THE TAROT GUIDE [From Beginners to Professionals] Pailong,2021-12-12 First of all, I have to apologize to everyone for my incomplete English grammar. I started studying tarot card reading at 16 years old. I am fond of the Rider Waite series of cards because of the pictures that convey the full meaning. The first book that I learned was written in my native language. I am very fond of how to make predictions using tarot cards. Often, I use tarot card prediction to earn income after school. Until I worked in a travel company, I had extra income from fortune telling. Now I am currently 41 years old. Over time, I studied how to read more cards from English books. Until I had enough experience to pass it on to people in my country. I am currently a recognized tarot card reading instructor. For the various techniques I wrote in this book, I use them regularly. It is suitable for beginners up to the level of professional fortune tellers. The highlight of my book is that - Can use tarot cards in all questions. - The ability of tarot cards that ordinary people may never experience. - Use tarot cards as a consultant for everyday life. - Use tarot cards to answer suspicions about business. - Tarot card reading in various meanings. - Examples of fortune telling and card reading in various questions For this book, I will use the word instead of those who do tarot card reading with Fortune tellers and I will use the word instead of the fortune owner or the answer recipient with Predictors.
