Unlocking "Secret" Obstacles in the South ED Graves, 2021-10-13 This book is about the transitional stages of black people freeing themselves from slavery, information never taught in any of our schools in this Country. It expresses a look at the people who came from the lowest form on Earth to the highest office in the land, the presidency of the United States, the only people on Earth who were divided and separated but still managed to create our own language in this Country. A look at the circumstances of Eve taking the blame for the destruction of all mankind unfairly! There have always been secret names and obstacles for black people in America, Black people have also been displaced and sold into slavery in every country on Earth to include Russia.

**Unlocking Your Soul's Consciousness** Terry L Newbegin, 2019-04-29 You have been programmed for centuries to come from a rational, persuasive, and susceptible mind when it comes to understanding God, yourself, where you come from, why you are here on earth, and who created you. You do not realize that you were personally part of the story of creation written by the prophets in Genesis. It is just that you have forgotten because of your many lifetimes on Earth. So allow yourself to open up to what you have been taught about God. **Unlocking Your Soul's Consciousness** is a groundbreaking book that takes you all the way back to the first creation, known as the Garden of Eden, and how

it relates to your own evolution as a god in your own right. When you live and make choices from the mind of reason, from others long established interpretations of God's written words, and from what the experts assert what is best for you, your soul cannot bring forth the wisdom that you hold deep within your consciousness. Thus, you become more and more susceptible to turbulent experiences. If you are looking for clarity in life and how to overcome your suffering, pain, and anger, then it becomes very important to understand who you truly are, where you truly come from, how miracles are created, and why you do the things you do. Without realizing it, your soul has been hiding from you for many lifetimes, and by choosing to open your heart and mind, putting aside your dogmatic beliefs for a while, your soul will reveal all the whys of you choosing sin, physicality, earth, forgetfulness, and suffering as the means to remember who you are. Know that being aware of who you truly are is more important than all the treasures, education, and power in the world.

*You are the key to unlock me!* Kaliopi Kaplanidou, 2021-05-29 We come in to this world without knowing what life will be. Life brought you early in to my

life just when I thought darkness will consume me. You gave me strength to keep going and win one battle after another with my dankness! One bad decision of yours made my life's journey the hardest it could be! Fear and anger took over me. Treat them with kindness and I hope you will enjoy the time you will spend on reading them. I would love to know what you think of them. In almost all of my love stories, I put things from my life's journey; in this one, I added many of my life's events. Thank you for taking the time to read the second story I put out there (not the first I wrote) of those I wrote and soon they will be available as well. AUTHOR NAME: Kalliopi Kaplanidou. Unlocking the Invisible Child Laura Mayer, 2011-12-16 Searching for the meaning of life's experiences? Your soul purpose? Unlocking the Invisible Child: A Journey from Heartbreak to Bliss reveals the key to self-healing of body and mind, through the grace and gratitude of the heart and soul, via the all-knowing, compassionate invisible child within. In Unlocking the Invisible Child: A Journey from Heartbreak to Bliss, Laura Mayer shares her remarkable

journey. It began with the discovery of a crippling and supposedly fatal disease at age fourteen. She chronicles the forty-year course of the disease, along with her multistage self-healing process, and suggests that anyone can take a similar journey to heal their own life. Mayer knows that all the medicine in the world could not have healed her, had she not gone deeper and unlocked the invisible child inside her. Over the past five years, Mayer has witnessed a total transformation in body, mind, and spirit. Aware that if she could mend her heart, her body would heal, she started to trust in the universe and listen to its messages. "There are as many paths toward healing as there are individuals in need of healing. This means there is no formula, no sure-fire, cookie-cutter method that applies to everyone. Unlocking the Invisible Child is the amazing account of Laura Mayer's remarkable journey. She reveals to us a truth—that healing is and has always been the unique journey of the soul. Mayer writes from the heart. Her courageous account will inspire and encourage anyone who wants to be more than they are at present." – Larry Dossey, M.D. author of *The Power of Premonitions*, *Healing Words*, and *Reinventing Medicine*
