Bible Nation Candida R. Moss, Joel S. Baden, 2019-07-16 How the billionaire owners of Hobby Lobby are spending hundreds of millions of dollars to make America a “Bible nation” The Greens of Oklahoma City—the billionaire owners of the Hobby Lobby chain of craft stores—are spending hundreds of millions of dollars in an ambitious effort to increase the Bible’s influence on American society. In *Bible Nation*, Candida Moss and Joel Baden provide the first in-depth investigative account of the Greens’ sweeping Bible projects. Moss and Baden tell the story of the Greens’ efforts to place a Bible curriculum in public schools; their rapid acquisition of an unparalleled collection of biblical antiquities; their creation of a closely controlled group of scholars to study and promote the collection; and their construction of a \$500 million Museum of the Bible in Washington, D.C. Revealing how all these initiatives promote a very particular set of beliefs about the Bible, the book raises serious questions about the trade in biblical antiquities, the integrity of academic research, and the place of private belief in public life.

More Than a Hobby David Green, 2010-07-26 The retail industry has undergone enormous changes during the last thirty years. But there is one retailer that not only has remained consistent in the fluctuating?even tenuous?market, but also has grown in the process. *More Than a Hobby* takes you inside the story of David Green, the man who built the phenomenal success of Hobby Lobby. Green went beyond surviving in a competitive retail market to thriving, ultimately expanding his \$600 start-up company into a \$1.3 billion per-year enterprise. Green’s incredible accomplishments were based not on business-school theory but on his grassroots experiences as a store manager and his creative application of cutting edge ideas, including: Allow managers to spend no more than thirty minutes per day on paperwork Instead of paying a middleman, assemble as much of the product as possible in-house Give buyers the freedom to

purchase without restraint—but within the realm of common sense Keep God and family first More Than a Hobby is a practical field manual, filled with revolutionary ideas for all those who dream of success in the world of retail business.

Giving It All Away...and Getting It All Back Again David Green, 2017-04-25 Join self-made billionaire David Green, founder of America's craft store giant Hobby Lobby, as he shares the key to building a powerful legacy: generosity. In *Giving It All Away...and Getting It All Back Again*, Green unpacks time-tested principles that will help you reap the benefits of generosity for multiple generations to come. In 1970, David Green began making picture frames in his garage. With hard work, he and his wife, Barbara, turned that humble beginning into the world's largest privately owned arts-and-crafts retailer, employing forty-three thousand people across nine hundred stores in forty-seven states. But it's not all about business. *Giving It All Away...and Getting It All Back Again*--part memoir, part personal manifesto--will change the way you think about prosperity, teaching you that true wealth is about more than money. It's about growing your faith, your family, and your intellectual capital alongside your bank account. Green also reminds us that it's not just giving that sets the foundation for financial freedom. Practicing good stewardship also helps us pass on our values and set good examples for future generations. As Hobby Lobby has grown, Green has stayed true to this philosophy by adhering to three key principles: Work with all your heart for God and not for men Think ahead, but hold your plans lightly--you don't know what God has in store for you Consider what you want your legacy to be Follow Green as he invites you to see that a life marked by generosity can also be a life full of adventure--a life that pays the best rewards, changes the lives of those around you, and gives you the tools you need to leave a lasting legacy.

The Exchange Dustin Stevens, 2018-11-08 Battered physically and psychologically in the wake of a horrific car accident, Erika Wernick takes a leave from her post as a reporter at the Seattle Times to return home to Big Bear Lake to recover. Intent on nothing more than holing up in the mountains to let herself mend, she is begrudgingly pulled along by her uncle to join him and his friends for their morning coffee at the local shop. Thinking it is nothing more than a few recent retirees in need of filling the time, it isn't until she arrives that she discovers the gathering is of a much different nature. Joining her uncle, the former town sheriff, is Craig Cobb, a past detective with LAPD, and Lou

Tobias, a medical examiner from nearby Riverside. Together, the three men form the Hobby Lobby, a term of affection given to the group that meets each morning to help each other through the various hobby cases each picked up over the course of their careers. Initially seeing the men as nothing more than a curiosity, it isn't until Erika learns of the tragic death of a former classmate that she begins to put stock into what they do. Seeing a lot of herself in the girl she hasn't spoken to in years, she begins to prod at the supposed suicide, looking past the macabre surface at the details surrounding the incident. Details that hint of far greater influences beginning to circle the idyllic mountain town than any of them could have ever imagined...

House Reader's Circle for author chats and more. "My father's
wife died. My mother said we should drive down to his place and
see what might be in it for us." So begins this remarkable novel
by Amy Bloom, whose critically acclaimed *Away* was called "a
literary triumph" (The New York Times). *Lucky Us* is a brilliantly
written, deeply moving, fantastically funny novel of love,
heartbreak, and luck. Disappointed by their families, Iris, the
hopeful star and Eva the sidekick, journey through 1940s America
in search of fame and fortune. Iris's ambitions take the pair
across the America of Reinvention in a stolen station wagon, from
small-town Ohio to an unexpected and sensuous Hollywood, and
to the jazz clubs and golden mansions of Long Island. With their
friends in high and low places, Iris and Eva stumble and shine
though a landscape of big dreams, scandals, betrayals, and war.
Filled with gorgeous writing, memorable characters, and
surprising events, *Lucky Us* is a thrilling and resonant novel
about success and failure, good luck and bad, the creation of a
family, and the pleasures and inevitable perils of family life,
conventional and otherwise. From Brooklyn's beauty parlors to
London's West End, a group of unforgettable people love, lie,
cheat and survive in this story of our fragile, absurd, heroic
species. Praise for *Lucky Us* "Lucky Us is a remarkable
accomplishment. One waits a long time for a novel of this scope
and dimension, replete with surgically drawn characters, a mix of
comedy and tragedy that borders on the miraculous, and
sentences that should be in a sentence museum. Amy Bloom is a
treasure."—Michael Cunningham "Exquisite . . . a short, vibrant

book about all kinds of people creating all kinds of serial, improvisatory lives.”—The New York Times “Bighearted, rambunctious . . . a bustling tale of American reinvention . . . If America has a Victor Hugo, it is Amy Bloom, whose picaresque novels roam the world, plumb the human heart and send characters into wild roulettes of kismet and calamity.”—The Washington Post “Bloom’s crisp, delicious prose gives [Lucky Us] the feel of sprawling, brawling life itself. . . . Lucky Us is a sister act, which means a double dose of sauce and naughtiness from the brilliant Amy Bloom.”—The Oregonian “A tasty summer read that will leave you smiling . . . Broken hearts [are] held together by lipstick, wisecracks and the enduring love of sisters.”—USA Today “Exquisitely imagined . . . [a] grand adventure.”—O: The Oprah Magazine “Marvelous picaresque entertainment . . . a festival of joy and terror and lust and amazement that resolves itself here, warts and all, in a kind of crystalline Mozartean clarity of vision.”—Elle

This Beautiful Book Steve Green, Bill High, 2019-11-12 In *This Beautiful Book*, Steve Green - founder of The Museum of the Bible - highlights life-changing themes woven through the mosaic of the Bible's various stories, reveals a new way to engage

Scripture as a whole, and inspires deep appreciation for the Bible's connection to your life. The most popular and culture-shaping text in the world, the Bible is still the least understood book of all time. The Bible's collection of history, poetry, genealogy lists, and mystifying prophecies often prove puzzling to readers. And when this text is read in pieces, we're left with only a half-impression of the vibrant mosaic. This Beautiful Book highlights the thematic threads woven throughout the ancient writings and shows us a new way to engage with Scripture as a whole. Through insights gained from firsthand experiences in leading and developing the first world class Bible museum, Green invites readers to step back from the individual stories of the Bible and consider the Bible as a whole. He reveals the completeness, connection, and transformative power of Scripture. Along with stunning retellings of biblical stories, Green helps readers see the story within the story, and draws the careful connections that help us appreciate the richness of the Bible story as a single story. Each page will spark or embolden your faith in a God who speaks to us across the centuries. A truly captivating experience, this book will instill in you a deep appreciation for Scripture and its profound connection to your own life story.

Mission Drift Peter Greer,Chris Horst,2014-02-10 A

Christianity Today 2015 Book Award Winner Is your organization in danger of Mission Drift? Without careful attention, faith-based organizations drift from their founding mission. It's that simple. It will happen. Slowly, silently, and with little fanfare, organizations routinely drift from their purpose, and many never return to their original intent. Harvard and the YMCA are among those that no longer embrace the Christian principles on which they were founded. But they didn't drift off course overnight. Drift often happens in small and subtle ways. Left unchecked, it eventually becomes significant. Yet Mission Drift is not inevitable.

Organizations such as Compassion International and InterVarsity have exhibited intentional, long-term commitment to Christ. Why do so many organizations—including churches—wander from their mission, while others remain Mission True? Can drift be prevented? In Mission Drift, HOPE International executives Peter Greer and Chris Horst tackle these questions. They show how to determine whether your organization is in danger of drift, and

they share the results of their research into Mission True and Mission Untrue organizations. Even if your organization is Mission True now, it's wise to look for ways to inoculate yourself against drift. You'll discover what you can do to prevent drift or get back on track and how to protect what matters most. No organization is exempt from the danger of drifting away from its original mission. In Mission Drift, Peter and Chris provide solid guidance for remaining laser-focused on core values--from the board level to daily organizational culture. This book is a timely message for any organization working hard to remain Mission True. --Wess Stafford, president-emeritus, Compassion International

Peter Greer and Chris Horst have identified one of the deepest challenges any leader faces: how to ensure that an organization stays true to its mission, especially when that mission becomes countercultural. --Andy Crouch, executive editor, Christianity Today

Essential reading for twenty-first-century believers if we are to gain new vision, unity, and strength. Mission Drift is spine straightening, mind clearing, and courage inspiring. This book is true-north wisdom for leaders--and a gift of hope for the world God loves. --Kelly Monroe Kullberg, founder, The Veritas Forum and author, Finding God Beyond Harvard

Many of us in leadership have learned--often painfully--that our mission needs to be built into every aspect of our organization, from leadership to receptionist, from hiring to implementation. We can't afford not to follow the lessons in this valuable book. --Richard Stearns, president, World Vision U.S. and author, The Hole in Our Gospel

Keeping an eternal perspective is essential in our work. Mission Drift gives a clear message inspiring and challenging us to intentionally keep Christ at the center of all efforts. --David Green, founder and CEO, Hobby Lobby Stores, Inc.

Written with clarity, boldness, and urgency, the authors provide insight into and examples of the causes and solutions to drift using the stories of real organizations...A must-read! Recommend this book to every business and church leader.--CBA

Retailers+Resources This book is a must-read for leaders, easy to read, practical, engaging and inspirational. The principals outlined not only apply to major corporations, but also to any organization, church and even to one's own personal life. Mission Drift . . . will be well worth the effort and time, and you will find yourself wanting to begin implementing what you've learned to safeguard your organization from drifting away from its mission.--Foursquare.org
