

Horse Racing Handicapping

Bill Peterson

Thoroughbred Horse Handicapping and Wagering A. A.J,2012-05-08

Thoroughbred Horse Handicapping and wagering using the Holy Bible of Horse Racing is a book that contains a primer for folks that do not know much about thoroughbred horse racing. In addition, it provides a methodology for picking horses that will most likely finish second or better in races that are qualified for wagering. It then describes different approaches to wagering. There are what I call another section which I call special conditions that prompt special attention and will provide an avenue for Win/Place/Show bets (across the board), as well as some short stories of the some of the real characters I have met while playing the ponies.

The Anatomy of Horse Race Handicapping Or How to Have Fun at the Track Second Edition J.M. Chodkowski,2018-10-14 The book was written for all of you, who watch horse racing only to find themselves lost, wanting to know more about the sport, but not knowing where to begin. Perhaps you're a regular race watcher, who ends up spending all of their time explaining the sport to their accompanying friends and loved ones. It's not like you don't want them sharing in the enjoyment of a sport you love, but how many questions can you really answer? Or you may be someone who just visits the track for those special race days. You want to go more often, but just don't know how to learn more about this great sport. This book may just be the help you're looking for, as it offers a unique perspective on how to enjoy horse racing. By the end of our lively and amusing discussion on how to handicap with your head, eyes, blood, gut, heart, and by your tail, the reader will be able to converse comfortably on any of the sport's diverse aspects. Most importantly, they will learn how to have fun at the track.

150 Professional Horse Racing Systems ,

The Logical Choice G. Cohail,2013-04-29 The Logical Choice is a great piece of work. Well done! ~ Ed Watts If the challenge of picking 'the winner' in every race is what motivates you when it comes to horse racing, this book is not directed at you, though there are insights within its pages that may help you with your endeavors. The sections on Beyer Speed Figures, track variants, how to calculate more accurate running times, and how to find 59% winners and still lose money are more than worth the price of this book. However, if your interest is in making money while betting on horse races, you need to face facts. Playing favorites is financial ruin in the making, yet most people (72.7% in 2010) end up wagering on the three horses with the lowest odds in race after race. Unfortunately, you cannot make long-term profits betting on such horses. You need to find horses that pay you \$16.60, \$27.40, \$18.80, etc. - what the author calls Value Plays - if you want to make money. This book will show you how he manages to do so. Professional handicapper G W Cohail has handicapped horse races for over fifty years. In the pages of this book, he challenges many aspects of traditional handicapping others take for granted and often swear by, including the revered Beyer Speed Figures, par times, daily track variants, etc. He then demonstrates how he successfully bets on horse races with making money, not picking winners, as his primary goal. Mr. Cohail spent decades handicapping races in a traditional way, always looking to zero-in on 'the winner.' He considered himself a top-notch handicapper, and he averaged 38% winners two years in a row. Yet he never made a lot of money from his handicapping skills. Luckily, he never lost the rent money either. Then one day while watching the tote board his life changed forever. Is it possible to wager on horse races and win? The Logical Choice: Tote Board Handicapping Made Easy provides insights into wagering for profit. The concepts presented in this work are usable by anyone, whether they be an experienced handicapper or a budding novice. In many respects, not knowing how to handicap races makes you a better candidate as the less you think you know about handicapping, the less you will have to unlearn.

Handicapping for Bettor Or Worse John Lindley,2004 This bettor's guide to handicapping

racehorses teaches horse players how to use all the available information to form their own system. Explains the advantages and drawbacks in current popular handicapping methods.

The Winning Horseplayer Andrew Beyer, 2007 This advanced guide to handicapping, which includes a new Foreword by the author, is chock-full of the wit and wisdom that have made Beyer a legend in the sport. The Winning Horseplayer offers the sophisticated bettor invaluable advice on handicapping and betting. (Beyer) is the grand guru . . . of handicapping.--Boston Globe

Handicapping Secrets of the Horse Racing Fanatic Gordon Easton, 2005-05 The first weekend at the track after reading your book (Handicapping Secrets of the Horse Racing Fanatic) I won \$2,600.00! Thanks for all the great info. R. Kelley - Los Angeles, CA. ...Initially, I was looking for the plays on the pick six but actually evaluated them last. I would almost swear that I was privileged to look at an experienced horse player's soul. I believe this material needs more than reading, it should be studied and practiced. The author is certainly knowledgeable about the secrets of winning. For any serious horse player who is self taught or those who aspire to collect money from the race tracks, armed with just these techniques a loser could become a winner. I would heartily endorse this author. Thank you again, Jerry Smiley - NV Great book with tremendous insight to thoroughbred handicapping and wagering. -janishrj Gordon Easton's Pick-Six Formulas and other betting strategies are quite literally worth a fortune to any serious fan of horse racing. Add in the rest of the handicapping expertise he has picked up along the way, and you have a resource that no one who plays the ponies can afford to be without. Recommended without reservation! - Jay M. - Arlington, VA I failed to mention how informative the book you sent me is. Even with over 40-yrs. of experience, I learned things about racing that I more than likely did not know, or just plain forgot about. It's a good book! Don Oerlemans - Westville, NJ Very well written and and super informative book. A++++++ -K.F. Great handicapping book for any horseracing fan. -bettyjean4771 Solid info and systems! -ciolek75 Very informative!! Easy to master. Thanks!! - A.T. Good and interesting info for any handicapper. Thanks. -C.T. Good tips and angles I haven't thought of before. Pick 6 strategies are great. -J.K. very interesting book, the stats alone are incredible. A+++ -J.J. Good insight to handicapping horses. -G.D. What makes Handicapping Secrets of The Horse Racing Fanatic your absolute best bet to put more money in your pocket when wagering at the track? It's not just master handicapper Gordon Easton's four decades worth of powerful and proven betting systems... spot plays... and long-shot picking secrets, all brought together in one book for the first time anywhere. What's sets this book apart from all the rest is that retired mathematics professor Gordon Easton is a mathematical genius specializing in Numbers Probability Theory, who gives his readers a complete set of plug and play betting formulas that will let you cover more horses and results for every dollar you bet, shaving the odds in your favor. For example: Most people never win a Pick Six because they don't have the hundreds of dollars needed to put a lot of horses on a single ticket. They will bet many \$2 tickets instead. They could end up with several tickets with 3 or 4 winners... but none with 5 or 6 for the big win. But, by using Gordon's formulas, you are guaranteed to line up at least five winners on one ticket if you get a winner in each race. You'll also have a decent chance at getting a Pick Six... without spending a fortune. For example: Pick Six Formula #1 covers 4 horses in 1 race... 3 horses in 3 races... and 2 singles (your most likely winners). To put all of these horses on one ticket would cost you \$216. Using Gordon's formula... you can do this for only \$24, with the guarantee of 5 or 6 winners on one ticket if you have a winner in each race. There is no other place on the planet you can find this kind of incredibly valuable knowledge.

Betting on Horse Racing For Dummies Richard Eng, 2022-12-28 Betting on Horse Racing For Dummies is packed with information that teaches you the ins and outs of the racetrack. You'll learn how to improve your odds, avoid common betting mistakes, and just plain have

Already know the ropes? You'll love the market trends and insider tips you'll find inside.

The Ultimate Guide To Handicapping The Horses Joseph J. Tuttle,2010-01-10 Recently revised from the Mid-February edition as of 11/01/08. I've made a very concerted effort to try and incorporate as much pertinent horsemanship knowledge into the chapters; as a way to better serve the novice; average, or below average horseplayer. I truly believe that after reading this book, you will immediately come away with a better sense of yourself (as a horseplayer), and will soon realize where exactly it is you want to be as a horseplayer. Or, you might have a wonderful epiphany and realize that maybe you too can become a more successful horseplayer. Maybe, a professional! I must admit that if you're taking yourself at all seriously, you are also going to need my newest horse handicapping book... The Tuttle Way or The Tuttle Way II. are a bit more advanced, and it can only help further your development as a Horseplayer.

Become A Winner Claiming Thoroughbred Racehorses Marino Specogna,2011-11-08 Author provides thoroughbred horse racing secrets and tips on becoming a successful thoroughbred horse owner or handicapper. The author outlines the keys for success in the thoroughbred horse racing industry.

A Year in The Anatomy of Horse Race Handicapping Volume IV J.M. Chodkowski,2017-07-25 A year-in-review for the sport of Horse Racing in 2016 which ties the races run in that year to the book The Anatomy of Horse Race Handicapping Or How to Have Fun at the Track

Horse Racing Handicapping Books 1-4 Bill Peterson,2014-09-18 72 short and easy to read articles with helpful handicapping advice from the most prolific horse racing writer in North America. With five decades of experience, Bill Peterson's articles cover everything from handicapping races on an off track, the Triple Crown, to using pace and speed as handicapping factors. Many more subjects are covered including quick systems and methods. Bill's books have been best sellers in the Horse Racing and Track Betting categories on Amazon. Each article takes just minutes to read. For more in depth methods of handicapping see Bill's best selling Horseplayer series of books.

Picking Winners Andrew Beyer,1994 A classic guide to handicap strategies in the field of thoroughbred racing Just as football evolved with the introduction of the forward pass and basketball with the development of the jump shot, so too was handicapping forever changed by the use of speed figures--and it all started with Andrew Beyer. With a foreword discussing the changes that have swept horse racing since the book's original publication in 1975, Picking Winners is essential reading both for serious horseplayers and curious amateurs.

Innovative Horse Race Handicapping Paul Lambrakis,2021-04-12 Former Santa Anita handicapper and author, Paul Lambrakis, offers up a fresh new approach to horse race analysis. Paul tells readers that in order to handicap more effectively and get better prices, they must eliminate the speed figures from their handicapping. According to Paul, who has been handicapping for over thirty-five years, the speed figures have never delivered on what they set out to do years ago. What they deliver is disappointment and short prices. Paul's method of horse race analysis is practical and straightforward. He tells

you what areas of the past performances to focus on and what to look for. Paul will also reveal to you the one area of the PP's that most handicappers overlook. It is here where you will find valuable clues to help you spot those higher-paying horses. Innovative Horse Race Handicapping is tailor-made for handicapping all the major US racetracks!

Smart Handicapping Made Easy William Bauman,1974

Ainslie's Complete Guide to Thoroughbred Racing Tom Ainslie,1988-03-15 The author describes the handicapping of thoroughbred horse races, covering such factors as the use of computers, what to watch before a race, and the best jockeys and horse trainers. He also explains 60 ways to build a betting system--Library of Congress description

The Horseracing Formula , This powerful book by turf authority Walter Gibson shows experienced and novice handicappers how to profit by using winning strategies to beat the horses. This repackaged edition shows bettors learn how to analyze their real winning chances when playing favorites, middles odds and longshots, and the proper formula they need to win by betting each group. Twenty-five winning strategies are presented in seven concise chapters teaching horse goers how to find the best bets in a race, the middle odds and overlays; the weight factor; playing longshots; progressive betting systems; and the daily double, giving readers comprehensive coverage of picking winning horses. A classic with plenty of no-nonsense information.

Racing Maxims & Methods of Pittsburg Phil Edward Cole, This legendary classic, originally published in 1908, and still sought after today, reveals the observations and handicapping techniques of Pittsburg Phil, AKA George Smith, the most successful handicapper of his time. Smith won over \$1.7 million, a fortune in the early part of the 20th century. The author covers topics as time handicapping, class and weight, honest jockeys, effect of drugs on performance, the impact of time and weight, and includes dozens of winning tips on successful handicapping. The book contains some of the best horseplaying advice ever and has stood the test of time for generations of horseplayers. The basic principles of beating the track are the same today as before, with readers getting a chance to learn from one of the greatest horse bettors ever.

Handicapping 101 Brad Free,2007 Oxford Studies in Normative Ethics is an annual forum for new work in normative ethical theory. Leading philosophers present original contributions to our understanding of a wide range of moral issues and positions, from analysis of competing approaches to normative ethics (including moral realism, constructivism, and expressivism) to questions of how we should act and live well. OSNE will be an essential resource for scholars and students working in moral philosophy.
