

# Hinduism

Bruce M. Sullivan

**An Introduction to Hinduism** Gavin D. Flood,1996-07-13 This book provides a much-needed thematic and historical introduction to Hinduism, the religion of the majority of people in India. Dr Flood traces the development of Hindu traditions from their ancient origins, through the major deities of Visnu, Siva and the Goddess, to the modern world. Hinduism is discussed as both a global religion and a form of nationalism. Emphasis is given to the tantric traditions, which have been so influential; to Hindu ritual, which is more fundamental to the life of the religion than are specific beliefs or doctrines; and to Dravidian influences from south India. An Introduction to Hinduism examines the ideas of dharma, particularly in relation to the ideology of kingship, caste and world renunciation. Dr Flood also introduces some debates within contemporary scholarship about the nature of Hinduism. It is suitable both for the student and for the general reader.

**The A to Z of Hinduism** Bruce M. Sullivan,2001 With a history of over three and a half millennia, and over 800 million adherents, Hinduism is one of the world's largest and most diverse religious traditions. This book presents the Hindu religious tradition's major events, individuals, texts, sects, and concepts in the context of its historical development through various periods. In addition, sacred Hindu pilgrimage sites, the rituals performed as religious practices, the manifestations of Hindu religious sensibilities in biography, art, the caste system of social organization, mythology, and the theories of salvation developed through the history of Hinduism are also presented. A pronunciation guide to Sanskrit and Tamil, and a chronology of the history of Hinduism are included.

**Hindus** Julius Lipner,2010 First Published in 2009. Routledge is an imprint of Taylor & Francis, an informa company.

**Hinduism** James B. Robinson,2009 Discusses the historical origins, teachings, practices, persecution, spread, and challenges of the world's third largest religion, Hinduism.

**A Survey of Hinduism** Klaus K. Klostermaier,1989-01-01 This book provides a comprehensive survey of the Hindu tradition, dealing with the history of Hindusim, the sacred writings of the Hindus, the Hindu worldview, and the specifics of the major branches of Hindusim--Vaisnavism, S aivism, and S aktism. It also focuses on the geographical ties of Hinduism with the land of India, the social order created by Hinduism, and the various systems of Hindu philosophio-theological thought. Klostermaier describes the new development of Hinduism in the 19th and 20th centuries, including present-day political Hinduism and the efforts to turn Hinduism into a modern-world religion. A unique feature of this book is its treatment of Hinduism in a topical fashion, rather than by chronological description of the development of Hinduism or by summary of the literature. The complexities of Hindu life and thought are thus made real to the reader. Hindus will recognize it as their own tradition. A glossary and a chronological table are useful additional features.

**Introducing Hinduism** Hillary P. Rodrigues,2023-01-06 Introducing Hinduism, 2nd Edition is the ideal sourcebook for those seeking a comprehensive overview of the Hindu tradition. This second edition includes substantial treatments of Tantra, South India, and women, as well as expanded discussions of yoga, Vedanta and contemporary configurations of Hinduism in the West. Its lively presentation features: case studies, photographs, and scenarios that invite the reader into the lived world of Hinduism; introductory summaries, key points, discussion questions, and recommended reading lists at the end of each chapter; narrative summaries of the great epics and other renowned Hindu myths and lucid explanations of complex Indian philosophical teachings, including Sankhya and Kashmir Saivism; and a glossary, timeline, and pronunciation guide for an enhanced learning experience. This volume is an invaluable resource for students in need of an introduction to the key tenets and diverse practice of Hinduism, past and present.

**Hinduism** Hillary P. Rodrigues,2020-10-11 An introduction to Hinduism, covering its History, Beliefs, Structure, and Practices. Richly illustrated with colourful photos, illustrations, maps and charts, as well as audio files and a selection of relevant ancient texts. This eBook provides a solid jargon-free introduction to Hinduism for college-level classes or for any reader seeking a neutral presentation of Hinduism by an author who has taught extensively in the field for over three decades.

**Hinduism** Dinesh Chandra,2016-03-05 This book is, thus, an effort to compile the history, development and the basic tenets of Hinduism which guide the way of life of one fifth of humanity on earth. Effort has been made to include only the basic information that has helped a Hindu to choose a desired path from amongst the many that have been lighted up by Hindu sages to achieve their goal, that of attaining 'Moksha' or 'Mukti', which means that he or she obtains relief from the cycle of birth and death through good Karmas. This is the central precept of Hinduism. Interaction with people in foreign countries, other than Hindus, reveals that they have little knowledge about Hinduism. It is learnt that British schools have a period or two, in class eight, to deal with all religions which is obviously insufficient to make a child of that age to even understand the actual meaning of the word religion. Hindus who migrated abroad from India at a young age and those who were born abroad, except for Mauritius and Fiji islands where Hindus have lived as a cohesive community for over a century, and those who have continued to maintain their links with their original faith, many have started losing touch with the basics of their religion. Generally, there is a perceptible lack of authentic knowledge about the beginnings of Hindu religion and its evolution over the ages into what it represents today.

**A SEARCH IN SECRET(SACRED)HINDUISM** t.s.viswanathan,2014-06-16 An Introduction: The purpose of writing the book is to provide a brief idea and knowledge about the various Vedic religious, rituals, practices,science, mathematics, beliefs prevalent in Hinduism. In short, to reveal the secrets of Hinduism. In India one should know that there were the intellectuals like rishis and saints and also tribals. The rishis and seers gave the written form of Vedas, Vedangas, languages, sciences, and all forms of knowledge. Sages and seers developed all faculties for Human knowledge, right from medicine to maths, philosophy, physics, astronomy and so on. The concept of re incarnation was one of the highest secrets of Hinduism and followed subsequently by other eastern religions.Though all were in pure Sanskrit it formed the base for the entire world to accelerate their development in all spheres of life. These were all introduced by seers in India through spirituality obtained from incessant meditation. The core practice is meditation. Since tribals living in India were accepted into the Hindu fold their practice still continues though reforms by Shankaracharya had its impact. These tribal practices were commonly criticized as a practice of Hinduism by westerners and other foreigners which is not true. Hinduism allowed their system also to flourish without much intervention. This book shall serve as an eye opener to all especially the younger generation who in the midst of their busy work may not have sufficient time to go deep into the Vedas and realize them. In whatever permissible context I have quoted the relevant portions of the Vedas and other texts to substantiate the authority of the writing. This book has also been written keeping in mind the innumerable NRI families and other foreigners belonging to various religions and cultures, across the globe, who would like to know about Hinduism and its secrets , and who at the same time have not been much exposed to its vast culture. Attempt has been made to analyse every topic to its semantics and explain to the reader for his understanding. Though India is divided by its language it is united by its culture which is Hinduism. However it must be noted that all Indian languages have their base in Sanskrit.The culture of religion was introduced by those ancient seers through epics, puranas emanating from the Vedas. Thus this culture is being experienced by the people in India called as Hindus. Hinduism has been a very tolerant society and over a period of civilizations has assimilated and welcomed many diverse cultures. Hinduism is not a religion in the strict modern sense, but is a composite culture. People living on the other side of river Sindhu were called as Hindus by the Persians (modern Iran) as they shared a common border with the ancient India (now in the region of West Pakistan). In the ancient Persian language they did not have phonetics or syllable for "sa or saa", hence instead of being called as Sindhus they called as Hindus. "The swastika the early symbol of Hinduism has been widely found in Neolithic European ruins during the past two centuries of archaeological excavations. This has convinced scholars during Past and present that prehistoric Europeans practiced an early form of Hinduism with high spiritual concepts of eternal soul, transmigration, karma, yoga, the third eye and the Nirvana" says Richard Cassaro, Journalist and speaker. Most of us living in the modern age, especially the younger generation , would not have a holistic idea of the practices, science and technology prevalent in this culture especially from vedic times, and therefore this book is an attempt to impart and reveal in a nutshell of the wide beneficial practices prevalent in this ancient culture for the welfare of Humanity.

**The Life of Hinduism** John Stratton Hawley,Vasudha Narayanan,2006-12-04 The Life of Hinduism brings together a series of essays—many recognized as classics in the field—that present Hinduism as a vibrant, truly lived religion. Celebrating the diversity for which Hinduism is known, this

volume begins its journey in the new India of Bangalore, India's Silicon Valley, where global connections and local traditions rub shoulders daily. Readers are then offered a glimpse into the multifaceted world of Hindu worship, life-cycle rites, festivals, performances, gurus, and castes. The book's final sections deal with the Hinduism that is emerging in diasporic North America and with issues of identity that face Hindus in India and around the world: militancy versus tolerance and the struggle between owning one's own religion and sharing it with others. Contributors: Andrew Abbott, Michael Burawoy, Patricia Hill Collins, Barbara Ehrenreich, Evelyn Nakano Glenn, Sharon Hays, Douglas Massey, Joya Misra, Orlando Patterson, Frances Fox Piven, Lynn Smith-Lovin, Judith Stacey, Arthur Stinchcombe, Alain Touraine, Immanuel Wallerstein, William Julius Wilson, Robert Zussman

**Hinduism And Brotherhood** Dr Srinivasan Gandhi, 2018-09-05 Congratulations and all the best Dr Srinivasan Gandhi for your wonderful book Hinduism and Brotherhood - Dr Sashi Tharoor The feelings, beliefs and customs of brotherhood among the Hindus represents a unique system of its own, the principles of which are not found in the same measure in any other social system of the world. Hinduism involves expressive and symbolic performances, religious utterances and theological gestures about brotherhood. The feelings of brotherhood represent the basic ideals of the Hindu religion and their beliefs, though they may vary from region to region, and are aimed to secure all religious people and the developments of the security feeling of the recipient. This illustrated book familiarizes with cooperation and collaboration of all social systems of people such as the way of life, education, economic system, relation to the daily way of common life, from creation to cremation, and will be of great knowledge for the readers of all religions for mutual understanding about the brotherhood.

**The Hindus** Wendy Doniger, 2010-09-30 An engrossing and definitive narrative account of history and myth that offers a new way of understanding one of the world's oldest major religions, The Hindus elucidates the relationship between recorded history and imaginary worlds. Hinduism does not lend itself easily to a strictly chronological account: many of its central texts cannot be reliably dated even within a century; its central tenets karma, dharma, to name just two arise at particular moments in Indian history and differ in each era, between genders, and caste to caste; and what is shared among Hindus is overwhelmingly outnumbered by the things that are unique to one group or another. Yet the greatness of Hinduism - its vitality, its earthiness, its vividness - lies precisely in many of those idiosyncratic qualities that continue to inspire debate today. Wendy Doniger is one of the foremost scholars of Hinduism in the world. With her inimitable insight and expertise Doniger illuminates those moments within the tradition that resist forces that would standardize or establish a canon. Without reversing or misrepresenting the historical hierarchies, she reveals how Sanskrit and vernacular sources are rich in knowledge of and compassion toward women and lower castes; how they debate tensions surrounding religion, violence, and tolerance; and how animals are the key to important shifts in attitudes toward different social classes. The Hindus brings a fascinating multiplicity of actors and stories to the stage to show how brilliant and creative thinkers - many of them far removed from Brahmin authors of Sanskrit texts - have kept Hinduism alive in ways that other scholars have not fully explored. In this unique and authoritative account, debates about Hindu traditions become platforms from which to consider the ironies, and overlooked epiphanies, of history.

**Hinduism For Dummies** Amrutur V. Srinivasan, 2011-07-12 Your hands-on guide to one of the world's major religions The dominant religion of India, Hinduism refers to a wide variety of religious traditions and philosophies that have developed over thousands of years. Today, the United States is home to approximately one million Hindus. If you've heard of this ancient religion and are looking for a reference that explains the intricacies of the customs, practices, and teachings of this ancient spiritual system, Hinduism For Dummies is for you! Provides a thorough introduction to this earliest and popular world belief system Information on the rites, rituals, deities, and teachings associated with the practice of Hinduism Explores the history and teachings of the Vedas, Brahmins, and Upanishads Offers insight into the modern daily practice of Hinduism around the world Continuing the Dummies tradition of making the world's religions engaging and accessible to everyone, Hinduism For Dummies is your hands-on, friendly guide to this fascinating religion.

**A Survey of Hinduism** Klaus K. Klostermaier, 2010-03-10 The third edition of this well-regarded introduction to Hinduism adds new material on the religion's origins, on its relations with rival traditions, and on Hindu science.

**Historical Dictionary of Hinduism** Bruce M. Sullivan, 1997 Presents the Hindu religious tradition's major events, individuals, texts, sects, and concepts in the context of its historical development through various periods.

**On Hinduism** Wendy Doniger, 2014-02-03 In this magisterial volume of essays, Wendy Doniger enhances our understanding of the ancient and complex religion to which she has devoted herself for half a century. This series of interconnected essays and lectures surveys the most critically important and hotly contested issues in Hinduism over 3,500 years, from the ancient time of the Vedas to the present day. The essays contemplate the nature of Hinduism; Hindu concepts of divinity; attitudes concerning gender, control, and desire; the question of reality and illusion; and the impermanent and the eternal in the two great Sanskrit epics, the Ramayana and the Mahabharata. Among the questions Doniger considers are: Are Hindus monotheists or polytheists? How can atheists be Hindu, and how can unrepentant Hindu sinners find salvation? Why have Hindus devoted so much attention to the psychology of addiction? What does the significance of dogs and cows tell us about Hinduism? How have Hindu concepts of death, rebirth, and karma changed over the course of history? How and why does a pluralistic faith, remarkable for its intellectual tolerance, foster religious intolerance? Doniger concludes with four concise autobiographical essays in which she reflects on her lifetime of scholarship, Hindu criticism of her work, and the influence of Hinduism on her own philosophy of life. On Hinduism is the culmination of over forty years of scholarship from a renowned expert on one of the world's great faiths.

**Understanding Hinduism** KANDIAH SIVALOGANATHAN, 2020-10-19 This book attempts to provide answers to questions such as: Who is a Hindu? • What is Hinduism? • Why do Hindus pray to different deities? • What is the power of prayer and mantras? • What do Hindus mean by karma, creation and reincarnation? • How is Hinduism connected to nature and science? In today's world, when everyone is too busy to read and understand their religion, this book provides a basic, simple reference to understand the fundamental concept of Hinduism as what is Hinduism? This book has been written in a very simple, readable language to arouse the readers' interest in spirituality, regardless of their age.

**Everyday Hinduism** Joyce Burkhalter Flueckiger, 2015-02-19 This innovative introductory textbook explores the central practices and beliefs of Hinduism through contemporary, everyday practice. Introduces and contextualizes the rituals, festivals and everyday lived experiences of Hinduism in text and images Includes data from the author's own extensive ethnographic fieldwork in central India (Chhattisgarh), the Deccan Plateau (Hyderabad), and South India (Tirupati) Features coverage of Hindu diasporas, including a study of the Hindu community in Atlanta, Georgia Each chapter includes case study examples of specific topics related to the practice of Hinduism framed by introductory and contextual material

**Hinduism: A Very Short Introduction** Kim Knott, 2016-02-25 Hinduism is practised by nearly eighty per cent of India's population, and by some seventy million people outside India. In this Very Short Introduction, Kim Knott offers a succinct and authoritative overview of this major religion, and analyses the challenges facing it in the twenty-first century. She discusses key preoccupations of Hinduism such as the centrality of the Veda as religious texts, the role of Brahmins, gurus, and storytellers in the transmission of divine truths, and the cultural and moral importance of epics such as the Ramayana. In this second edition Knott considers the impact of changes in technology and the flourishing of social media on Hinduism, and looks at the presence of Hinduism in popular culture, considering pieces such as Sita Sings the Blues. She also analyses recent developments in India, and the impact issues such as Hindu nationalism and the politicization of Hinduism have on Hindus worldwide. ABOUT THE SERIES: The Very Short Introductions series from Oxford University Press contains hundreds of titles in almost every subject area. These pocket-sized books are the perfect way to get ahead in a new subject quickly. Our expert authors combine facts, analysis, perspective, new ideas, and enthusiasm to make interesting and challenging topics highly readable.

**Modern Hinduism** William Joseph Wilkins, 1887

**Hinduism Introduction**

In the digital age, access to information has become easier than ever before. The ability to download Hinduism has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Hinduism has opened up a world of possibilities. Downloading Hinduism provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Hinduism has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited

financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Hinduism. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Hinduism. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Hinduism, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Hinduism has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

**FAQs About Hinduism Books**

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Hinduism is one of the best book in our library for free trial. We provide copy of Hinduism in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Hinduism. Where to download Hinduism online for free? Are you looking for Hinduism PDF? This is definitely going to save you time and cash in something you should think about.
