Hindi Flashcards ,2010-06-04 Hindi Flashcards are designed to help students of all ages learn to READ & Write in Hindi. Hindi Flashcards teach Hindi alphabets, vocabulary and word formation. These cards teach alphabet recognition, sound association, vocabulary building, and gender classification via Roman transliteration, pictorial association and color coding.Children love the hide and seek game of finding the letters hidden in each picture. They find it easier to memorize alphabet sounds, recognize Hindi alphabet shapes and write the Devanagari script when using these flashcards. The cards come in a durable, clear, water proof, plastic carrying case and are a great reference tool for adults as well.

Hindi Flash Cards Ebook Richard Delacy,2020-01-14 Hindi is the national language of India, one of the worlds largest and fastest growing countries! Flash cards are an excellent language learning tool. This comprehensive set of flash cards is designed for students, travelers and anyone who wants to learn Hindi. This is one of the best ways to learn to read and recognize Hindi words, learn new vocabulary and review and reinforce what you know already. The Hindi Flash Cards has a full range of features designed to help beginning and intermediate learners. Key Features of Hindi Flash Cards include: Contains 300 flash cards featuring the most common Hindi words and phrases. Each card has one main vocabulary item plus four other related items. Frequently-used idioms are also given. This set of cards contains over 1,500 words and phrases! Sample Hindi sentences are provided for each main word (in both Hindi script and romanized form) showing you how it is used, with English translations. A study guide is included explaining how to use the cards for effective language learning. Downloadable audio with native speaker pronunciations.

Hindi Flashcards Flashcardo, This ebook contains all flashcards from our website, one every two pages. It is ideal for beginners and intermediate learners to acquire some of the most important initial words that make up the majority of everyday conversation. Various features like bidirectional listing make this flashcard ebook the perfect tool on your ebook reader to boost your language skills. This ebook is split into 4 chapters and contains a total of around 2000 vocabularies which you can also find on our website. Each of the words covers two pages. Page one represents the question in the form of the vocabulary you should translate. Page two delivers the answer with translation and additional information for that word if needed. To learn the vocabularies, simply go from page to page and study the words one by one. The 4 chapters in the book contain 2 sets of vocabularies, once learned from English to Hindi (chapter 1 and 2), and after that from Hindi to English (chapter 3 and 4). Within that, the first chapter has vocabularies ordered by topic whilst the second chapter has 1000 of the most common vocabularies you need to learn ordered by how often they are used in daily conversations. In addition to using this ebook, you can also go to our website and use the flashcards there to learn and test yourself. The most important part of using flashcards successfully is to use them daily. Studying 100 words a day every day of a week will have a much bigger impact than studying 700 words once a week. Once you know most words in a chapter, write down the ones you still have trouble with and concentrate on those few words several times a day. Once you have moved on to a later chapter, it is also good practice to come back to early chapters from time to time to make sure the easier words are still in your memory. Over time, you will figure out what works best for you. Good luck!

A Primer of Modern Standard Hindi Michael C. Shapiro, 1989 This primer presents a systematic introduction to the structure of Modern Standard Hindi. It is intended to provide the student with a thorough foundation in the grammatical structure of that variety of Hindi that is commonly taught in Indian schools and that is the common vehicle of publication in Hindi. Although much emphasis is placed on the written language, discussion is also provided of aspects of conversational Hindi. The core of the work contains thirty on chapters. The first four offer discussions of the linguistic status of Hindi as well as comprehensive descriptions of Hindi phonetics and the Devanagari syllabary in which Hindi is written. Chapters 5 through 31 each contains descriptions of fundamental aspects of Hindi grammar. These chapters have extensive translation and grammatical exercises appended to them. The work as a whole introduces a core vocabulary of approximately fifteen hundred entries, incorporating lexical items found on most standard elementary word lists for the language. Supplemental materials in this book include graded reading passages, a guide to further study in Hindi, and Hindi English glossary. Although the Devanagari syllabary is used throughout the book, Roman transliteration is also provided through Chapter 15. A Primer of Modern Standard Hindi can be used in several different ways. It can be used as part of a university-level course as a text for Hindi grammar and writing. As such it will nicely supplement other materials addressing more conversational aspects of the language. It can also be used for self-study purposes by the student who does not have access to a formal instructional program.
