**Hillhaven Lodge** , 2003 Red-hot Hollywood director Brett Ratner (Rush Hour I and II, Red Dragon and the forthcoming Superman), lives in Ingrid Bergman's old Hillhaven Lodge, where he houses his old-fashioned b/w photo booth. Into this booth Ratner has enticed a cornucopia of white-hot celebrities, personalities and legends, all of whom voluntarily vlogged, posed and made silly faces without the help of stylists and makeup artist. *Culo by Mazzucco* Raphael Mazzucco, 2011-11-22 The World Is No Longer Flat Culo is an art, fashion, and pop-culture movement that defies all national, cultural, and linguistic boundaries. No matter if you were raised to call it derriere, tush, rear end, or booty, culo is the new epicenter of female sexuality, desire, and empowerment. Over the past decade, some of the world's

most celebrated women have subtly shifted our long-held ideals of physical perfection toward a shape that is more authentic and bold. While culo has long been venerated in certain cultures, it is now becoming the object of worldwide mainstream admiration. This emerging global love affair with culo is as much about the blending of African, Latin, European, and Asian beauty as it is about celebrating the female form's most coveted asset. Culo by Mazzucco pays tribute to this phenomenon through a singular artistic vision. In more than 200 photographs and artworks created on location around the world, a diverse group of women—some already legendary, some about to become so—embody the spirit of culo and the start of a new era of beauty.

**Who's Hot, What's Hot?** Michael-Anne Johns, 2009 Are you totally into fashion? This book lets you take a peek inside the closets of stars from High School Musical. It features photos and facts that helps you stay ahead of the trends.

**Paparazzi Bitch** Nadja Sayej, 2022-11-12 What does the female gaze look like in celebrity photography? We are long beyond the time of a paparazzo being the predator and the actress being the prey. Nowadays, more and more women photographers are on the streets, on the red carpet and behind the scenes at film festivals. The result? A sisterhood has emerged that shows stars in a different light. This new photography book comes from the lens one culture journalist who has been covering the entertainment world for years, Nadja Sayej. Featuring celebrities like Lady Gaga, Salma Hayek, Alicia Keys and Paris Hilton, this book features over 100 photos of celebrities, art stars and luminaries, up close and personal, taken between 2011 to 2022. Featuring photos of Sarah Jessica Parker, Marina Abramovic, Naomi Watts, Sofia Coppola, and more, this is a different light than we've seen them through the male gaze. They're not just objects of desire. With behind-the-scenes stories, essays and anecdotes, Sayej hopes to raise awareness of all the women photographers who spend their lives behind the lens—often fighting for their spots on the red carpet, in Hollywood or on the streets of New York. Is a woman paparazzo a more “gentle” photographer than a man? Why are women photographers still overlooked in the entertainment industry? Why don't we know about more “great women paparazzo” photographers? There are none on the museum walls and so few women photographers become household names. Why is that? From the art world to film festivals, backstage at concerts, fashion week front row and house parties, this is a backstage pass to the lives of the rich and famous. Consider it a photo diary from someone backstage, even if only for a fleeting moment, tracing the lineage of pop culture in a way we might never see again. “It's a business of looks, if you don't look good, you're a fool.” -Joan Rivers

*Scrunched Celebrity Photos* Carl Reiner, 1922-03-20 This book would not exist if Carl had not awakened one morning and glanced into the wastebasket and seen a scrunched People Magazine cover, featuring the face of an unidentifiable woman. Upon unscrunching it, he found it to be the face of a beautiful, famous actress. Eureka! he probably shouted, I have a new project. He immediately set about scrunching celebrity photos, challenging friends and family to see how many they were able to identify. Seeing the fun and competition the game inspired, Carl realized he had scrunched his way to an intriguing and entertaining coffee table book. With *Scrunched Celebrity Photos Hand-Scrunched* by Carl Reiner, Carl has truly proven the old adage, One man's trash is another man's treasure. In this case, both men are Carl Reiner.

Celebrity in the 21st Century Larry Z. Leslie, 2011-01-12 This book offers a critical look at celebrity and celebrities throughout history, emphasizing the development of celebrity as a concept, its relevance to individuals, and the role of the public and celebrities in popular culture. Tabloid magazines, television shows, and Internet sites inundate us with daily updates about movie stars, musicians, athletes, and even those who have achieved celebrity status simply for being rich and extravagant. Disturbingly, it appears that the harder our celebrities fall, the more fascinating they are to us. As popular culture becomes more influential, it is important to understand both the positive and negative aspects of celebrity. This volume traces the development of the concept of celebrity, discusses some of the problems facing both celebrities and their followers, and points to future trends and developments in our cultural understanding of celebrity. The author's treatment is unflinchingly honest, revealing the importance of the public's role in celebrities' lives and establishing firm criteria for determining who is a celebrity—and who is not.

**Hollywood** Keegan Allen, 2018-04-24 A photographic tour of the different sides of Hollywood by the bestselling author of *life.love.beauty*. The actor, photographer, and bestselling author reveals the Hollywood we see--and the one we don't--with a photography narrative featuring more than 250 emotionally charged color and black and white photos. Keegan Allen is a Hollywood native, growing up in a world that millions visit and many more imagine. With an avid fan base that follows him on Facebook, Instagram, Twitter, Snapchat, and a busy career that includes seven years on the hit series *Pretty Little Liars* as well as films directed by James Franco and Gia

Coppola, Allen also is a lifelong photographer whose first book, *life.love.beauty*, was a national bestseller. Now Keegan turns his eye and camera to the place he knows best. Hollywood captures the beauty and glamour of the place itself—with unusual angles of the famous sign, the glint of sidewalk stars stamped into the entrance of the Grauman's TCL Chinese Theater in the rain, the Chateau Marmont at twilight, secret local hideaways, red carpets and more—but also the darker side of dreams unrealized in the faces, hands, eyes, and footsteps of those who live on the fringe of celebrity. His photos are enhanced by revealing, intimate captions, lyrics, and other writing, as well as hand-drawn illustrations, exciting parodies, and iconic emulations. A book that will engage and surprise Keegan's legions of fans and followers, *Hollywood* is an essential gift for anyone who has visited or imagined this storied place.
