Hidden Treasures Michelle Adams,2021-12-07 A reunited couple search for a valuable treasure, a precious jewelry box, stolen from the Nazis and hidden away since World War II, in this powerfully emotional and romantic novel of rekindled love—perfect for fans of Jodi Picoult, Josie Silver, and Jill Santopolo. Then... Once upon a time, in a small village in southern France, a pretty, willful English girl is falling in love. Frances Langley has fallen under Benoit’s romantic spell, so sure is she that he is everything she’s ever wanted—a self-assured, sexy man, experienced and just a little bit mysterious. But Frances is hiding a secret—one that would surely separate them if he ever knew the truth. And to hold on to his love, she is willing to do anything for him, even put herself at risk by hiding a precious object, stolen by the Nazis decades before. Now... Years later, Frances’s son, Harry, opens the door of his late mother’s home, never expecting to see Tabitha—the lost love of his life—on the other side. Their angry parting had broken his heart, but now she holds a letter, sent by his mother just before her death, begging the pair to search—together—for a priceless jewelry box, hidden somewhere in her little Cotswold cottage. Harry quickly dismisses the search, but as an art historian, Tabitha cannot risk the chance to recover something so valuable that was long thought to be lost. And so they embark on a journey of discovery, but soon find themselves searching for much more than a missing piece of art. Together they learn that the true riches are not those buried in the clutter of Francis’s cottage, but are instead the treasures they each hold, buried deep inside their hearts.

Hidden Treasures in the Book of Job (Reasons to Believe) Hugh Ross,2011-10-01 Arguably the oldest book in the Bible, the book of Job has a surprising amount to say about some of the newest scientific discoveries and controversies. Far from a book that is just about suffering, Job is filled with rich insight into both ancient and modern questions about the formation of the world the difference between animals and humans cosmology dinosaurs and the fossil record how to care for creation and more With careful consideration and exegesis, internationally known astrophysicist and Christian apologist Hugh Ross adds yet another compelling argument to the case for the veracity of the biblical commentary on the history of the universe, Earth, life, and humanity. Hidden Treasures in the Book of Job shows that the Bible is an accurate predictor of scientific discoveries and a trustworthy source of scientific information, and that both the book of Scripture and the book of nature are consistent both internally and externally.

Zara's Rules for Finding Hidden Treasure Hena Khan,2022-10-18 From the beloved author of Amina’s Voice comes the second book in the delightful Zara’s Rules middle grade series following Zara as she starts her own business! Zara lives for bike rides with her friends—so when her shiny, brand-new bike goes missing from the park one day, she’s crushed. After her parents insist she earn the money for another one herself, Zara’s determined to start a business. But what kind? A lemonade stand? Not profitable enough. Selling painted rocks? Not enough customers. Zara’s starting to get discouraged when she and her friend Naomi finally come up with the perfect idea: The Treasure Wagon, a roving garage sale that unloads knickknacks from the Saleem family basement and makes money all at once! But when a mix-up gets Zara in hot water again, will she have to give up everything she’s earned toward her new bike?

The Secret Byron Preiss,2016-10-05 The tale begins over three-hundred years ago, when the Fair People—the goblins, fairies, dragons, and other fabled and fantastic creatures of a dozen lands—fled the Old World for the New, seeking haven from the ways of Man. With them came their precious jewels: diamonds, rubies, emeralds, pearls... But then the Fair People vanished, taking with them their twelve fabulous treasures. And they remained hidden until now... Across North America, these twelve treasures, over ten-thousand dollars in precious jewels, are buried. The key to finding each can be found within the twelve full color paintings and verses of The Secret. Yet The Secret is much more than that. At long last, you can learn not only the whereabouts of the Fair People's treasure, but also the modern forms and hiding places of their descendants: the Toll Trolls, Maitre D'eamons, Elf Alphas, Tupperwerewolves, Freudian Sylphs, Culture Vultures, West Ghosts and other delightful creatures in the world around us. The Secret is a field guide to them all. Many armchair treasure hunt books have been published over the years, most notably Masquerade (1979) by British artist Kit Williams. Masquerade promised a jewel-encrusted golden hare to the first person to unravel the riddle that Williams cleverly hid in his art. In 1982, while everyone in Britain was still madly digging up hedgerows and pastures in search of the golden hare, The Secret: A Treasure Hunt was published in America. The previous year, author and publisher Byron Preiss had traveled to 12 locations in the continental U.S. (and possibly Canada) to secretly bury a dozen ceramic casques. Each casque contained a small key that could be redeemed for one of 12 jewels Preiss kept in a safe deposit box in New York. The key to finding the casques was to match one of 12 paintings to one of 12 poetic verses, solve the resulting riddle, and start digging. Since 1982, only two of the 12 casques have been recovered. The first was located in Grant Park, Chicago, in 1984 by a group of students. The second was unearthed in 2004 in Cleveland by two members of the Quest4Treasure forum. Preiss was killed in an auto accident in the summer of 2005, but the hunt for his casques continues.

Hidden Treasures Robin Bertram,2018-08-07 Many people are facing life-threatening diseases, terminal illness, and the long-term care of elderly parents, but have few resources to rely on in these difficult times. They often keep their challenges private only to suffer in silence with no real support system. This book delivers practical solutions to the problems everyone must deal with when they are experiencing the degradation of the quality of their life or the potential loss of a loved one. Based on experiences derived from 25 years of prayer ministry, Bertram’s Hidden Treasures provides insight and guidance to equip patients, family members, and friends to walk through these challenging times with foresight, looking for and expecting to see God at work in many miraculous ways. It offers sound advice grounded in the truths found in Scripture and the wisdom revealed

through real-life stories and case studies. This book helps those who have ever wondered . . . If God is good, why are we going through this? What will our family do during this crisis? How do we fight the fear that is trying to consume us? How can we encourage reconciliation in our family? Where can we find peace in the journey? What happens when we die? Is there life after death? What is heaven like? Hidden Treasures will inspire, motivate, and encourage loved ones to begin to walk the road to heaven without the fear and anxiety associated with death and dying. They'll discover that the Word of God has answers to the questions that seem to have no answer; and that comfort awaits as they begin to view their situation from a heavenly perspective. Ultimately, it reveals that hope is available, death with dignity is possible, and there are hidden treasures to embrace along the way.

MYSTERIES OF WOMEN HIDDEN TREASURES FOLORUNSHO MEJABI,
Hidden Treasures Leslie Householder,2005-06 Casual and conversational, Hidden Treasures presents the Universal Laws of Abundance from a spiritual perspective. These ideas are astonishing; and you'll feel empowered as they comfort, encourage, and enlighten you on your journey to financial deliverance, even prosperity.While the author learned these principles in a secular arena through more than a decade of study and successful application, she now hopes to bring the principles to God-fearing people everywhere. How often have we been promised, Ask and ye shall receive? The problem is we don't really believe it. Why? Because, so often it just doesn't happen. So how does one develop the kind of faith required to see miracles in his/her financial life?There is a law, irrevocably decreed in heaven before the foundations of this world, upon which all blessings are predicated?and when we obtain any blessing from God, it is by obedience to that law upon which it is predicated (Doctrine and Covenants 130:20-21). So if you've ever wondered: If the 'righteous shall prosper,' why am I so broke? or, Do I 'set my heart upon riches,' or just resign myself to the smothering prison of debt and the stain of poor credit? ...then this book is for you.The answers to these questions (and many more) are the very answers which led Leslie and her husband to finally escape their own financial bondage, AND develop a closer relationship with God through the process. While the author is a member of the Church of Jesus Christ of Latter-day Saints, the ideas and applications of scriptures are solely her own and do not necessarily represent the beliefs or doctrines of any particular denomination. In a compelling way, she brings hope to individuals in strained relationships, mothers who want to come home from work, and fathers who want to spend more time with their family. Hidden Treasures brilliantly delivers a profound message of hope for all who believe there is a God.

Hidden Treasures 2 Shajuana McDuffy,2019-07-05 Is your heart a little hardened? Do you have a smart mouth? Do you go off on anyone, at any time, and don't think twice about it? I did. I would overtalk everyone, fighting to be heard and to get my point across; only for it to fall on deaf ears. That sounds all too familiar, doesn't it? Isn't it something how life will teach you how to talk to people, so that whatever you're saying will be received by someone else?In Book One, I gave you short, sweet, blunt, straight to the point Shajuana, and she packed a few punches. I was nervous about how well it would be received. I didn't want to give you anything long, drawn out, and boring. You all surprised and humbled me. You received it with open arms, which ignited a fire in me to begin working on this book. I listened to your feedback. Now, we are here.Book Two is more raw, up close, and personal. Not only am I still encouraging you and giving you parts of me, but I'm sharing more of my experiences with you, in detail. People will always tell you the what, but will rarely tell you the why. Not Me! Not I! No Way! I say what others are thinking, but are too afraid to say. I will speak on subjects and topics that will not be discussed by some people. You want to know if there are any real people left in this world. You want to know if there is somebody near who has really lived what they talk or write about. You want to know if they've gone through or is really going through what you are going through. Yes, beloved, I have been through it. I have gone through more stuff in my few years, than someone twice my senior has gone through in a lifetime.So, I feel you, babe. I got you on that, boo. In the words of Michael Jackson, You are not alone. I am here with you! I pray that you get something out of this book like you did with the last one. I pray that it blesses your heart as well as your mind and spirit. Understand that I don't take exposing myself too lightly. I ask that you accept these pieces of me, as a token of my appreciation, for granting me this opportunity to speak to the real you. This is my journey. These are my truths, my stories, my obstacles, my pains, my hurts, in my words. These are Juandom Thoughts!
