**Weeping Moon** Sara Clancy,Scare Street,2019-03-09 Evil cries out in the night... Benton Bertrand is plagued by nightmares. But the horrifying images he sees in his dreams are not mere fantasy. Benton is a banshee, a harbinger of doom. His visions are premonitions of death. And only he has the power to stop them from coming true... When Benton and Nicole travel to the Fort Wayward tribal festival, they hope the wisdom of the Siksika tribe elders will help Benton come to grips with his terrifying abilities. But they soon learn they are not the only ones drawn to the sacred grounds. The duo is haunted by a ravenous ghost that stalks the festival. This vicious entity uses the cries of an infant to lure the unwary, and its savage claws to disembowel its victims. As the tribe performs a ritual to banish the deadly spirit, Benton and Nicole hunt the evil creature, hoping to end its reign of terror

before it fully begins. But when a ghost from Benton's past clashes with this deadly new spirit, their unholy conflict threatens to unleash a devastating curse. Death is coming... And this time, even a banshee may not be enough to stop it.

*Death Veil* Sara Clancy, Scare Street, 2019-04-19 The harvest moon unveils a new terror... Benton Bertrand is a banshee, a supernatural harbinger of doom. Each night he is plagued by terrifying dreams, prophecies of death seen through the eye of killers. And this time, the face he sees in his nightmare is his own... After countless brushes with the paranormal, Benton returns home and struggles to reconnect with his parents. But his efforts to build a relationship with his estranged family are quickly overshadowed by another premonition of death. Something evil is stalking him. He can feel it watching, waiting, closing in. When the vicious spirit attacks his loved ones in their own home, Benton and his parents seek refuge with his friend Nicole, in the sacred lands of the Siksika reservation. There, the two teenagers and their families must confront a horrifying secret from the past, before the deadly ghost strikes again. And they're running out of time. When the harvest moon rises, this evil entity will cross over into the land of the living, and take on a physical form. And it only needs one thing to complete its unholy ritual.... Benton Bertrand's blood.

**The Other End of the Leash** Patricia McConnell, Ph.D., 2009-02-19 Learn to communicate with your dog—using their language “Good reading for dog lovers and an immensely useful manual for dog owners.”—The Washington Post An Applied

Animal Behaviorist and dog trainer with more than twenty years' experience, Dr. Patricia McConnell reveals a revolutionary new perspective on our relationship with dogs—sharing insights on how “man’s best friend” might interpret our behavior, as well as essential advice on how to interact with our four-legged friends in ways that bring out the best in them. After all, humans and dogs are two entirely different species, each shaped by its individual evolutionary heritage. Quite simply, humans are primates and dogs are canids (as are wolves, coyotes, and foxes). Since we each speak a different native tongue, a lot gets lost in the translation. This marvelous guide demonstrates how even the slightest changes in our voices and in the ways we stand can help dogs understand what we want. Inside you will discover: • How you can get your dog to come when called by acting less like a primate and more like a dog • Why the advice to “get dominance” over your dog can cause problems • Why “rough and tumble primate play” can lead to trouble—and how to play with your dog in ways that are fun and keep him out of mischief • How dogs and humans share personality types—and why most dogs want to live with benevolent leaders rather than “alpha wanna-bes!” Fascinating, insightful, and compelling, *The Other End of the Leash* is a book that strives to help you connect with your dog in a completely new way—so as to enrich that most rewarding of relationships.

special instrument in a very private concert. At once familiar and shocking, these riveting stories will haunt you long after you put down your book and turn out the light.

*Blueprint for Revolution* Srdja Popovic, Matthew Miller, 2015-02-03 An urgent and accessible handbook for peaceful protesters, activists, and community organizers—anyone trying to defend their rights, hold their government accountable, or change the world *Blueprint for Revolution* will teach you how to • make oppression backfire by playing your opponents' strongest card against them • identify the "almighty pillars of power" in order to shift the balance of control • dream big, but start small: learn how to pick battles you can win • listen to what people actually care about in order to incorporate their needs into your revolutionary vision • master the art of compromise to bring together even the most disparate groups • recognize your allies and view your enemies as potential partners • use humor to make yourself heard, defuse potentially violent situations, and "laugh your way to victory" Praise for *Blueprint for Revolution* "The title is no exaggeration. Otpor's methods . . . have been adopted by democracy movements around the world. The Egyptian opposition used them to topple Hosni Mubarak. In Lebanon, the Serbs helped the Cedar Revolution extricate the country from Syrian control. In Maldives, their methods were the key to overthrowing a dictator who had held power for thirty years. In many other countries,

people have used what Canvas teaches to accomplish other political goals, such as fighting corruption or protecting the environment.”—The New York Times “A clear, well-constructed, and easily applicable set of principles for any David facing any Goliath (sans slingshot, of course) . . . By the end of Blueprint, the idea that a punch is no match for a punch line feels like anything but a joke.”—The Boston Globe “An entertaining primer on the theory and practice of peaceful protest.”—The Guardian “With this wonderful book, Srdja Popovic is inspiring ordinary people facing injustice and oppression to use this tool kit to challenge their oppressors and create something much better. When I was growing up, we dreamed that young people could bring down those who misused their power and create a more just and democratic society. For Srdja Popovic, living in Belgrade in 1998, this same dream was potentially a much more dangerous idea. But with an extraordinarily courageous group of students that formed Otpor!, Srdja used imagination, invention, cunning, and lots of humor to create a movement that not only succeeded in toppling the brutal dictator Slobodan Milošević but has become a blueprint for nonviolent revolution around the world. Srdja rules!”—Peter Gabriel “Blueprint for Revolution is not only a spirited guide to changing the world but a breakthrough in the annals of advice for those who seek justice and democracy. It asks (and not heavy-handedly): As long as you want to change the world, why not do it joyfully? It’s not just funny. It’s seriously funny. No joke.”—Todd Gitlin, author of *The Sixties* and *Occupy Nation*
