24/7 Andres Martinez,2013-02-13 In the spring of 1998, mild-mannered, Ivy League-educated Andrés Martinez took \$50,000--most of the advance his publisher was paying for this book--and headed to Las Vegas for thirty days, ten casinos, and a wild ride through the belly of a neon beast. The result: this brilliant, often hilarious chronicle of flesh, flash, and gambling in a city where everyone dreams of hitting the jackpot--and once in a while, someone actually does. From seedy strip clubs to sprawling suburbs, from the sumptuous Bellagio to the Liberace Museum, Martinez meets a host of colorful characters...gathering tricks of the trade from blackjack dealers and fellow bleary-eyed gamblers, attending Easter Sunday mass on the Strip, befriending a family man who raised six kids while losing eight million dollars as a sports gambler. An exhilarating joyride of a read, 24/7 is a breathless tour of America's Sin City...as seen through the eyes of a man making \$1.65 million in wagers in a single month. Guess how much he took home?

Tarot Life Lessons Julia Gordon-Bramer,2023-11-07 Real-life stories using the Tarot as a tool of insight and self-transformation • Explores the living wisdom of the Tarot, based on the author’s more than 40 years’ experience as a professional Tarot reader • Shares stories from the author’s client readings to show how each card tells a story and how it only takes a small amount of familiarity to decipher a world full of meaning in the cards • Shows how to use the Tarot to grow your strengths, identify your weaknesses, conquer problems, and move on from painful situations As Julia Gordon-Bramer reveals in profound detail, the miracle of Tarot is how the right cards show up, time and time again, to provide guidance or symbolically illustrate your story—whether you believe in the Tarot or not. In these real-life tales of Tarot wisdom, Gordon-Bramer explores the modern applications and the living wisdom of the Tarot, based on her more than 40 years’ experience as a professional Tarot reader. Sharing stories from client readings and her own spiritual journey, she shows how to intuitively, logically, and sometimes playfully glean the meaning of each card that appears and integrate its powerful spiritual lessons for deeper understanding, guidance, and personal healing. She compares reading the Tarot to dream analysis, explaining how the Major Arcana, such as The Fool, The Magician, The Lovers, or The Star, represent the key players and milestones in life, the sacred adventure from birth to death. She explains how each card tells its own story, often revealing subconscious beliefs and motivations through its colors, numbers, symbols, and pictures, yet she also reveals how it only takes a small amount of familiarity to decipher a world full of meaning in the cards. Allowing you to make the leap from an abstract understanding of the Tarot to actually working intuitively with the cards, this book shows how, when used as a life-transforming tool to awaken and tame the subconscious, the Tarot offers a way to grow your strengths, identify your weaknesses, and conquer problems as you journey through life.
