The “city by the sea,” as Longfellow famously called it, has been a visual talisman for a host of artists, from early masters like Harrison Bird Brown and John Bradley Hudson to a remarkable roster of contemporary painters. Subjects include many of the city’s signature buildings, including the Custom House and Portland Head Light, as well as street scenes, the waterfront, harbor, back bay, and surrounding landscapes—even the Million Dollar Bridge. Paintings of Portland will feature a wide range of motifs, in all seasons and represented by an array of styles. About a quarter of the book will be devoted to historical pieces, the rest to paintings by contemporary artists.

The Chilton Crosse Collection #1 Traci Borum,2019-03-26 Painting the Moon: When Noelle Cooke inherits a quaint English cottage and an art gallery from her famous Aunt Joy, she welcomes a departure from her San Diego routine. When her childhood sweetheart, Adam Spencer, begins work on a restoration project in Noelle’s village, their friendship blossoms. But as her feelings for Adam deepen, she struggles with memories of what might have been. Faced with a life-altering revelation Aunt Joy took to her grave and a wrenching choice regarding the man she loves, Noelle could lose far more than her heart. Finding the Rainbow: Holly Newbury’s life is on hold in the cozy English village of Chilton Crosse. While her friends are marrying, having children, and embarking on successful careers, Holly is raising her three younger sisters and working part time at the village art gallery. Then a film crew’s arrival galvanizes the community, and Holly becomes fast friends with Fletcher Hays, the movie’s love-shy American writer. After years of sacrificing for others, Holly must find the courage to take a risk on a future she never dared to expect. Seeking the Star: One December night, in the sleepy Cotswold village of Chilton Crosse, a drifter named Ben collapses on George and Mary Cartwright’s snow-covered doorstep. As Christmas cheer spreads throughout the village with a Dickens-themed festival, Mary nurses Ben back to health, but she becomes curious about the secrets he seems to carry. On Christmas Eve, one of Ben’s secrets accidentally comes to light, forcing him to confront the darkness of his past and to rediscover the faith he once knew.

Finding the Rainbow Traci Borum,2015-03-10 Holly Newbury’s life is on hold in the cozy English village of Chilton Crosse. While her friends are marrying, having children, and embarking on successful careers, Holly is raising her three younger sisters and working part time at the village art gallery. Her life feels incomplete, but family is more important to her than anything. Then a film crew’s arrival galvanizes the community, and Holly becomes fast friends with Fletcher Hays, the movie’s love-shy American writer. The production of an Emma film isn’t the only drama in town, though. Their father makes a choice that threatens everything she gave up her dreams for. Holly’s sisters endure growing pains. And Fletcher plans to return to America as soon as filming is over, ruining any chance of their relationship blossoming further. After years of sacrificing for others, Holly must find the courage to take a risk on a future she never dared to expect.

Art + Fashion E.P. Cutler,Julien Tomasello,2015-10-13 A volume of magnificent proportions, Art + Fashion is as exciting and elegant as the creative partnerships it celebrates. Spanning numerous eras, men and women's fashion, and a wide range of art mediums, these 25 collaborative projects reveal the astonishing work that results when luminaries from the art world (such as Pollock, Haring, and Hirst) come together with icons of the fashion world (including Saint Laurent, Westwood, McQueen). From 20th-century legends such as Elsa Schiaparelli and her famous lobster dress painted by Salvador Dalí to 21st-century trailblazers such as Cindy Sherman and her self-portraits in vintage Chanel, these electric and provocative pairings—represented in lavish visuals and thoughtful essays reflecting on the history of each project—brim with the energy and possibility of powerful forces uniting.

Bernt and Bill value individual expression above all, and are profoundly inspired by their clients’ own tastes and personalities. Whether reimagining a secluded home in the country or an apartment looking out over the skyline of Manhattan, the firm tailors each space to its unique inhabitants. With a flair for elegant details, their personal signature is a fusion of light, spaciousness, and muted colors that resonates with contemporary taste. This spirit is evident in this lavishly illustrated book, which includes a combination of formal essays and handwritten notes detailing Bernt and Bill’s inspirations and thought processes, as well as snapshots of glamorous events and locations. True Colors Anthony Haden-Guest,1998 The Colors covers the past three decades of the American art scene, a period during which the prevailing artistic fashion has shifted as often as the focus of the Whitney Biennial, when art and money, talent and celebrity have often been confused. During this period, figures such as Julian Schnabel, Jeff Koons, and Keith Haring have crossed over from the rarefied world of high art into popular culture, and art dealers, like Hollywood power agents, have often claimed as much attention as those they represented. Anthony Haden-Guest has moved within this world, known the players, and delivers here an authoritative and deliciously inside account. Focusing on the lives and personalities of the art world's main players, and with a sure critical component, Haden-Guest gives us vivid portraits of the period's key artists as they strive to fulfill their ambitions. He does justice as well to the machinations of those who have come to control the larger drama -- the dealers, collectors, and museum curators. Filled with incredible anecdotes, dramatically told stories, and subtle critical assessments, True Colors tells the story of the art world that we have never heard before.

Art Kane Jonathan Kane,Holly Anderson,2014 Art Kane was one of the most profoundly influential photographers of the 20th century. A bold visionary, his work explored a number of genres - fashion, editorial, celebrity portraiture, travel and nudes with an unrelenting and innovative eye. Like his contemporaries, Guy Bourdin (1928-1991) and Helmut Newton (1924-2004), Kane developed a style that didn't shy away from strong colour, eroticism and surreal humour.

Art on the Block Ann Fensterstock,2013-09-17 A tour of the last four decades of contemporary art in New York City reveals how artists pioneered new trends in gentrification and inspired art renewals, focusing on the achievements of such artists as Basquiat and Rauschenberg.

Having recently returned to Thistle Bend, Colorado, Ellie London is working hard to make a living as an artist, and to get over her broken engagement. She’s focused only on guarding her heart and healing her mind . . . until a cocky, undeniably sexy out-of-towner rides in on his motorcycle. Turns out, Ellie might have just found the perfect opportunity to prove to herself that she’s over her cheating fiancé. After his own engagement falls through, EPA Inspector Collin Cooper is eager for a change of scenery in Thistle Bend. His principle rule of the road is not to get too involved with a new woman—and yet he can’t resist beautiful, outdoorsy Ellie. But when a local river becomes polluted under Collin’s supervision, resentment floods the entire town, running even deeper with Ellie’s family. With his job on the line, Collin needs to find a way to set things right—and hold on to the woman who has captured his heart.
