**Shoot to Thrill** Mark Rosenman,Howie Karpin,2015-03-31 In 2005, the National Hockey League adopted the shootout to settle ties in regular season games. The shootout is used if the game remains tied after five minutes of overtime. Ten years later, the shootout is one of the most significant and controversial rule changes in all of sports. Some maintain that the shootout erases a sixty-five-minute emotional rollercoaster between two teams—and that it's wrong for games to be decided based on a one-on-one battle between a shooter and a goalie. Others argue that shootouts provide edge-of-your seat excitement as two supremely skilled players go head-to-head for all the marbles. *Shoot to Thrill* blends history, stats, and personal perspectives from players, coaches, officials, and broadcasters. Mark Rosenman and Howie Karpin explore how players and coaches prepare for shootouts, what they think of them, and how shootouts have helped shape hockey history over the past decade—including the shootout in the last game of the 2010 season that sent the Philadelphia Flyers into the playoffs and on to the Stanley Cup Finals. Some rule changes are instituted without anyone's noticing. Others shake the game to its very foundations. Like the designated-hitter rule in baseball, hockey's shootout has left no fan impartial to it. This is the book for them. Skyhorse Publishing, as well as our Sports Publishing imprint, are proud to publish a broad range of books for readers interested in sports—books about baseball, pro football, college football, pro and college basketball, hockey,

or soccer, we have a book about your sport or your team. Whether you are a New York Yankees fan or hail from Red Sox nation; whether you are a die-hard Green Bay Packers or Dallas Cowboys fan; whether you root for the Kentucky Wildcats, Louisville Cardinals, UCLA Bruins, or Kansas Jayhawks; whether you route for the Boston Bruins, Toronto Maple Leafs, Montreal Canadiens, or Los Angeles Kings; we have a book for you. While not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to publishing books on subjects that are sometimes overlooked by other publishers and to authors whose work might not otherwise find a home.

Dare to Make History Jocelyne Lamoureux-Davidson, Monique Lamoureux-Morando, 2021-02-23 Dare to Make History is the story of two courageous and talented women who weren't willing to accept anything less than being treated as equals. On their journey to a gold medal in women's ice hockey, they became role models for generations before and after them. Twins Jocelyne Lamoureux-Davidson and Monique Lamoureux-Morando started playing ice hockey with their four older brothers and their friends on a frozen pond next to their home in North Dakota. No girls hockey teams, no problem—they just played on boys teams. They went on to win six World Championships and played in three Olympics, winning two silver medals and ultimately a gold medal in South Korea in 2018 for the USA Women's National Team. They did not allow roadblocks and discrimination deter them from taking on their governing body—USA Hockey—threatening to boycott the 2017 World Championships and jeopardizing their ability to compete in the 2018 Olympics unless their gender equity issues were addressed. The success of Monique, Jocelyne, and their team thrust them into the center of the struggle for gender equity, for

women in hockey and in sports in general, as well as in society at large. In *Dare to Make History*, the Lamoureux twins chronicle their journey to the pinnacle of their sport, their efforts along with almost 150 other hockey players to start a new professional women's hockey league, their training to come back and make another national team after giving birth, their tireless efforts to advance the interests of disadvantaged communities in closing the digital divide, and their ongoing contributions as role models championing the dreams of future generations of girls in sports, education, and the workplace. This is not a hockey book. It is not a girls book. It is a book about the importance of the fight for equity, particularly gender equity. It is the inspirational story of how two young women from a small town in North Dakota have dreamed big—had the courage to take on huge battles—and in the end how they have dared to make history.

**Women in Hockey** Kaitlyn Duling, 2020-01-01 Introduces readers to the development of women's hockey, as well as the sport's star players from past to present. Colorful spreads, fascinating sidebars, and athlete bios make this a thrilling read for young sports fans.

*Green Shoots out of Dry Ground* John P. Bowen, 2013-01-25 All over Canada, from coast to coast, there is new life in the Christian church. In spite of declining numbers, every Christian tradition has stories to tell of new ministries, fledgling Christian communities, and fresh expressions of church springing up, sometimes in unlikely places. Here, seventeen authors with

experience in areas such as church revitalization, innovative ministry, evangelism, and church planting, reflect on what they are seeing and how the lessons they have learned can guide us into ways of health and vitality. They tell us about immigrant churches and indigenous ministries, about youth research and environmental concerns, about churches in the city and churches in the country, about leadership and spirituality. Scattered throughout the book are ten exciting stories of new ministries and new churches, from different traditions and different parts of the country, all seeking to engage their communities with the Gospel. Does the church in Canada have a future? The answer these authors give is a resounding yes--green shoots can grow out of dry ground--if we are prepared to rise to the challenge and follow where the Spirit of God leads. This book is timely, comprehensive, challenging, and deeply encouraging.

And it's all here--everything from the Miracle on Ice to the Lucky Loonie; from the early days of hockey's Cold War to the headline-making

*Historical Dictionary of Ice Hockey* Laurel Zeisler, 2012-12-19 The earliest forms of ice hockey developed over the centuries in numerous cold weather countries. In the 17th century, a game similar to hockey was played in Holland known as kolven. But the modern sport of ice hockey arose from the

efforts of college students and British soldiers in eastern Canada in the mid-19th century. Since then, ice hockey has moved from neighborhood lakes and ponds to international competitions, such as the Summit Series and the Winter Olympics. Historical Dictionary of Ice Hockey traces the history and evolution of hockey in general, as well as individual topics, from their beginnings to the present, through a chronology, an introductory essay, appendixes, and an extensive bibliography. The dictionary has more than 600 cross-referenced entries on the players, general managers, managers, coaches, and referees, as well as entries for teams, leagues, rules, and statistical categories. This book is an excellent access point for students, researchers, and anyone wanting to know more about ice hockey.

**Sam Quek** Sam Quek, 2018-07-30 Sam Quek is mainly known for her starring role in the 2016 Olympic gold medal winning hockey team. This was the first time a British ladies team had won gold, but what is much less known is that Sam's rise to the top of her sport was far from easy. Sam missed out on being part of Team GB at the London 2012 Olympics but competed for England at the 2013 EuroHockey tournament and 2014 Commonwealth Games, which she won silver medals. She won the gold at the 2016 Rio Olympics after the GB hockey team beat the Netherlands on penalties. How Sam overcame the bitter disappointment of being overlooked for the two previous Olympics and ensured that she wouldn't miss out again are revealed here for the first time. She also tells of her tough childhood and her battle to reach the heights that she has. She

then went on to further fame by appearing in *Im a Celebrity* where she proved to be hugely popular with the viewing public, eventually finishing fourth. Sam now presents a variety of sports for TV, including men and womens football, NFL and hockey. She has been signed up to be the main presenter for the womens World Hockey Championships in 2018, held in August. She is hugely popular on social media with thousands of followers on twitter and instagram. Sam also has some very strong views on how women are portrayed in sport and their treatment by both coaches and the media. This is a hugely topical subject at the moment and promises to remain so for some time.
