Farts: A Spotter's Guide will help you pinpoint he (or she) who dealt it every time. This hilarious book identifies the habitat, range, voice, and field marks of ten common wind breakers, from the gentle hiss of the Silent-but-Deadly to the rip-roaring flatulation of the Seismic Blast. The attached battery powered fart machine reproduces each emanation in accurate sound. Grossly hip illustrations by the Fudge Factory's yes, you read that right Travis Millard depict the offenders and offendees in brilliant detail. Printed on durable card stock, this is pure, unbridled entertainment for the giggling child in all of us. Let 'er rip!

**How to Hold a Fart In** Don Henderson, 2017-03-13 You're on a date, sitting in math class, or just in a room full of people in a really quiet place and you feel the urge to pass gas. In an ideal world, you would be able to just run off and let the fart out of your system, but you may not always have the option. Sometimes, the only thing you can do is to hold in your fart to avoid embarrassment. So how do you do it? Have you ever suffered from gas during class or school? Remember that farting is not a sign of unhealthiness. It happens to everyone. Still, it's embarrassing. Follow these simple steps to try to cover up your fart. This book will answer your questions and show you the methods: How a fart works How to hold your fart for long periods of time How to stop your gut from making a whale sound from holding in a fart How to manage to fart when you start living together as a couple How to stop farting during sex ...and many more!

**Six Under After Five** Lowell Leffler, 2021-06-14 A humorous collection of short stories that will keep you turning the page Hop into the author's DeLorean and travel back to a simpler and less complicated time. A time when the most advanced technology included vinyl records, transistor radios, black and white TV, and the Drive-In movie theatre. No one ever told the inhabitants that small towns were supposed to be quiet, safe, and boring. The only limits were determined by our imaginations. While all of the events in Six Under After Five actually occurred, any of the stunts listed should only be attempted by a trained professional. The book is designed to be enjoyed 5 minutes at a time. The odds are you won't put it down after 5 minutes, but like Netflix, binging is optional. Each story can be read in the time it takes to drink a coffee, sit down for a rest, or even a quick trip to the washroom. Why You NEED to Own This Book 1. There are enough pages herein for two adults to last through 67 days of a toilet paper shortage. 2. Once on the New York Times Bestseller list, the price will undoubtedly double to \$1.49. 3. It is a proven cure for insomnia With all the complications of the modern world, we have forgotten how to laugh. Six Under After Five is a reminder to live life to the fullest and have some fun along the way.

**Who Cut the Cheese?** Jim Dawson, 2011-01-26 We've told you HOW TO SHIT IN THE WOODS. We've taken you UP SHIT CREEK. Now, we dare to ask the eternal question...WHO CUT THE CHEESE? Which is to say, what exactly is a fart? Why do we do it? Why do we hide it when we do it? And why do we find farts so darn funny? A cut above anything else on the subject, this book really lets go and tells all, getting to the bottom of these mysteries. Author Jim sniffs out a load of historical and scientific fart tales, then offers the kind of fun facts you'll be dying to let slip at social occasions, in chapters like Fart Facts That Aren't Just Hot Air, Gone with the Wind (on famous movie farts), and Le Petomane & the Art of the Fart (on the most famous windbag in history). From fact to fiction to frivolous flatulence, this book is unquestionably a ripping good read.

She had never even been inside a comedy club when she first stepped onto a stage, microphone in hand. But her emotionally revealing stand-up instantly won the hearts of her audience. Sarah's debut solo show at the famous Edinburgh Fringe Festival won her the 2008 if comedy Best Newcomer Award causing a stir among the seasoned reviewers and judges. With appearances on 8 out of 10 Cats, QI, Never Mind the Buzzcocks and Mock The Week quickly cementing her status as a household name, the country watched - and laughed - as her star continued to rise. **Sarah Millican - The Queen of Comedy: The Funniest Woman in Britain** Tina Campanella, 2017-09-07 Married and working as a civil servant in a job centre, Sarah Millican's life couldn't have been more ordinary just over a decade ago. However, after the sudden break-up of her marriage, she decided to try something new and sign up for a writing workshop. It was to mark the beginning one of comedy's greatest success stories. Growing up as a child of the Miners' Strike which caused immense financial hardship for her family and a victim of bullying, Sarah's early years were far from easy. She had always been clever and creative, but had never managed to find the outlet for it. It wasn't until her thirties that she was finally recognised in spectacular fashion, as she went on to win the Best Newcomer Award after the Edinburgh Fringe Festival in 2008. A few years later, her first DVD's sales broke all records for a female comedian. Odes for Commodes Jay Vader, 2022-01-07 This book is 95 percent comedy. The remaining poems are serious in nature. The serious ones are about people who have touched my life. I have not been able to read them in front of people without tearing up. The funny poems are a different story. Some of them have hidden comedy. Some of the jokes you heard in high school may appear in this book. I was and I am always looking for new material. Some of the odes are based upon a true set of facts that happened to people I know. Some of them could be offensive to certain people. For that I apologize. I enjoyed rewriting and editing these poems. That usually happens two months or so later. By that time I had forgotten what I had written. Finally, I'd like to apologize to real poets for referring to my creations as "poems." Enjoy

**Like Farts in a Whirlwind** Tony Farley, 2010-08 When I was growing up, Sesame Street had only made it to the letter, C. There were no purple dinosaurs on television either. The only prehistoric creatures we got to watch on the two channels we received were the ones that were chasing Raquel Welch around while she was dressed in that skimpy animal-hide costume of hers. Don't think that I'm complaining about this. Trust me, watching Raquel was far more educational. Our television choices were limited, and there were no personal computers or video games back then either. For years, I thought a joy stick was the switch that brought a big smile to my mother's face every time she used it to wear out my rear-end. Like Farts in a Whirlwind is a humorous look back at some of the things that made my mother have to grab that switch. This book is not a nostalgic walk down memory lane. It's more like trampling through the flower beds of my mind. Every time I tell someone about the things we did in Vienna, I always receive the same three responses. First, I get a look of total bewilderment, which is followed by three or four vigorous head shakes, and then I hear, You should write a book about that Well, that's what I've done, and I hope you have as much fun reading these stories as I had living and writing them. Tony Farley is a life-long resident of the Vienna area. He is a graduate of Louisiana Tech University, and the owner of Vienna Motors, which sits at the epicenter of most of the stories in his book.

**The Hidden War** Michael Armstrong, 2001-05-15 Thanks to the wonder of the hide,

no one starves or freezes or gets sick on the perfect worlds of the Solarian Alliance. Like a synthetic skin, the hide protects and heals, and can transform people into anything they want to be. Nothing threatens this utopian existence until an extraterrestrial message of unspeakable horror is received. An evil race terrorizes the galaxy, and it's coming toward Earth. . . .Into this world, the Solarian Alliance frees Krim, the last survivor of the Beat asteroid known as the Jack and a prisoner since he saw his world vanish into that strange other space known as Ur. Disgusted with this utopia, Krim enlists in a distant fight at the edge of the solar system, the battle no one on Earth may know about, lest it disrupt their perfect peace . . . the Hidden War.

**Catch That and Paint it Purple: A Complete Guide to Farting** P. J. Whitehill,2008-07-17 This is the only book on the subject of farting you will ever need - or probably want. Farts are a fascinating phenomenon on many levels. A fart can be funny, repulsive, embarrassing, rude, or even dastardly (in the case of a silent one). Farts can also provoke a variety of reactions. Some will laugh, some will be indignant, and other people will simply stop coming around. But the undeniable truth about farting is that everybody does it. Yes, even women.

*The Art of the Fart* Steve Bryant,2004-12 For those who delight in the rude, who have fun with the foul, nothing could be more entertaining than this unique look at the world's most embarrassing sound and aroma. Illustrated with hilariously subtitled images from silent and other movies, it offers pure, unadulterated amusement. Peruse the 2,000-word glossary of various "farts" and "farters." Find out about Farts in History, and how they changed the world. "The Way of the Third Eye" provides a religious and martial arts guide to farting prowess. To fart or not to fart: that is the question, and a "social directory" answers it. Top Twenty lists present the best fart-related films, books, and songs. Interspersed throughout are boxes featuring facts, quotes, and real-life farters such as Mr. Methane.

*A Hebrew and English Lexicon of the Old Testament* Wilhelm Gesenius,1894

*The History of Farting* Benjamin Bart,2013-04-26 This is a collection of papers from the Bart Collection on the history of farting. The collection was started by Benjamin Bart on discovering several papers in his grandmother Emily's cedar chest, and are available with the help of the Australian Literature Council. The book encompasses all aspects of the history of farting, from the place of farts in culture through the ages to an A-Z of classic farts. Also included are sections on Le Petomane, France's greatest farter whose performances impressed Le Moulin Rouge, and on the Farta from Sparta, the old rugby club favourite immortalized in 12-verse epic limerick.
