Translation exercises from Hindi into English and vice versa. Reading practice passages. And more!

Beginning Hindi Joshua H. Pien, Fauzia Farooqui, 2014-05-01 eTextbooks are now available through VitalSource.com! Beginning Hindi is a complete first-year language textbook designed to help learners acquire the language by actively using it in realistic situations. The book and its accompanying audio files on CD contain all that is needed to complete one full year of study, including clear explanations of language structures; useful, fun, and engaging activities; and an organizational format that makes it easy to chart student progress. Beginning Hindi parallels the authors' textbook Beginning Urdu and can be used side-by-side with it in classrooms that teach both languages in the same course. This is a fun, engaging, and well-tested approach to learning Hindi. FEATURES· Develops all four skills—listening, speaking, reading, writing—through a wide range of tasks and activities, including role-plays, games, and short conversations.· Alongside Beginning Urdu, can support parallel instruction of both Hindi and Urdu in a single classroom.· Includes 41 chapters in eight units, organized around functional themes such as home and family, everyday life, the marketplace, personal responsibilities, and travel.· Can be used as a first-year, class-based textbook or a tool for independent study.· Provides a review for each unit that includes review activities, tips for increasing fluency, and sets of questions to help personalize learning.· Introduces grammar in a straightforward and practical way that is integrated with practical uses.· Includes an English-Hindi and Hindi-English glossary.· Contains an appendix of advanced grammar.· Includes common idiomatic expressions and proverbs in each unit. A list of Bollywood film songs to go with each unit is also included.

My First Book of Hindi Words Rina Singh, 2016-08-02 My First Book of Hindi Words is a beautifully illustrated book that introduces young children to Hindi language and Indian culture through everyday words. Organized as an ABC rhyming book, My First Book of Hindi Words incorporates common Hindi words into charming English-language rhymes, beginning with: A is for akash. A sky so blue where little birds fly and big planes, too, and on through Z is for zukhaam. Achoo! I sneeze. I must have a cold. Mama, hug me please! Winsome, full-color pictures illustrate each word and allow even very young readers to make their first foray into India's official language. A helpful glossary at the end makes it easy for readers—including parents and teachers—to review what they've learned! With the help of this book, we hope more children (and adults) will soon be a part of the 300 million people worldwide that speak Hindi!

Learn Hindi: Sentence Structure Made Easy, 2017-09-20 Learn Hindi: Sentence Structure Made Easy is the essential guide to learning Hindi for beginners. This book is a step by step course designed specifically for learners who are from an English speaking background. The main emphasis throughout the book is word order. It is vital for an English speaking person who wants to learn Hindi to focus not only on pronunciation and vocabulary but also on learning how to order those new words into a sentence. The explanation of grammar is simple and easy to understand. Each lesson builds on the previous lesson in a logical order and provides practical exercises so that the student can immediately apply what is being taught.

A Primer of Modern Standard Hindi Michael C. Shapiro, 1989 This primer presents a systematic introduction to the structure of Modern Standard Hindi. It is intended to provide the student with a thorough foundation in the grammatical structure of that variety of Hindi that is commonly taught in Indian schools and that is the common vehicle of publication in Hindi. Although much emphasis is placed on the written language, discussion is also provided of aspects of conversational Hindi. The core of the work contains thirty on chapters. The first four offer discussions of the linguistic status of Hindi as well as comprehensive descriptions of Hindi phonetics and the Devanagari syllabary in which Hindi is written. Chapters 5 through 31 each contains descriptions of fundamental aspects of Hindi grammar. These chapters have extensive translation and grammatical exercises appended to them. The work as a whole introduces a core vocabulary of approximately fifteen hundred entries, incorporating lexical items found on most standard elementary word lists for the language. Supplemental materials in this book include graded reading passages, a guide to further study in Hindi, and Hindi English glossary. Although the Devanagari syllabary is used throughout the book, Roman transliteration is also provided through Chapter 15. A Primer of Modern Standard Hindi can be used in several different ways. It can be used as part of a university-level course as a text for Hindi grammar and writing. As such it will nicely supplement other materials addressing more conversational aspects of the language. It can also be used for self-study purposes by the student who does not have access to a formal instructional program.

Colloquial Hindi Tej K Bhatia, 2015-08-14 Colloquial Hindi: The Complete Course for Beginners has been carefully developed by an experienced teacher to provide a step-by-step course to Hindi as it is written and spoken today. Combining a clear, practical and accessible style with a methodical and thorough treatment of the language, it equips learners with the essential skills needed to communicate confidently and effectively in Hindi in a broad range of situations. No prior knowledge of the language is required. Colloquial Hindi is exceptional; each unit presents a wealth of grammatical points that are reinforced with a wide range of exercises for regular practice. A full answer key, a grammar summary, bilingual glossaries and English translations of dialogues can be found at the back as well as useful vocabulary lists throughout. Key features include: A clear, user-friendly format designed to help learners progressively build up their speaking, listening, reading and writing skills Jargon-free, succinct and clearly structured explanations of grammar An extensive range of focused and dynamic supportive exercises Realistic and entertaining dialogues covering a broad

variety of narrative situations Helpful cultural points An overview of the sounds of Hindi Balanced, comprehensive and rewarding, Colloquial Hindi is an indispensable resource both for independent learners and students taking courses in Hindi. Audio material to accompany the course is available to download free in MP3 format from www.routledge.com/cw/colloquials. Recorded by native speakers, the audio material features the dialogues and texts from the book and will help develop your listening and pronunciation skills.

Encyclopaedia of Hindi Cinema Gulazāra, Govind Nihalani, Saibal Chatterjee, 2003 The Encyclopaedia Which Brings Together An Array Of Experts, Gives A Perspective On The Fascinating Journey Of Hindi Cinema From The Turn Of The Last Century To Becoming A Leader In The World Of Celluloid.

Tracing the Boundaries between Hindi and Urdu Christine Everaert, 2009-12-07 This book provides an inside into the complex relationship between Hindi and Urdu. A comparison of 20th century short stories that were published in both Hindi and Urdu are used as a basis to define the boundaries between both languages.

Hindi Nationalism (tracks for the Times) Alok Rai, 2001 This tract looks at the politics of language in India through a study of the history of one language Hindi. It traces the tragic metamorphosis of this language over the last century, from a creative, dynamic, popular language to a dead, Sanskritised, dePersianised language manufactured by a self-serving upper caste North Indian elite, nurturing hegemonic ambitions. From being a symbol of collective imagination it became a signifier of narrow sectarianism and regional chauvinism. The tract shows how this transformation of the language was tied up with the politics of communalism and regionalism.

Hindi, 1985

First Hindi Reader for Beginners Abbas Kumar, 2019-06-24 The book consists of Beginner and Elementary courses with parallel Hindi-English texts. The author maintains learners' motivation with funny stories about real life situations such as meeting people, studying, job searches, working etc. The ALARM method utilize natural human ability to remember words used in texts repeatedly and systematically. The author composed each chapter using only words explained in previous chapters. The second and the following chapters of the Beginner course have only about thirty new words each. The book is equipped with the audio tracks. The address of the home page of the book on the Internet, where audio files are available for listening and downloading, is listed at the beginning of the book on the copyright page.

Learn Hindi in 30 Days Through English Krishna Gopal Vikal, 2021-03-26 An easy Hindi self-instructor, this book has been written in such a way that anyone could easily learn Hindi through the medium of English.

Hindi Vocabulary Book Pinhok Languages, 2022-05-01 Hindi vocabulary book + Hindi dictionary This Hindi vocabulary book contains more than 3000 words and phrases which are grouped by topic to make it easier for you to pick what to learn first. On top of that, the index in the second half of the book provides you with a basic Hindi-English as well as English-Hindi dictionary which makes this a great resource for learners of all levels. What you can expect from this book: This Hindi learning resource is a combination of Hindi vocabulary book and a two-way basic Hindi dictionary: Part 1 - Topic based Hindi vocabulary book: This is the main part of the book and represents a list of chapters each containing Hindi vocabularies for a certain topic. The Hindi vocabularies in the chapters are unsorted on purpose to separate

remembering them from a defined alphabetical order. You can start at any chapter and dive directly into the topics that interest you the most. Part 2 - Basic English-Hindi dictionary: The index in the second half of the book can be used as a basic Hindi dictionary to look up words you have learned but can't remember or learn new words you need. Part 3 - Basic Hindi-English dictionary: Easy to use and with just the right amount of words, this third part finishes off with a second index that allows you to look for Hindi words and directly find the English translation. How to use this Hindi vocabulary book: Not sure where to start? We suggest you first work your way through the verbs, adjectives and phrases chapters in part one of the book. This will give you a great base for further studying and already enough vocabulary for basic communication. The Hindi dictionaries in part two and three can be used whenever needed to look up words you hear on the street, English words you want to know the Hindi translation for or simply to learn some new words. Some final thoughts: Vocabulary books have been around for centuries and as with so many things that have been around for some time, they are not very fashionable and a bit boring, but they usually work very well. Together with the basic Hindi dictionary parts, this vocabulary book is a great resource to support you throughout the process of learning Hindi and comes in particularly handy at times when there is no internet to look up words and phrases.

The Student's Grammar of the Hindi Language W. Etherington, 2020-05-10
Reprint of the original, first published in 1870.

Hindi as a Second and Foreign Language Shiv-Kumar Singh, Gaurav Kumar, 2021-11-01 This book will be helpful to teachers and learners of Hindi who want to understand better ways of teaching and learning Hindi as a foreign language. With the ever-increasing number of Hindi learners across the globe, particularly in Europe, it has become necessary to customise the teaching methods to the particular needs of learners, highlighting the relevant areas that need more attention. For researchers of second language acquisition, the book provides ample information on various previous studies and demarcates areas of further research as well. Overall, it is a must-read for learners, researchers and teachers of Hindi as a foreign language.

ENGLISH - HINDI DICTIONARY (POCKET SIZE) V&S EDITORIAL BOARD, 2015-01-09
This English-Hindi-Dictionary will fulfil the academic and writing requirements of students, researchers, scholars, translators, educationists, and writers. For improved usefulness, 'Words or Terms' have been drawn from literature, science, geography, commerce & business etc. 'Words or Terms' come tagged with explanatory meaning in Hindi alone but with a sentence in English only, for clear understanding for use in speaking or writing. Terms have been serialized in Alphabetical order, i.e., A-Z for ease in searching. Terms carry meaning in English and Hindi. To the extent possible, 'Words or Terms' used in common parlance have been included, avoiding less frequent ones. In the Appendices section, body parts, common ailments, apparel, cereals, fruit & vegetables, herbs & spices, and household items etc have been included for additional reference giving an added touch of comprehensiveness. This dictionary will prove useful for student community besides others such as, educationists, writers, translators and common man.
