Breathe Out (Just Breathe #2) Martha Sweeney, 2022-01-04 REVISED with NEW COVER!! My rules were created so I'd have control and be able to remove any and all elements of emotion when it comes to men — when it comes to relationships, period. There's no need to let them in my heart, just in my pants for the night to satisfy my itch. Temptation reared its ugly head and won— I've broken a rule — one of my rules. No big deal, right? Then, why do I want to do it again? It's just sex. Yes. It's just sex, that's all. As long as Joe knows that it's just sex, I don't mind bending the rules. Will Emma continue to allow her fear of loss to control her life, or does love play by its own set of rules? Please note: There are sexually explicit scenes F/M and F/F/M This book is NOT a standalone and is meant to be read after reading the first book *Breathe In* of the *Just Breathe* series.

The Memory Keeper Jennifer Camiccia, 2019-10-15 Fish in a Tree meets The Thing About Jellyfish in this heartfelt middle grade debut about long-buried secrets, the power of memory, and the bond between a girl and her gram. All Lulu Carter wants is to be seen. But her parents are lost in their own worlds, and Lulu has learned the hard way that having something as rare as HSAM—the ability to remember almost every single moment in her life—won't make you popular in school. At least Lulu has Gram, who knows the truth about Lulu's memory and loves her all the

more for it. But Gram has started becoming absentminded, and the more lost she gets, the more she depends on Lulu...until Lulu realizes her memory holds the very key to fixing Gram's forgetfulness. Once Lulu learns that trauma can cause amnesia, all she needs to do to cure Gram is hunt down that one painful moment in Gram's life. With her friends Olivia and Max, Lulu digs into Gram's mysterious past. But they soon realize some secrets should stay buried, and Lulu wonders if she ever knew Gram at all. It's up to Lulu to uncover the truth before the only person who truly sees her slips away.

Teen Fury: The Complete Collection Amanda Torrey, Vengeance or Forgiveness? What would you choose? Being a teenager has its ups and downs. Ups? Hot boys, the mall, best friends, dreams of an amazing future. So much potential. Downs? Hot boys, parental drama, frenemies, emotional craziness, snakes emerging from your head when angry... Yeah, I was surprised, too. How am I supposed to stay on my carefully planned path when my true biological heritage presents its ugly head—ahem, heads. And when the messengers of my so-called destiny happen to be two of the most incredibly hot and irritating males on the planet, I'm left fantasizing about my previously boring life. Am I supposed to believe that my duty is to seek vengeance? Or to grant mercy to the offender? And how on earth am I qualified to make these decisions? I'm bound to make mistakes along the way, but keep your fingers crossed that I don't inadvertently send

the world to Tartarus in a hand basket.

Incendiary DelSheree Gladden, 2023-12-30 How long can Eliza keep looking over her shoulder before she finally sees her own death approaching? New Year's means resolutions, getting on track, making decisions. For Eliza Carlisle, starting a new year means making tough choices, even if those decisions mean losing friends and possibly getting kicked out of culinary school. She's all set to take her life in a new direction when her demented half-brother Simon's reappearance changes everything. Broken and more alone than she's been since fleeing her childhood home, Eliza struggles to hang onto the fragile threads that are holding her life together. Only a comically disastrous young chef and the threats against her life pull Eliza out of her fog of self-loathing. Saving seven-year-old Clara means ignoring the threat Simon now poses and surrendering to burnt grilled cheese sandwiches and whipped cream-splattered kitchens...not to mention family secrets, death threats, and a whole host of spy gadgets. And who can forget about Baxter? With so much mounted against her, Eliza has as much chance of surviving the criminal elite, her psychotic half-brother, and Baxter's determined advances as she does escaping Chef Harper's quest to kill her culinary dreams.

Questions Preachers Ask Scott Black Johnston, Ted A. Smith, Leonora Tubbs Tisdale, 2016-10-01 How do we preach in a way that affirms Christian theology while also honoring the insights of other faith traditions? How do we preach about and help create genuine Christian community in a social networking culture? *Questions Preachers Ask* examines many questions that are on the minds of preachers today, questions that focus on how to preach the gospel in a culture where biblical knowledge cannot be presumed and where the Bible is often viewed as untrustworthy. Well-known preachers, scholars, and authors, including Barbara Brown Taylor, Gail O'Day, Anna Carter Florence, Richard Lischer, and Thomas Lynch, provide the answers. This book, compiled to honor writer, preacher, teacher, and scholar Thomas G. Long at the end of his teaching career, addresses practical questions such as How do we proclaim the good news to young adults who are on the margins of church or have left it? and How do we preach to faith communities that are highly diverse? Perfect for preachers at any stage of their ministry, these essays offer hope and guidance for handling the difficult task of preaching in today's congregations.
