*Balanced Christianity* John Stott,2013-11-21 Christians tend to polarize. Some have an intellectual faith, while others are more emotional. Some focus on structure while others focus on freedom. And some champion evangelism while others advocate for social action. John Stott's classic statement of balanced Christianity shows how we can hold these tensions together in biblical, faithful ways. Also includes an interview with John Stott with further reflections on the need for balance in contemporary evangelical Christianity.

The Normal Christian Church Life Watchman Nee,1993-05-01 The Normal Christian Church Life is a record of messages given during conferences held in Shanghai and Hankow. Watchman Nee spoke to his fellow workers on the principles in the New Testament concerning the practical arrangement of the churches, the ministry, and the work. In his speaking, he honestly examined his own work before the Lord in the light of these principles, provided adjustment and encouragement to his co-workers, and confirmed through personal testimony that the practice of the normal Christian church life revealed in the New Testament can be recovered.

*Heaven Is a World of Love* Jonathan Edwards, 2020-10-02 Of the many good gifts the Lord has given his church on earth, none exceeds that of his love. The things of this earth are temporary, but love never ends (1 Cor. 13:8)—it is a present taste of future glory, made available through communion with the Holy Spirit. In this classic work, *Heaven Is a World of Love*, New England pastor Jonathan Edwards encourages Christians struggling through the imperfect life here on earth to experience the perfect love of God through an exposition of the biblical foundations for the cause of God's love, the objects of God's love, the enjoyment of God's love, and the fruits of God's love. Each page of pastoral insight will leave readers hungry to experience more of God.

Drawing Near John MacArthur, 2002-02-28 Like newborn babes, long for the pure milk of the word, that by it you may grow in respect to salvation. 1 Peter 2:2 It's a fact of life: our health declines if we don't nourish our bodies every day with food and water. That's true physically. It's true spiritually as well. If we neglect to regularly feed our souls on the Holy Scriptures, our faith becomes weak and we start to lose touch with our Savior. Growth is stifled... if it happens at all. Drawing Near, used daily in combination with God's Holy Word, can not only help bring you closer to God but also keep you from spiritual stagnation. This book will guide you in a growing relationship with Him. As Pastor MacArthur says in his Introduction: Our entertainment-conscious, quick-fix, fast-food society does everything it can to divert us from setting aside time to study God's Word. As you well know from your own efforts, Bible study is not often entertaining—it's hard work. It takes discipline to set aside time each day to reap the benefits such study has to offer. If you reach an impasse when it's time to sit down, open your Bible, and try to decide what to do, you're not alone. Without some plan to follow, it's easy to become frustrated and eventually give up after only one or two days. That's where this book comes in. If you desire greater understanding of the precious Word of God, if you want a daily guide to draw you closer to the Lord, this outstanding collection of 365 devotional readings by one of America's most respected and trusted Bible

teachers is for you!

*How to Overcome Suffering* Paiva Netto,2020-05-15 This collection of reflections and thoughts is especially dedicated to those who suffer spiritually, humanly, or socially, so they can react and rise from the ashes like the mythological Phoenix, as they move towards a new and happier existence, more experienced. I hope to help you become inwardly strong to the point that you are prepared to endure even the unbearable. If or when pain knocks on your door, may you be able to sublimate it in benefit of your Spirit and the Spirit of everyone else, because this is the fraternal, unselfish action of those who want to see a Solidary, Altruistic, and Ecumenical Society on Earth. The victory of human beings begins within themselves. The progress of humanity is a consequence of this: Social, Solidary, and Sustainable Development, Education, Culture, Art, and Sports—all this with the indispensable Ecumenical Spirituality—so there may be Socio-environmental Awareness, Food, Security, Health, and Work for all its components, as well as awakening in them the Planetary Citizenship. If we act like this, we shall be able to multiply contentment, security, and Peace in the Soul and in the pockets of citizens of any country that loves its people.

Professor Stewart's Cabinet of Mathematical Curiosities Ian Stewart,2010-09-03 School maths is not the interesting part. The real

fun is elsewhere. Like a magpie, Ian Stewart has collected the most enlightening, entertaining and vexing 'curiosities' of maths over the years... Now, the private collection is displayed in his cabinet. There are some hidden gems of logic, geometry and probability -- like how to extract a cherry from a cocktail glass (harder than you think), a pop up dodecahedron, the real reason why you can't divide anything by zero and some tips for making money by proving the obvious. Scattered among these are keys to unlocking the mysteries of Fermat's last theorem, the Poincar Conjecture, chaos theory, and the P/NP problem for which a million dollar prize is on offer. There are beguiling secrets about familiar names like Pythagoras or prime numbers, as well as anecdotes about great mathematicians. Pull out the drawers of the Professor's cabinet and who knows what could happen...

**The Story of Christian Music** Andrew Wilson-Dickson,2003 Music has been at the heart of Christian worship since the beginning, and this lavishly illustrated and wonderfully written volume fully surveys the many centuries of creative Christian musical experimentation. From its roots in Jewish and Hellenistic music, through the rich tapestry of medieval chant to the full flowering of Christian music in the centuries after the Reformation and the many musical expressions of a now-global Christianity, Wilson-Dickson conveys 'a glimpse of the fecundity of imagination with which humanity has responded to the creator God.'
