

Holy Grail Bring Out Your Dead

Ben Dodds

Bring Out Your Dead J. H. Powell,2014-06-10 In 1793 a disastrous plague of yellow fever paralyzed Philadelphia, killing thousands of residents and bringing the nation's capital city to a standstill. In this psychological portrait of a city in terror, J. H. Powell presents a penetrating study of human nature revealing itself. Bring Out Your Dead is an absorbing account, from the original sources, of an infamous tragedy that left its mark on all it touched.

A Book about the Film Monty Python and the Holy Grail Darl Larsen,2015-03-06 This exhaustive reference identifies and explains the plethora of cultural, historical, and topical allusions in the film Monty Python and the Holy Grail, the first original film by the British comedy troupe.

Bring Out Your Dead Chad Davidson,2024-01-31 Could the shock-rock '70s band Kiss in any way affect the outcome of a death-dealing twenty-first-century virus? Is Bob Ross—that permed, inimitable painter of Edenic nostalgia on PBS—actually an emissary from the land of personal loss? Might the work of Edward Hopper reflect facets of a global plague? What is the grammar, finally, of grief, of isolation? The essays in Chad Davidson's Bring Out Your Dead: Elegies from the Plague Year mainly concern the loss of the author's father directly before the onset of the COVID-19 pandemic, and the ways in which the pandemic itself provided a strangely ideal backdrop to grieving. Refracted through the kaleidoscopic, yet strangely stagnant, isolation period in the first year of COVID, his father's death—another plague visited on the author—found its way into all his waking hours, coloring whatever he tried to write, particularly when he tried not to let it. Friends both lost and nearly so, the burning of Notre Dame in Paris, even the seemingly inconsequential discovery of a rash of chew toys in the yard: these events assumed an unmistakable gravity, considered in the midst of a pandemic and the ruins of personal grief. Bring Out Your Dead adds Davidson's father to the growing list of loved ones lost in—and, in this case, right before—the pandemic. It's a personal memorial, given over to a father's memory and the grief endured while living through dueling plagues (one viral, the other psychological). In the end, the book becomes more about the ways we eulogize, how we remember those who are gone, why their memories persist, and what summons them back into our thoughts, our language, and our lives.

Poison Bridget Zinn,2013-03-12 Sixteen-year-old Kyra, a highly-skilled potions master, is the only one who knows her kingdom is on the verge of destruction—which means she's the only one who can save it. Faced with no other choice, Kyra decides to do what she does best: poison the kingdom's future ruler, who also happens to be her former best friend. But, for the first time ever, her poisoned dart...misses. Now a fugitive instead of a hero, Kyra is caught in a game of hide-and-seek with the king's army and her potioner ex-boyfriend, Hal. At least she's not alone. She's armed with her vital potions, a too-cute pig, and Fred, the charming adventurer she can't stop thinking about. Kyra is determined to get herself a second chance (at murder), but will she be able to find and defeat the princess before Hal and the army find her? Kyra is not your typical murderer, and she's certainly no damsel-in-distress—she's the lovable and quick-witted hero of this romantic novel that has all the right ingredients to make teen girls swoon.

Monty Python Speaks! David Morgan,1999-06-01 Monty Python, the genius comedy troupe from Britain, single-handedly revolutionized sketch comedy and paved the way for everything from Saturday Night Live to Austin Powers. Now, in their official oral history, founding members John Cleese, Eric Idle, Terry Gilliam, Terry Jones, and Michael Palin take readers behind the scenes in this no-holds-barred look at their lives and unforgettable comic works like The Spanish Inquisition, Dead Parrot, Monty Python's Life of Brian, Monty Python and the Holy Grail (inspiration for the hit Broadway musical Spamalot), and many, many more, with never-before-seen photos and rare interviews from friends and collaborators.

Myths and Memories of the Black Death Ben Dodds,2021-12-11 This book explores modern representations of the Black Death, a medieval pandemic. The concept of cultural memory is used to examine the ways in which journalists, writers of fiction, scholars and others referred to, described and explained the Black Death from around 1800 onwards. The distant medieval past was often used to make sense of aspects of the present, from the cholera pandemics of the nineteenth-century to the climate crisis of the early twenty-first century. A series of overlapping myths related to the Black Death emerged based only in part on historical evidence. Cultural memory circulates in a variety of media from the scholarly article to the video game and online video clip, and the connections and differences between mediated representations of the Black Death are considered. The Black Death is one of the most well-known aspects of the medieval world, and this study of its associated memories and myths reveals the depth and complexity of interactions between the distant and recent past.

Into the Infinite Eduardo Zotz,2022-04-30 INFINITY “Endless” is a hard concept, our human minds can barely grasp it, and experiencing it with the help of a plant Spirits, goes beyond words. This book deals with glimpses of it, and Life in this Realm is nothing other than a School, preparing us to face those endless Realms inside us, and even short glimpses of the unfathomable help us to prepare ourselves for the time when we will be awake!

Headhunters on My Doorstep J. Maarten Troost,2014-06-03 Follow in the footsteps of Robert Louis Stevenson with J. Maarten Troost, the bestselling author of The Sex Lives of Cannibals. Readers and critics alike adore J. Maarten Troost for his signature wry and witty take on the adventure memoir. Headhunters on My Doorstep chronicles Troost's return to the South Pacific after his struggle with alcoholism left him numb to life. Deciding to retrace the path once traveled by the author of Treasure Island, Troost follows Robert Louis Stevenson to the Marquesas, the Tuamotus, Tahiti, Kiribati, and Samoa, tumbling from one comic misadventure to another. Headhunters on My Doorstep is a funny yet poignant account of one man's journey to find himself that will captivate travel writing aficionados, Robert Louis Stevenson fans, and anyone who has ever lost his way.

More Meanderings in Medical History Michael Nevins,2012-05-24 These essays about various unrelated medical history subjects were composed over some three decades; some written recently, others published in my previous books. The title word meandering suggests randomness, but should not be mistaken for pointlessness for each vignette was prompted by something which at the time seemed relevant to my professional or personal life. The emphasis is on narrative history, stories of physicians at different times and places, for as my famous namesake Professor Allan Nevins once wrote, history should be enjoyed, not endured.

Soldier Dead Michael Sledge,2007-05 What happens to members of the United States Armed Forces after they die? Why do soldiers endanger their lives to recover the remains of their comrades? Why does the military spend enormous resources and risk further fatalities to recover the bodies of the fallen, even decades after the cessation of hostilities? Soldier Dead is the first book to fully address the complicated physical, social, religious, economic, and political issues concerning the remains of men and women who die while serving their country. Michael Sledge traces the changes in the handling of our Soldier Dead over time and their reflection of advances in technology and the shifting attitudes of the public, government, and military. He also considers the emotional stress experienced by those who handle the dead; the continuing efforts to retrieve bodies from Korea and elsewhere; and how unresolved issues regarding the treatment of enemy dead continue to affect U.S. foreign relations.

Restless Journey Marcus Ryan,2006 Offers powerful insights into a new way of living to help men understand their lives, build stronger relationships, identify the temptations that cause detours, experience the spiritual power of vulnerability, and discover the secret to being truly known and loved.

Monty Python Douglas McCall,2013-11-19 A chronological listing of the creative output and other antics of the members of the British comedy group Monty Python, both as a group and individually. Coverage spans between 1969 (the year Monty Python's Flying Circus debuted) and 2012. Entries include television programs, films, stage shows, books, records and interviews. Back matter features an appendix of John Cleese's hilarious business-training films; an index of Monty Python's sketches and songs; an index of Eric Idle's sketches and songs; as well as a general index and selected bibliography.

The Flaw of Averages Sam L. Savage,2012-03-13 A must-read for anyone who makes business decisions that have a major financial impact. As the recent collapse on Wall Street shows, we are often ill-equipped to deal with uncertainty and risk. Yet every day we base our personal and business plans on uncertainties, whether they be next month's sales, next year's costs, or tomorrow's stock price. In The Flaw of Averages, Sam Savage-

known for his creative exposition of difficult subjects describes common avoidable mistakes in assessing risk in the face of uncertainty. Along the way, he shows why plans based on average assumptions are wrong, on average, in areas as diverse as healthcare, accounting, the War on Terror, and climate change. In his chapter on Sex and the Central Limit Theorem, he bravely grasps the literary third rail of gender differences. Instead of statistical jargon, Savage presents complex concepts in plain English. In addition, a tightly integrated web site contains numerous animations and simulations to further connect the seat of the reader's intellect to the seat of their pants. The Flaw of Averages typically results when someone plugs a single number into a spreadsheet to represent an uncertain future quantity. Savage finishes the book with a discussion of the emerging field of Probability Management, which cures this problem through a new technology that can pack thousands of numbers into a single spreadsheet cell. Praise for The Flaw of Averages "Statistical uncertainties are pervasive in decisions we make every day in business, government, and our personal lives. Sam Savage's lively and engaging book gives any interested reader the insight and the tools to deal effectively with those uncertainties. I highly recommend The Flaw of Averages." —William J. Perry, Former U.S. Secretary of Defense "Enterprise analysis under uncertainty has long been an academic ideal. . . . In this profound and entertaining book, Professor Savage shows how to make all this practical, practicable, and comprehensible." —Harry Markowitz, Nobel Laureate in Economics

Plant-Strong Rip Esselstyn, 2013-05-14 For the millions who are following a plant-based diet, as well as those meat-eaters who are considering it, My Beef With Meat is the definitive guide to convincing all that it's truly the best way to eat! New York Times Bestselling author of The Engine 2 Diet and nutrition lecturer Rip Esselstyn, is back and ready to arm readers with the knowledge they need to win any argument with those who doubt the health benefits of a plant-based diet--and convince curious carnivores to change their diets once and for all. Esselstyn reveals information on the foods that most people believe are healthy, yet that scientific research shows are not. Some foods, in fact, he deems so destructive they deserve a warning label. Want to prevent heart attacks, stroke, cancer and Alzheimer's? Then learn the facts and gain the knowledge to convince those skeptics that they are misinformed about plant-based diets, for instance: You don't need meat and dairy to have strong bones or get enough protein You get enough calcium and iron in plants The myth of the Mediterranean diet There is a serious problem with the Paleo diet If you eat plants, you lose weight and feel great My Beef With Meat proves the Engine 2 way of eating can optimize health and ultimately save lives and includes more than 145 delicious recipes to help readers reach that goal.

Dying with Ease Jeff Spiess, 2020-10-11 Death may be inevitable, but fearing the end-of-life is avoidable. Learn how to put your fear of your final days to rest. We all know we are going to die, but live as though we don't believe it. Rather than explore our options and consider the possibilities that can impact our final days, we ignore the idea altogether out of fear. By avoiding the topic of death, we increase the pain and grief we experience at the end of life, and the suffering of those left behind. After three decades of caring for the dying, Dr. Jeff Spiess argues that if we honestly face our mortality, we will make wiser decisions, die with less distress, and live the remainder of our lives, whether days or decades, more fully and with less anxiety. Using cultural and religious references alongside poignant narratives, this optimistic work informs, inspires, and challenges our cognitive and emotional understandings of our own lives and deaths. Dying with Ease contains the practical nuts and bolts information about advance care planning, hospice, palliative care, and ethical and legal issues surrounding dying in America. Dr. Spiess answers such questions as: How can I plan for the last part of my life? What options do I have if my suffering is unbearable? What do religion and spiritual philosophy have to say about dying? What does it feel like to die? While dying can be difficult, it can also be beautiful. By learning to relax in the face of death at our current stage of life, we can make wiser and more authentic decisions throughout the rest of our lives-- however long they may be.

Finding Your Funny Muscle Mike Lukas, 2023-05-15 "The blueprint for how to be funny." - Charna Halpern, author of TRUTH IN COMEDY & ART BY COMMITTEE. "Deceptively simple techniques." - Kelly Leonard, The Second City (Exec. VP, President of Theatricals), "Yes And" (co-author), "Getting to Yes, And" (host). "A must-read for anyone looking to upgrade their humor game." - Peter McGraw, coauthor of The Humor Code.

When a joke flops...It hurts. Nothing beats getting big, genuine laughs from a room full of people. But when a joke doesn't land, your confidence takes a hit, and it feels like you've let everybody down. Figuring out why a joke didn't work and trying again is what makes you funnier. You could try grinding it out on your own, hoping you'll get lucky. Or you could get serious about your sense of humor. With a career spanning a quarter of a century, veteran comedian and comedy coach Mike Lukas (Tonight Show, Comedy Central, Second City, CBS Radio) strips comedy down to the bone. In Finding Your Funny Muscle, Mike shows you how to "flex" your ideas into funny, original, and relatable humor that gets big laughs—and makes you memorable for the right reasons. His proven blueprint includes: How to develop your own brand of comedy by answering just four questions. Five ways a 'Comedy Lens' helps you create original punchlines. The exact joke framework pro comics have used to build their careers. How to come up with A+ material—fast—using the Humor Blueprint. 36 Humor Heightening Devices to consistently create fresh material. A simple technique to avoid freezing and easily remember your 'bits'. All the laugh-getting tips and tactics from Mike's 24-year career as a pro comedian, improviser, and comedy coach. Whether you're a fan of comedy, an aspiring joke-slinger, or a working pro with an 'itch' to make it big, Finding Your Funny Muscle reveals the hard-won truth: you can learn to be funnier. "Lukas really knows what he's talking about." - Brian Stack, Writers Guild Award Winning / Emmy Nominated writer for Conan O'Brien, The Late Show with Stephen Colbert, actor, comedian. Mike Lukas is a brilliant, hyper-observant comic." - Rich Talarico, writer/producer Key & Peele, MADtv, SNL, The Tonight Show, Second City. "This is the blueprint for how to create an act that will be 100% your own." Eddie Clark, comedian & actor (Law & Order, Exiled, Orange Is the New Black, A&E, OPTIMUM ONLINE).

The Art of Avoiding a Train Wreck (paperback) Em Campbell-Pretty, Adrienne Wilson,

Transnationalism and Genre Hybridity in New British Horror Cinema Lindsey Decker, 2021-03 This book takes British horror films of the 2000s as a case study to theorise transnational genre hybridity, which combines genres from different national cinemas.

Monty Python and the Holy Grail John Cleese, 2002 The Monty Python team's first feature film is a mock-heroic tale set in Medieval Britain.

Remarkable Retail Steve Dennis, 2021-04-13 Physical retail isn't dead—but boring retail is! Remarkable Retail equips the savvy retailer with eight essential strategies to thrive in an increasingly volatile and uncertain future. Digital technology has profoundly altered the competitive landscape for retailers. In Remarkable Retail, industry thought leader Steve Dennis argues that in a world of nearly infinite choice, where the lines between digital and physical are increasingly blurred, even being very good is no longer good enough. To win and keep customers today, retailers must be nothing short of remarkable. In most retail categories, digital channels are often central to the consumer's journey, but that doesn't mean people aren't also shopping in stores; they're just using them differently, often browsing in one channel and buying in the other. The notion of a physical store channel and an ecommerce channel is increasingly a distinction without a difference; the customer is the channel. The future belongs to those who embrace the blur of digital and physical that represents modern retail today and work to deliver an experience that is more harmonized and more memorable, regardless of how consumers decide to shop. Packed with illuminating case studies from some of modern retail's biggest success stories—and leveraging Dennis's more than thirty years as a senior executive and strategic consultant to dozens of brands—Remarkable Retail lays out the case for going beyond a slightly better version of mediocre and forging a path to being truly remarkable. To help retailers on this transformation journey, Dennis presents eight essential strategies for visionary leaders who are prepared to reimagine their way of doing business. A remarkable retailer is digitally enabled, human-centered, harmonized, mobile, personal, connected, memorable, and radical. In an age where consumers have short attention spans, myriad options, and a digitally integrated relationship with every brand, Remarkable Retail is your indispensable guide to creating a powerful retail experience that keeps your customers coming back for more.

In a fast-paced world fueled by information and interconnectivity, the spellbinding force of linguistics has acquired newfound prominence. Its capacity to evoke emotions, stimulate contemplation, and stimulate metamorphosis is truly astonishing. Within the pages of "**Holy Grail Bring Out Your Dead**," an enthralling opus penned by a very acclaimed wordsmith, readers embark on an immersive expedition to unravel the intricate significance of language and its indelible imprint on our lives. Throughout this assessment, we shall delve to the book is central motifs, appraise its distinctive narrative style, and gauge its overarching influence on the minds of its readers.
