**Revealing the Hidden Secrets** Emad Wissa, 2008-07-10 Synopsis: Revealing the Hidden Secrets delves into the mysteries of the Book of the Revelation to John, offering a deeply spiritual message that is both timely in its response to current events and urgent in its plea for the salvation of the world. Author Emad Wissa brings to light amazing details about the Church's life on earth, her history, her times, and her reign. In addition to Church history, the book proposes the spiritual meaning of major historical events, including the three most significant and to the unprepared mind disastrous world events: the rise of Communism; the return of the Jewish people to Israel; and the first battle leading to Armageddon, waged in April, 2003, when America launched its military campaign in Iraq. Why the urgency? The time is very short. Look around and see: in the Land of the Euphrates in the European Union in the Middle East, with its Arab-Israeli conflict and in the developing situation with Iran. Then look at the Christian world today, part dead, part lukewarm, and part with a little power. In such a world, the Revelation to John is a clear, loud voice from God, calling for repentance and salvation. Those who ignore His voice do so at their peril, for whether or not they believe in the word of God or even in heaven itself the end-time events will affect everyone.

Trice, Sr. is Founder/Senior Pastor at True Deliverance Fellowship in Sarasota, Florida. His anointed message of healing and restoration transcends every culture, age, and denominational barriers. *Hidden from the Face of Humans* Susan Slack,2015-05-02 Who Killed the High Priestess Thermafi? Palace intrigue...sibling rivalries...mysticism...murder. Hidden From the Face of Humans is a sweeping epic that brings to vivid life the last native Egyptian dynasty of 400 BCE. Behind the banquets and the festivities, the world-changing battles and maneuvers, are the great powers of the day: the pharaohs of Egypt, Plato of Athens, Persian King Artaxerxes, and Spartan King Agesilaus. Moving serenely amidst the political turmoil is Thermafi, an Egyptian Priestess of Isis who, like the Magi of the Middle Eastern deserts and the oracles at Delphi, travels the ancient, timeless path of the unseen. Thermafi seeks no power for herself, but she is privy to the secrets of the powerful. As the beloved confidante of the pharaoh and revered teacher of the heirs to the Egyptian throne, Thermafi has hidden enemies-and someone wants her dead.A tour de force dramatizing actual events and characters, Hidden from the Face of Humans offers ingenious solutions to longtime historical mysteries-and a page-turning entertainment.

*The Greatest Secret Ever Hidden* Chester Sapino,2008 In 1972, sinister and dark forces invaded my life from a nonphysical realm causing great fear to grip my heart. This experience led me to undertake a detailed search and study over a 35 year period of ancient writings dealing with the spirit realm. During this time, I came to realize that there are two forces that we have to deal with in our lives on a continuous basis - namely the forces of good and evil. I also became aware of the fact that there are two forces called the truth and the false. Discerning the knowledge of the truth involved the construction of what I refer to in the book as the matrix of truth. The matrix can be looked upon as building blocks that a person establishes in their heart as they live out their life. In my quest for the truth, I uncovered The Greatest Secret Ever Hidden. Can you imagine a secret that has been veiled in secrecy for thousands of years being revealed in a flash of insight which is so remarkable as to totally boggle the mind? The question will be whether you have the tenacity and the ability to uncover, understand and live in The Greatest Secret Ever Hidden! Your belief system will be pushed to the wall as you read this book, and for you, it will be a matter of life and death, as you attempt to grapple with the

astounding truth revealed in The Greatest Secret Ever Hidden!

**Moses In Ancient Egypt & The Hidden Story Of The Bible** Richard Darlow, 2006-10 A non-fictional account explaining why the author believes Moses was a prince of Thebes called Ramose. Born c.1500 BC, Prince Ramose was heir to Pharaoh Thutmose III, being his Great Army Commander - both roles ascribed to Moses by Hebrew tradition. Moreover, Ramose & Moses both led victorious military campaigns against Ethiopia (Cush), then married the king's daughter, becoming Egypt's Viceroy there. A short time later, Prince Ramose was mysteriously struck out of Egyptian records, while the Bible hints Moses was cast into exile. Exploring some of the more esoteric aspects of the

prophet's life, this book finds threads firmly connecting him to Egypt's 18th Dynasty 3500 years ago... The book uncovers the Hermetic star knowledge (Astrology) which Moses gleaned from the White Brotherhood, a secretive Egyptian mystery school who met in the halls of Karnak. This knowledge was cryptically infused into the early Biblical scriptures, revealing the Israelite ancestors were once devoted Astrologers.
