**Honey Do List** Inc. Popolino's,2021-09-22 Every Honey either has one or wants one. When it's time to get little chores done one by one, this is the place to start. A written list has a beginning and an end. When the ends of these lists are in sight you'll gladly thank yourself - every time.

The Honey-Don't List Christina Lauren,2020-03-24 From the New York Times bestselling author behind the “joyful, warm, touching” (Jasmine Guillory, New York Times bestselling author) *The Unhoneymooners* comes a delightfully charming love story about what happens when two assistants tasked with keeping a rocky relationship from explosion start to feel sparks of their own. Carey Duncan has worked for home remodeling and design gurus Melissa and Rusty Tripp for nearly a decade. A country girl at heart, Carey started in their first store at sixteen, and—more than anyone would suspect—has helped them build an empire. With a new show and a book about to launch, the Tripps are on the verge of superstardom. There’s only one problem: America’s favorite couple can’t stand each other. James McCann, MIT graduate and engineering genius, was originally hired as a structural engineer, but the job isn’t all he thought it’d be. The last straw? Both he and Carey must go on book tour with the Tripps and keep the wheels from falling off the proverbial bus. Unfortunately, neither of them is in any position to quit. Carey needs health insurance, and James has been promised the role of a lifetime if he can just keep the couple on track for a few more weeks. While road-tripping with the Tripps up the West Coast, Carey and James vow to work together to keep their bosses’ secrets hidden, and their own jobs secure. But if they stop playing along—and start playing for keeps—they may have the chance to build something beautiful together... From the “hilariously zany and heartfelt” (Booklist) Christina Lauren comes a romantic comedy that proves if it’s broke, you might as well fix it.

**Bob Honey Who Just Do Stuff** Sean Penn,2019-04-09 “An incredibly interesting work.” —Jane Smiley “A straight up masterwork.” —Sarah Silverman “Blisteringly funny.” —Corey Seymour “A transcendent apocalyptic satire.” —Michael Silverblatt “Crackling with life.” —Paul Theroux “Great fun.” —Salman Rushdie “A provocative debut.” —Kirkus Reviews From legendary actor and activist Sean Penn comes a scorching, “charmingly weird” (Booklist, starred review) novel about Bob Honey—a modern American man, entrepreneur, and part-time assassin. Bob Honey has a hard time connecting with other people, especially since his divorce. He’s tired of being marketed to every moment, sick of a world where even an orgasm isn’t real until it is turned into a tweet. A paragon of old-fashioned American entrepreneurship, Bob sells septic tanks to Jehovah’s Witnesses and arranges pyrotechnic displays for foreign dictators. He’s also a contract killer for an off-the-books program run by a branch of United States intelligence that targets the elderly, the infirm, and others who drain society of its resources. When a nosy journalist starts asking questions, Bob can’t decide if it’s a chance to form some sort of new friendship or the beginning of the end for him. With treason on everyone’s lips, terrorism in everyone’s sights, and American political life sinking to ever-lower standards, Bob decides it’s time to make a change—if he doesn’t get killed by his mysterious controllers or exposed in the rapacious media first. A thunderbolt of startling images and painted “with a broadly satirical, Vonnegut-ian brush” (Kirkus Reviews), *Bob Honey Who Just Do Stuff* is one of the year's most controversial and talked about literary works.

Lifestyle blogger Ashley Hetherington tackles the question so we can finally start living the life that's waiting for us. Many women have no idea how to get into their faith. It's even easier for them to wonder what the heck is out there and if there really is someone Divine looking over them. Ashley Hetherington understands this problem. But she also discovered that no matter where you come from or how much you know, there is a way to start a relationship with Jesus from scratch. Her experience helps us: · Learn how to pray, and see that it's a lot easier than you'd think. · Open up the Bible and actually understand it. · Find a church home, even if you don't have anyone to go with. · Make friends that will support you on your faith journey, and what Christian community looks like. Hetherington, a former Jesus-googler herself, delivers just how you can find your faith from ground zero.
