### **Hidden Pictures** Jason Rekulak,2022-05-10 NATIONAL

BESTSELLER · OPTIONED FOR NETFLIX BY A PRODUCER OF THE BATMAN GOODREADS CHOICE AWARD WINNER “I loved it.

—Stephen King From Edgar Award-finalist Jason Rekulak comes a wildly inventive spin on the supernatural thriller, for fans of Stranger Things and Riley Sager, about a woman working as a nanny for a young boy with strange and disturbing secrets. Mallory Quinn is fresh out of rehab when she takes a job as a babysitter for Ted and Caroline Maxwell. She is to look after their five-year-old son, Teddy. Mallory immediately loves it. She has her own living space, goes out for nightly runs, and has the stability she craves. And she sincerely bonds with Teddy, a sweet, shy boy who is never without his sketchbook and pencil. His drawings are the usual fare: trees, rabbits, balloons. But one day, he draws something different: a man in a forest, dragging a woman’s lifeless body. Then, Teddy’s artwork becomes increasingly sinister, and his stick figures quickly evolve into lifelike sketches well beyond the ability of any five-year-old. Mallory begins to wonder if these are

glimpses of a long-unsolved murder, perhaps relayed by a supernatural force. Knowing just how crazy it all sounds, Mallory nevertheless sets out to decipher the images and save Teddy before it's too late.

*The Republic Pictures Checklist* Len D. Martin,2015-08-13 Republic Pictures Corporation, began as a motion picture laboratory in 1915. By 1935, Republic had become a studio and released its first movie, *Westward Ho!* starring a young John Wayne, who would stay with Republic for the next 17 years. Republic would go on to produce highly successful Westerns starring singing cowboys Gene Autry and Roy Rogers as well as serial adventure series. The studio cranked out so many exciting (not to mention money-making) serials that it became known as "The Thrill Factory." Occasionally, Republic would produce and distribute "A" features, such as *Macbeth* and *The Quiet Man*, but it was the "B" Westerns and adventure serials that they knew best how to produce and market. Until its demise in 1959, Republic fed hungry moviegoers with a steady diet of "B" Westerns, serials, dramas, series pictures and musicals. The *Republic Pictures Checklist* provides a full listing of Republic releases, with plot synopses, release dates, alternate titles, chapter titles and awards. All of Republic's output, including documentaries and training films, is included.

Sir Simon: Super Scarer Cale Atkinson,2018-09-04 A delightful, funny story of friendship, ghost chores, a spooky house and a professional haunter. Meet Sir Simon, Super Scarer. He's a professional ghost who has been transferred to his first house. And just in time! He was getting tired of haunting bus stops and forests and potatoes. And to top it off, this house is occupied by an old lady -- they're the easiest to haunt! But things don't go as planned when it turns out a KID comes with this old lady. Chester spots

Simon immediately and peppers him with questions. Simon is exasperated. . . until he realizes he can trick Chester into doing his ghost chores. Spooky sounds, footsteps in the attic, creaks on the stairs -- these things don't happen on their own, you know! After a long night of haunting, it seems that maybe Chester isn't cut out to be a ghost, so Simon decides to help with Chester's human chores. Turns out Simon isn't cut out for human chores either. But maybe they're both cut out to be friends . . .

**The Perfect Medium** Clément Chéroux, Andreas Fischer, Pierre Apraxine, Denis Canguilhem, Sophie Schmit, 2005-01-01 In the early days of photography, many believed and hoped that the camera would prove more efficient than the human eye in capturing the unseen. Spiritualists and animists of the nineteenth century seized on the new technology as a method of substantiating the existence of supernatural beings and happenings. This fascinating book assembles more than 250 photographic images from the Victorian era to the 1960s, each purporting to document an occult phenomenon: levitations, apparitions, transfigurations, ectoplasms, spectres, ghosts, and auras. Drawn from the archives of European and American occult societies and private and public collections, the photographs in many cases have never before been published. *The Perfect Medium* studies these rare and remarkable photographs through cultural, historical, and artistic lenses. More than mere curiosities, the images on film are important records of the cultural forces and

technical methods that brought about their production. They document in unexpected ways a period when developing photographic technology merged with a popular obsession with the occult to create a new genre of haunting experimental photographs.

**Hauntings and Poltergeists** James Houran,Rense Lange,2001-01-01 Few people can claim the distinction of experiencing first-hand such occurrences as hauntings and the presence of poltergeists, but countless numbers of people are fascinated by these unexplainable events. Written by the world's most knowledgeable authorities in this field, the essays in this work promote a better understanding of the manifestations of and various reasons for hauntings and poltergeist phenomena. The experts come from such backgrounds as anthropology, history, philosophy, psychiatry, and sociology, and provide sober yet highly readable in-depth discussions of numerous ideas and rationalizations for hauntings and poltergeists, from a critical and scientific perspective. Divided into three major sections--sociocultural, physical and physiological, and psychological perspectives--this work provides an overview of each perspective and also addresses the general psychology of belief in the paranormal and how that belief relates to experiences with ghosts and poltergeists.
