*Hit Men* John Kerr, 2011-05-24 These men are the hit men, striking a contract with someone who has a target - and the cash. In a world of ever-increasing outsourcing, contract killing has become 'the white middle class way of murder'. The *Hit Men* tells the stories of some of Australia's most ruthless contract killers - their plots, accomplices, victims, crimes and punishments - and of the people who saw fit to employ them. John Kerr dissects a parade of hits, from the days of Sydney's razor gangs in the 1930s to more modern times, taking a fresh look on the way at the man they called Rent-a-Kill - Christopher Dale Flannery. Kerr traces the tragic path of Dennis Allen's hired Red Rat, tells of the bungled 'Are you Les?' hit, and examines the crimes that led to a mother's death on a bed beside her six-year-old son. He gives unflinching accounts of a man who killed his granny, wives who shopped for their husband's killers, and cashed-up criminals who called in favours to arrange the deaths of their enemies. A chilling account of how quickly ordinary people can turn to extreme violence to get what they want.

Bloody Ridge and Beyond Marlin Groft, Larry Alexander, 2015-10-06 On the island of Guadalcanal, a 2,000-yard-

long ridge rose from the jungle canopy. Behind it lay the air base of Henderson Field. And if Henderson Field fell, it would mean the almost certain death or capture of all 12,500 Marines on the island . . . Positioned on the ridge were the hard-fighting men of Edson's Raiders of the 1st Marine Raider Battalion. They were the United States Marine Corps' best of the best, and they knew defeat and retreat were simply not options. For two hellish nights in September 1942, about 840 Marines—commanded by Lieutenant Colonel Merritt Austin "Red Mike" Edson—fought one of the most pivotal battles of World War II in the Pacific, clinging desperately to their position on what would soon be known as Bloody Ridge. *Bloody Ridge and Beyond* is the story of how these men showed courage and valor in the face of overwhelming numbers, as told by Marlin Groft, a man who was a member of this incredible fighting force. Includes photographs

*Bloody Roads to Germany* William F. Meller, 2012-12-04 He never planned on becoming a leader—or a hero... In November 1944—Sergeant William Meller was just twenty years old. Very soon into the fighting in Huertgen Forest, he found himself promoted to squad leader by attrition, since every single officer in the rifle companies had already been killed or wounded. Meller and his men, living in freezing foxholes and armed only with rifles and a few machine guns and grenades, fought against the Wehrmacht's battle-hardened soldiers and its juggernaut Panzer tanks, all while under withering barrages of artillery fire. The bravery and determination of Meller and the soldiers of Meller's 28th Infantry Division allowed them to survive what would become the longest single battle the U.S. Army has ever fought in its history. But they would get little respite from the carnage. Almost immediately, they were sent to fight the Germans in the densely forested and bitter-cold Ardennes. Again, Meller and his GI's were vastly outnumbered and out-equipped in the fight which would soon become known as the Battle of the Bulge, Hitler's final offensive. The vaunted Wehrmacht threw everything they

had in their arsenal against the American dogfaces. This is the true story of a man in combat who continuously adapted to his circumstances with grace and courage, ultimately transforming himself from an ordinary young GI to a leader who helped show his soldiers, by example, how to survive war.

**The Curse of the Werepenguin** Allan Woodrow, 2020-04-28

Young Frankenstein meets The Princess Bride in the most hysterically hilarious book I've read in years.--Chris Grabenstein, #1 New York Times bestselling author All orphan Bolt Wattle has ever wanted was to find his true family. When a mysterious baron in far-off Brugaria sends for Bolt, he wonders if he's getting closer to finding his long-lost parents. But Baron Chordata appears to be a twelve-year-old boy who wears tuxedos all the time, shouts at everyone, and forbids Bolt from asking questions. Things couldn't get any worse . . . until midnight, when the Baron bites Bolt and turns him into a half boy, half penguin. Then things really couldn't get worse-- nope, wait, they get a lot worse. With the help and hindrance of a plucky girl who just might be the world's greatest bandit, a whale cult led by a man whose weapon is a stale loaf of French bread, and a sinister but friendly fortune-teller who can't stop cackling, Bolt's on a quest to reverse the curse, return to human form, and stop the Baron from taking over the country of Brugaria with his army of mind-controlled penguins in what might be the weirdest--and funniest--middle-grade novel you've ever read.

*Blood Men* Paul Cleave, 2010-05-01 A suspense-filled novel

from the internationally acclaimed crime writer. Edward Hunter is a family man with a beautiful wife and daughter, a great job, a bright future, and a very dark past. Edward's father is a man of blood. He's been in jail for twenty years and he's never coming out. Edward has struggled his entire life to put that all behind him, but it's hard when everybody knows you're the son of a serial killer. Then, a week out from Christmas, Eddie's world is turned upside-down. Suddenly he's going to need the help of his father, a man he hasn't seen since he was a boy. Is Edward destined to be just like his father, to become a man of blood? Most people come back from New Zealand talking about the breathtaking scenery and the amazing experiences. I came back raving about Paul Cleave. These are stories that you won't forget in a while: relentlessly gripping, deliciously twisted and shot through with a vein of humour that's as dark as hell. Anyone who likes their crime fiction on the black and bloody side should move Paul Cleave straight to the top of their must-read list. - Mark Billingham.

Touch my Blood Fred Khumalo, 2011-12-02 As a teenager Fred Khumalo greeted his friends with a handshake and the words 'touch my blood'. It implied friendship and trust. The saying became his name. More than that, it became the way he viewed his world. Everything touched Fred Khumalo. Twice he was bewitched. Twice his father - the 'moegoe', the 'country bumpkin' - took him to inyangas to have the 'demons' banished. Twice his mother - the 'city girl' - took him to the doctor to have the 'fevers' cured. When the American Dudes became the fashion, Khumalo dressed up in outlandish style and strutted the streets. 'You had to be brave to be seen in the outfits that we wore. Green, yellow, maroon, powder blue. Outrageous stuff, garish stuff, bright stuff. Earth, Wind and Fire stuff. Michael Jackson (pre-nose job) stuff.' He smoked dagga with con men and criminals, he pickpocketed 'corpses' on Friday night trains. He worked as a gardener in the larney suburbs and drooled over pornographic photographs with his baas's son. He studied journalism and shacked up with whiteys in a commune called Snake Park, for a while the only darkie in a crazy swirl of booze and drugs and sex. And then the bloody fightings that tore apart KwaZulu/Natal in the 1980s touched his life. Sucked him into a place of horror and violence that threatened to destroy him. When a friend died in his arms with the words 'They really got me, Touch My Blood. They really got me,' Khumalo realised that if he was to outlive the madness he had to run. From the journalist and Sunday Times columnist comes a startlingly honest, humorous and poignant autobiography about growing up in a time of laughter and heartache.
