**Fortress of the Muslim** Sa'id Al-Qahtani,2021-11-07 Fortress of the Muslim ARABIC - ENGLISH (6x9) Invocations from the Qur'an & Sunnah. English Translation of Hisnul-Muslim. (aka 'Citadel of the Believer') This is a very beautiful booklet consists of many authentic Dua's (supplications) for a Muslim to supplicate on a daily basis and on special occasions. Author's Note This book is an abridgment of my earlier work entitled, Adh-Dhikr wad-Du'a wal-'llaj bir-Ruqyah mina'-Kitab was-Sunnah. In order to make it small and easily portable, I have chosen only the section on words of remembrance for this abridgment. To achieve this, I only mentioned the text of the words of remembrance instead of the entire Hadith. I also limited myself to mentioning only one or two references from the original book for each Hadith. Whoever would like to know about the Companion who related a particular Hadith, or more information about where it is recorded, should refer to the original work (mentioned above). I ask Allah the Glorious, the Mighty, by His beautiful Names and by His sublime Attributes to accept this as having been done sincerely for His sake alone. I ask Him to bring me its benefits during my lifetime and after my death. May those who read it, those who print it, or have had any role in distributing it, benefit from it also. Surely He, glory be unto Him, is Capable of all things. May the peace and blessings of Allah be upon our Prophet,

Adou'a wa Al ilaj bi Arruqa min al kitab wa Assunah. In order to make it small and easily portable, I have chosen the section on words of remembrance only. I mentioned the text of the words of remembrance instead of the entire hadith only. I also mentioned one to two references from the original book for each hadith. Whoever would like to know more information or about the companion, should refer to the original book. This book is brief and comprehensive collection of supplications that Muslims may recite on certain occasions/events. \* 261 prayers, supplications and invocations for different daily life occasions, events, and times.\*129 chapters with easy to understand language and tone.\*Each prayer is written in Arabic script with English transcription, and English translation.

**Light in the Heavens** al-Qadi al-Quda'i, 2019-11-05 Humanitarian lessons and practical insights from the prophet of Islam The words of Muhammad, messenger of God and prophet of Islam, have a special place in the hearts of his followers. Wielding an authority second only to the Qur'an, they are cited by scholars in a vast array of disciplines—including law, theology, metaphysics, poetry, grammar, history, and medicine—and are quoted by Muslims to one another in their daily lives.

Light in the Heavens by al-Qadi al-Quda'i, a Sunni judge in the Fatimid court in Egypt, is an outstanding example of a compilation of these sayings, known as hadiths, that circulated orally and were later assembled and written down. From North Africa to India, generations have used Light in the Heavens as a teaching text for children as well as adults, and many of its 1,200 sayings are familiar to individuals of diverse denominations and ethnicities. For Muslims—who consider Muhammad's teachings the fount of wisdom and the beacon of guidance in all things, mundane and sublime—these sayings provide a direct window into the inspired vision of one of the most influential humans to have walked the Earth.

**The Book of the Secrets of Prayer and its Requirements** Imam Al-Ghazali, This book describes the importance of prayer and its requirements. It describes what is essential for the disciple in terms of the external acts and its inner secrets of prayer, and revealing its refined hidden meanings in terms of humility, sincerity and intention. Presented to the English speaking public is a translation of two chapters of Ghazal's great work, Ihya .ulum al-din. The chapter is entitled kitabasar al-salah (the book of the secrets of prayer and its requirements). This translation was originally carried out by E E Caverley which I have edited in places to give the reader a clearer understanding of the text and correcting the Quranic references. I have also included in the book the prophetic narrations in the original Arabic to give the reader of Arabic a fuller flavour of the intended meaning. The two chapters selected are entitled fefadail al-salahwa al-sajudwa-aljama.hwa

al-azaanwaibariha~ (virtue of the prayer, prostration, congregation, call to prayer and its precepts). And the third chapter from the book entitled fee shuruut al-batinah min a.amaal al-qalb. (Inward stipulations for the acts of the heart) The first chapter generally focuses on the pre-eminent status of prayer and its superiority over all other forms of worship in Islam. Instilling in the one who is about to initiate the prayer the enormity and seriousness of the action. The second chapter in the book focuses on the mind-set of the one who is engaged in prayer, humility being a fundamental pillar in this regard. Imam Ghazali also offers practical remedies to attain this status of humility and describes the base nature of heedlessness before one's Creator. I hope this book acts as a means of proximity since nothing can facilitate this noble goal to reach one's Lord but the Prayer. But prostrate in adoration, and bring thyself the closer (to Allah) Surah Alaq.19

*The Expeditions* Ma'mar Ibn Rashid, 2015-10-15 *The Expeditions* is one of the oldest biographies of the Prophet Muhammad to survive into the modern era. Its primary author, Ma'mar ibn Rashid (714-770 AD/96-153 AH), was a prominent scholar from Basra in southern Iraq who was revered for his learning in prophetic traditions, Islamic law, and the interpretation of the Qur'an. This fascinating foundational seminal work contains stories handed down by Ma'mar to his most prominent pupil, 'Abd al-Razzaq of Sanaa, relating Muhammad's early life and prophetic career as well as the adventures and tribulations of his earliest followers during their conquest of the Near East. Edited from a sole surviving manuscript, the Arabic text offers numerous improved readings over those of previous editions, including detailed notes on the text's transmission and variants as found in later works. This new translation, which renders the original into readable, modern English for the first time, is accompanied by numerous annotations elucidating the cultural, religious and historical contexts of the events and individuals described within its pages. *The Expeditions*

represents an important testimony to the earliest Muslims' memory of the lives of Muhammad and his companions, and is an indispensable text for gaining insight into the historical biography of both the Prophet and the rise of the Islamic empire.

**Toward Islamic English** Isma'il R. Al-Faruqi, 1986-01-01 This book is an invaluable manual for researchers, authors, scholars, and others interests in Islamic literature, culture, and civilization. It is an attempt to clarify terms, phrases, words, and concepts who means have become distorted due to faulty translations and transliterations. Dr. Al-Faruqi states that, in modern times, the English language stands in need of the precepts and values of Islam which only the Qur'anic language can provide. constant use of the arabic form will help shield the English-speaking muslims from the onslaught of materialism, utilitarianism, skepticism...and hedonism, that in the last two hundred years, have become firmly established in the english consciousness.

Prophet Of Mercy Abul-Hasan Ali Nadwi, 2014-01-01 This book is an English translation of as-Sirat an-Nabawiyyah; a scholarly and thoroughly researched Arabic work of Shaykh Abul-Hasan Ali Nadwi (May Allahs Mercy be upon him). However the title has been taken from the Urdu translation of the said work. In this book, the author has been particularly mindful of the current generation's mindset, taste, understanding and sensibilities. Similarly, he has been entirely considerate of the modern method of research and discourse, so that the content, evidences and style prove to be effective. In preparing the book, the author has read old and new literature, in Arabic and other languages; so that the book, in addition to being comprehensive, is also able to dispel any confusion that exists in the modern mind. As a result, this book has received much acclaim, and within a short space of time it has been included in the syllabus of universities. Now, the English version of this book is in your hands, so that English speakers may also benefit.

Sahih al-Bukhari Imam al-Bukhari, 2013-11-11 This work comprises the historical chapters of the most important compilations of Traditions, Kitāb al-Jāmi' aṣ-Ṣaḥīḥ by Imām Muḥammad ibn Ismā'īl al-Bukhārī and depicts the beginning of the Prophet's revelation, the merits of the Prophet's Companions and the early years of Islam up to and including the decisive turning point of Islamic history, the Battle of Badr. Although the author set out to translate the whole of the Ṣaḥīḥ al-Bukhārī, he could not accomplish the task for much of his manuscripts were destroyed in the chaos and the inter-religious holocaust that followed upon the outbreak of the Second World War and the partition of the Indian subcontinent. However this led to his realisation, in his own words, "ten years spent on analysing, translating and clarifying the Ṣaḥīḥ were a God-willed preparation for a work which for a very long time had represented an enticing dream to me: a new rendering into English of the Message of the Qur'ān and Commentary based on the principle that the doors of ijtihād have never been and never could be closed to man's searching intellect." The result was the author's Qur'ānic commentary under the title The Message of the Qur'ān, published in 1980. Any scholarly reader of that work will easily recognise how much of the spirit of ḥadīth-and, hence, of the immortal labour of Imām Bukhārī-has gone into his interpretation of the word of God.

**DISCOVERING SHI'I ISLAM** Mohammad Ali Shomali, The present work is a summarized version of Shi'i Islam: Origins, Faith and Practices (2003, ICAS Press) by the same author. This shorter version aims to briefly address main issues related to Islam in general, and Shi'i Islam in particular. These two works represent a modest attempt to fill some of the gaps that exist in the field of Islamic studies in general, and Shi'i studies in particular. Though simply and clearly written, they are outcomes of more than twenty years of involvement in Islamic studies, and based to some extent on two series of lectures about Shi'i Islam delivered to English-speaking audiences: a first set of

some fifty lectures delivered at Jami'at al-Zahra (a prominent Islamic seminary for women) in Qum, Iran in 1995 and 1996, and a second set of some thirty lectures delivered at the Manchester Islamic Institute and the Shi'a Welfare Centre in Manchester, England in 1998 and 1999. The first chapter begins by expounding both the literal and technical meanings of the term "Shi'a", and references are made to statements of famous scholars in this regard. Then it proceeds to study the origins of Shi'i Islam and how it became established. The second chapter studies the sources of Shi'i thought, i.e. the Qur'an, the Sunnah, reason and consensus. Discussing the status of the Qur'an, the chapter goes on to establish that the Shi'a like other Muslims believe that the Qur'an which is present today is an embodiment of divine revelation to the Prophet Muhammad. The chapter continues by explaining the second most important source, i.e. the Sunnah, which includes the sayings and actions of the Prophet Muhammad. The Qur'an itself asks Muslims to take the Prophet as their role model, to refer to him to judge and settle their conflicts, and speaks of the Prophet as the one who recites, teaches and explains the Qur'an. In this chapter there is also a discussion about the household of the Prophet (Ahlul Bayt) and their role in presenting the Sunnah. Then there follows a discussion about the importance of reason and its role in understanding Islamic beliefs, values and practical laws. Finally there is a discussion about legal consensus and how it is viewed with respect to the Sunnah in the Shi'i teachings. The third chapter studies fundamental doctrines of the Shi'i faith. Along with Unity of God, prophethood and resurrection which constitute the principles of religion for Islam and other divine religions, some important additional doctrines such as divine justice and imamate are studied. These doctrines may partly be shared by other Muslims, but the Shi'a are those who believe in all of them. The fourth chapter is a very brief account of Shi'i practices along with brief references to the objectives and principles underlying them. These

practices are in principle shared by all Muslims, though there may be some differences in particulars among different Islamic schools. The fifth and final chapter is a short discussion about the Shi'a world today. This chapter starts with a brief account of the latest statistics about the present Muslim and Shi'i population of the world. There is also a breakdown of religious affiliations of some countries with a long history of Shi'i presence. Although there are no accurate and approved statistics on the current Shi'a population in the world, efforts have been made here to collect the best available.

*The Life of Muhammad* Muhammad Husayn Haykal, 1976 In *THE LIFE OF MUHAMMAD*, Haykal achieves two objectives admirably: first, a biography which reveals the career of Prophet Muhammad (peace be upon him) in the full light of historic reality; second, bringing out the essence of Islam, as exemplified in the life of the greatest Muslim. It includes complete coverage of the Prophet's life, a detailed analysis of pre-Islamic Arabia, the situational context of revelation, and a comparative study of the basics of Islamic and western civilizations. It is based upon a scholarly examination of all of the extant Sirah and Hadith literature (the Prophet's life, his sayings and narrations of his teachings by his contemporaries) with the eye of an objective, scientific and critical scholar who is well-versed in modern historical critical methodology. *THE LIFE OF MUHAMMAD* is an essential book for all English-speaking Muslims, as well as non-Muslims. This English version has been approved by the Supreme Council for Islamic Affairs, Cairo.

*A Concise Guide to the Life of Muhammad* Ayman S. Ibrahim, 2022-05-17 An expert in the study of Islam answers thirty important questions about Muhammad, offering a clear and concise guide to his life and religious significance. This companion volume to the author's *A Concise Guide to the Quran* answers many of the key questions non-Muslims have about Muhammad, reveals the

importance of Muhammad for Christian-Muslim and Jewish-Muslim interfaith relations, and examines Muslim and non-Muslim primary sources. This introductory guide is written for anyone with little to no knowledge of Islam who wants to learn about Muslims, their beliefs, and their prophet.
