Horsekeeping Roxanne Bok,2011-11-08 Why would successful urbanites, used to clean, controlled and orderly lives, take on the task of restoring a near collapsing empty barn littered with haphazard and decayed fencing, pastures deep in standing water, and try to turn it into a thriving horse farm? Initially motivated only by a city dweller's fantasy and obscure memories of childhood visits to the country, Roxanne Bok oversees the reconstruction of a thirty-seven stall barn and painstakingly discovers something about both large animals and running a small business. Follow an equine novice as she leads her equally naïve family in an eighteenmonth long adventure of breathing life back into a once great horse farm in rural New England. A thoughtfully detailed memoir, Roxanne Bok learns it all the hard way, from the agony of repeatedly being tossed off a beloved horse, to the thrill of winning a blue ribbon. For those who love horses, the dream of country life or simply the sight of an otherwise urban family on great rural adventure, here is a tale that plumbs the full range of human emotions but ends with a deepened love of the land and the extraordinary equine creatures that inhabit it. Proceeds from book sales will be donated to support horse rescue charities.

Willow Run Stables Michaela Adam,2021-08-29 Born and raised in the city, Michaela always harbored an enthusiasm for farm life and horses, but zero knowledge of how cisterns operate, or how to successfully employ pasture management on farm land. Join her as she shares her adventure of farmification: acquiring a Boone County, Kentucky horse farm, and attempting to operate the hobby farm with no tractor and no truck, but with plenty of coaching from local friends, and a forgiving sense of humor.

The Tycoon's Tender Triumph Elizabeth Lennox,2012-02-24 Chloe's fascination with Sam Marchant grew from irritation to infatuation. After a year's long hiatus, Sam reappeared in her life. Unfortunately, her anger at her lingering feelings clashed with her body's attraction. However, it was Sam that encouraged her dreams, and slowly, their relationship evolved. It was Chloe's unspoken fears that hindered Sam's goal of winning her heart. How could Sam convince Chloe to give them a chance?

The Tycoon's Tots Stella Bagwell,2011-07-15 twins on the doorstep LAST-CHANCE MOTHERHOOD Chloe Murdock knew she'd probably never get to have children of her own, so the twin babies left in her care were all the more precious to her. And she'd be darned if she'd let some stranger yank them away—even if he was their very handsome uncle. FIRST-TIME FATHERHOOD Wyatt Sanders knew he was more suited to raise his niece and nephew than some rambunctious ranch woman, however lovely. But he hadn't counted on Chloe Murdock's spirit—when it came to these kids, what she wanted, she got. And soon she had Wyatt wanting her... twins on the doorstep. Those little BUNDLES OF JOY lead the Murdock sisters straight to love! Bundles of Joy

The Tycoon's Paternity Agenda Michelle Celmer,2010-12-01 Mr. December: Adam Blair, billionaire oil baron. Dream: Producing a much-wanted heir. Dilemma: Keeping the arrangement strictly business. The time had come to move on. CEO and widower Adam Blair was determined to find the right woman to carry his baby. And when Katy Huntly, his late wife's sister, discovered his plan, she demanded to be the surrogate. The agreement certainly made sense...on paper. Adam had always felt a certain pull toward Katy, and those feelings only intensified the closer they grew. But falling in love had no place in this tycoon's agenda. How could he imagine allowing their relationship to progress beyond nine months?

The Tycoon's Charm Michelle Celmer,Yvonne Lindsay,2014-12-16 For the first time in one volume, two fan-favorite romances from USA Today bestselling authors Michelle Celmer and Yvonne Lindsay. The tycoon's paternity agenda: CEO and widower Adam Blair must find the right woman to carry his baby. Then Katy Huntly, his late wife's sister, demands she be the surrogate. The agreement makes sense on paper. He's always felt a certain pull toward Katy, and those feelings are intensifying. But falling in love has no place in this tycoon's agenda or does it? Honor-bound groom: From childhood Alexander del Castillo has been betrothed to someone not of his own choosing. Thankfully bride-to-be Loren Dubois is more than suited for her place at his side and in his bed. But he never expected his beautiful bride to get under his skin or into his heart.

The Tycoon's Mechanic Linzi Basset,2021-01-30 Michael Hadley had it all. Fast cars, money and beautiful women. He was a billionaire and a champion Speedway racing driver. Life in the fast lane was good until a temptress from his past reappeared and caused him to spin out of control. Willow Roth had beauty, brains and class. She was his sister's best friend and now in his employ. She was also off limits - the one he couldn't have. "Next time you prod me in the chest, you better be ready to drop your panties." Love was never factored into the equation of Michael's sexual exploits. For Willow, love and sex represented the dualities of life. One could not exist without the other. Through the heartache and regrets of their collusive past, they would eventually reunite to understand their place together in an imperfect world.

The Italian Tycoon's Bride Helen Brooks,2007-12-01 He wants her—so he'll wed her! Maisie Burns is a nice girl, with little experience of the world. But that doesn't stop tycoon Blaine Morosini from wanting her! Maisie doesn't see the effect she has on the enigmatic Italian—she thinks she's far too plain for a man like him to notice her. But the longer they spend together, the more their mutual attraction grows. Though Blaine once thought he didn't do commitment, now he realizes that if he's to have Maisie he'll have to put his playboy past behind him and make her his wife!

Stables Oscar Riera Ojeda,Victor Deupi,2021-03-02 A richly illustrated and elegant volume showcasing beautifully

designed stables by contemporary architects and designers the world over. From a ranch in the U.S. and a Finnish farmstead to a Spanish hacienda and Australian outback home, Stables is a celebration of horses and their extraordinary lodgings. International in scope, ranging from traditional to contemporary in flavor, these stables--built of wood, metal, and stone--are exemplars of the finest taste in design. The allure of housing horses is a story of architecture, design, landscape, and a unique way of living in magnificent places--and spaces--that are made exclusively for horses and for those who love them. The book also explores indoor and outdoor arenas, paddocks, and gardens, providing a humane face to the otherwise functional buildings. Social spaces for the horses, riders, and visitors also play an important role in filling out the projects, making stables not just places for sport but also for entertainment and leisure. There is a beauty here that reflects the majesty of these animals, the distinctive landscapes in which they are set, and the creative visions of the owners, architects, and designers who have all brought them into being. Beautifully photographed, the book is sure to interest horse aficionados as well as all those interested in engaging, clean, human-scaled design.

THE TUSCAN TYCOON'S WIFE Lucy Gordon,Mineko Sakurai,2015-02-16
Racing for America James C. Nicholson,2021-04-06 On October 20, 1923, at Belmont Park in New York, Kentucky Derby champion Zev toed the starting line alongside Epsom Derby winner Papyrus, the top colt from England, to compete for a \$100,000 purse. Years of Progressive reform efforts had nearly eliminated horse racing in the United States only a decade earlier. But for weeks leading up to the match race that would be officially dubbed the International, unprecedented levels of newspaper coverage helped accelerate American horse racing's return from the brink of extinction. In this book, James C. Nicholson explores the convergent professional lives of the major players involved in the Horse Race of the Century, including Zev's oil-tycoon owner Harry Sinclair, and exposes the central role of politics, money, and ballyhoo in the Jazz Age resurgence of the sport of kings. Zev was an apt national mascot in an era marked by a humming industrial economy, great coziness between government and business interests, and reliance on national mythology as a bulwark against what seemed to be rapid social, cultural, and economic changes. Reflecting some of the contradiction and incongruity of the Roaring Twenties, Americans rallied around the horse that was, in the words of his owner, racing for America, even as that owner was reported to have been engaged in a scheme to defraud the United States of millions of barrels of publicly owned oil. Racing for America provides a parabolic account of a nation struggling to reconcile its traditional values with the complexity of a new era in which the US had become a global superpower trending toward oligarchy, and the world's greatest consumer of commercialized spectacle.
