ERIC JAMES

📖 [THE ADVENTURES OF HOP-ALONG MONICA SEO](#),2021-11-26 The character Hop-Along is an adorable Easter bunny that was born with one small, deformed paw which causes him to lose his balance often when he hops. Because of this, he is often made fun of by his fellow rabbits. However, despite his deformity it does not stop him from doing and achieving anything he is determined to do. He is determined, loveable, friendly, compassionate, and always energetic with a desire to help others. This story is based on a character \Hop-Along\ I created many years ago. I created this magical creature which originally was more like an invisible elf who had \connections\ to both the Easter bunny and Santa Claus. My two young nieces and nephew who were ages 8, 6 and 4 at the time, were the receivers of the love of this invisible elf, who would magically leave letters of encouragement of their achievements, struggles, and etc. under their bedroom doors. They kept on reminding them that, just like Santa Claus, Hop- Along also knew if they were being good or not. They would get letters at Easter and Christmas, which would always \magically\ appear. I would write long funny letters about Hop-Alongs\' crazy adventures with Easter bunny or Santa Claus. This eventually led to a special phone call from Hop-Along to the kids. I disguised my voice with a computer program to sound like a ‘chipmunk’ from a TV show. And on one Christmas Eve, they discovered a tin-full of homemade cookies and a letter from Hop-Along, which also ‘magically’ appeared on their doorstep. After 4 years, the children had grown to know the true identity of Hop-Along. It was their aunt who loved them very much, wanted them to be happy during challenging times, and believed that they were watched over and loved by many people. I would like to express my gratitude to the illustrator, Sungeun, for the awesome work. I love how the characters’ faces are expressive, and their bodies are adorable and fluffy! I hope you and your kids enjoy this story, as well as more adventures to follow!

The problem is he feels a total lack of gratitude from them. He’s getting sadder and sadder, and in turn his once bright-pink fur has gone a depressing shade of blue. His fur really does reflect how he is feeling inside. When a group of highly excitable children knock him to the ground, he sees all of the colors of the rainbow and settles on a hopping red color. The Easter bunny is furious! He’s tired of being taken for granted and has decided to become the Bad Easter bunny. He sets about smashing toys, eating all the candy, and making a big mess of the neighborhood. But a simple thank you from one little girl on a scooter makes the Bad Easter bunny regret his actions. A small hug and sharing a piece of candy makes the Easter bunny turn a happy pink, and he promises to be bad no more. In this fun and quirky children’s book, Stphanie Rhr’s magical illustrations show how one good bunny turned very bad--and how important gratitude can be.
