watkins, Chad Dennis, 2015-11-21 What is it like working in the magical services industry? For some, it's hell. Often literally. Join 16 authors as they share some of the stories from the Hex Support staff. Some may need more

Hex Larry M. Harris, 2016-04-05 This collection of literature attempts to compile many of the classic works that have stood the test of time and offer them at a reduced, affordable price, in an attractive volume so that everyone can enjoy them.

Hexcraft Johnny Xoxo, 2018-11-16 Filled with over 100 hexes for just about every purpose, from a general souring of one's life to causing baldness and yes, even death. The spells within this book should only ever be used when they are justified. This is not for the frivolous practitioner who throws hexes on people for no reason. There are a few protection and un-hexing recipes within this book, as well as a list--by no means comprehensive--of herbs and crystals which can be used for hexing. No matter if you just want general revenge on a cheating lover, or to goober one who has done you grave harm...this book is for you, it is everything you've always wanted, but were too afraid to ask for.

Immortal and the Hex Matthew Derbridge, 2022-06-05 Mitchell Gelan has become the Immortal, with Tana's help he begins correcting the mistakes of the past, which builds trust between them. When a Lady of Light appears and tells him that he must go back in time to save six scientists to help fight against a threat that could destroy civilisation at the risk of his own life, Mitchell goes back in time to save them. In the 21st Century, six scientists meet at one Lab with dreams that could revolutionise the world, with different

backgrounds and stories. The story of the six is told as they get closer and closer and when the six become allies in science, the lab is about to explode, they must trust a complete stranger to survive. Afterwards, they have dreams that forewarn them of a great threat. Mitchell must fight alongside Tana and those with the powers of nature to prevent the threat from creating havoc across the country. The Immortal along with the Hex fight with Tana and a surprising seventh element to protect the city. Can the newly formed team stop this threat or will the Immortal finally face defeat? Can the Hex work out their powers to help Mitchell?

Travel to a place where sane men dare not tread and discover the secrets of an alien and unwholesome land. Demon-haunted highlands and living forests await your arrival - don't let a lack of courage keep them waiting. Levels vary. For Swords & Wizardry.

Hex Crawl Chronicles 6 ,2018-06 Ancient, golden-skinned men, they say, built their domes too near the great lake from which all life sprang. The lake spawned trolls and more fearsome creatures to punish these ancient men. The ancients were laid low, the cities crumbled, the survivors turned out into the wilderness and the hills were left to the trolls. For Swords & Wizardry.

Hex of the Golden Scrolls William Pappa,2020-07-14 In this world, elemental magic had been obtained through prolonged meditative stargazing that ended a long war before history. Extensive stargazing was possible using scrolls that turned those affected into metallic statues. Two centuries after the long war, sixty Golden Scrolls were created. This allowed century long meditations to further advance the art of magic. However, the ritual required to create the Golden Scrolls was lost. Once the desire for magic knowledge drained out from the world, the scrolls became useful for incarceration and warding off starvation (along with another much darker usage). The last of the Golden Scrolls had been used to aid a group of siblings who lost their home after the Great Tremor. Now, the last sibling is about to awaken...and realize a newfound magic power never seen or felt in the world's history of magic.
