More Common Sense Online Texas Holdem Jack D. Mormon, 2012-04-10 This is the second poker book by Mormon. Following a year of playing after publishing his first, he feels that he has gained enough information and experience to warrant a second. He is a self-proclaimed lover of the game of Texas Holdem. In his own words, Im only sorry that I didnt begin playing Holdem until I was almost 60. I somewhat pessimistically calculate that this leaves me only 50 years or so to play and improve my game. Now it may be that Holdem is played in the hereafter. If it is played only in Hell, Im probably in good shape. If, on the other hand, its only played in Heaven I need to get my act together.

Learn Texas Hold 'Em Anthony Joseph Pena, 2023-02-06 Learn Texas Hold 'Em By: Anthony Joseph Pena Learn Texas Hold 'Em teaches the average Joe or Jane how to play the game. This book breaks down play into common scenarios that a player will encounter on a regular basis. It provides insight into how you should approach each scenario. In addition, if anybody wants to facilitate a game amongst friends, Anthony Pena shares an entire chapter on how to do so. This how-to guide is written by an average Joe that learned the game back in 2019, when he was looking for a new pastime. Pena wrote the book because he wanted to share his experience with a novice Texas Hold 'Em player that just wants to learn the game, be competitive, and maybe facilitate a game for a group of friends. Compared to all of the other resources out in the world that can help somebody

to learn how to play, this book is meant to simplify things for new players, so that they will have a pastime to enjoy for the rest of their lives.

Superior Texas Hold'em Dave Erickson, 2014-06-01
This is a complete, comprehensive Texas Hold'em book. It is far, far more analytical of the subtleties of a specific form of Poker, Texas Hold'em than the usual poker books. It doesn't just claim you can win at poker, it provides the skills needed to dominate the game. Any table, any opponent. Pros don't play with a game plan, they understand the game better than amateurs. Reading this book is like playing 500,000 hands of Texas Hold'em because it explains it all. Well worth the investment at ten times the price. Read and profit from it. NOTE: There was a card corruption in the latest version with the new custom cards (the ones with skulls) in the PDF starting at page 60ish. It did not raise alarms when uploaded. I'm sorry Google didn't catch it and neither did I. If you paid for a pdf book with corrupted cards please show me your receipt and I will personally send you one with the old cards until I can get the latest SNAFU corrected. The current PDF has the old cards. You can get the epub version, which works on lean pub but for some reason Google won't approve, elsewhere... NOTE2: I resolved the problem no help from Google. The current version has correct cards. ISBN: 9780993819704

Read fascinating yarns about life on the rough and tumble, and colorful adventures as a road gambler; feel the fear and frustration of being hijacked, getting arrested for playing poker, and having to outwit card sharps and scam artists. Wolford survived it all to win a gold bracelet at the World Series playing with poker greats Amarillo Slim Preston, Johnny Moss and 1978 World Champion, Bobby Baldwin. Wolford also won 30 rodeo belt buckles. Baldwin says, Cowboy is probably the best gambling story teller in the world.
